 The Anchor
 Bible is known
 for its tradition

of excellence in biblical scholarship and a commitment to advancing biblical understanding in the 21st century. The Anchor Yale Bible Series, previously the Anchor Bible Series, is a renowned publishing program that for more than 50 years has produced books devoted to the latest scholarship on the Bible and biblical topics. Yale University Press, having acquired this prestigious series in 2007,

is now proud to offer all previously published Anchor Bible titles as well as new books -- more than 115 titles in all. Many more volumes are in progress as the AYB Editorial Board, under the direction of General Editor John J. Collins, vigorously pursues the goal of bringing to a wide audience the most important new ideas, the latest research findings, and the clearest possible

analysis of the Bible. Widely recognized as the flagship of American biblical scholarship, the Anchor Yale Bible Series is comprised of: The Anchor Yale Bible Commentary Series, a book-by-book translation and exegesis of the Hebrew Bible, the New Testament, and the Apocrypha (more than 80 titles in all); The Anchor Yale Bible Dictionary, a state-of-the-art dictionary in six volumes with more

than 6,000 entries from 800 international scholars; The Anchor Yale Bible Reference Library, more than 25 volumes by foremost scholars from a variety of religious backgrounds who focus on broad biblical themes. - Publisher. *Anchor Bible dictionary, v.3* Six years in the making, this state-of-the-art dictionary offers the most up-to-date and comprehensive treatment of

biblical subjects and scholarship. An essential reference for every serious reader of the Bible. The Anchor Bible Dictionary: A-C Brilliant commentary on the most cherished book of the Bible **The Anchor Bible Dictionary** Six years in the making, this state-of-the-art dictionary offers the most up-to-date and comprehensive treatment of biblical

subjects and scholarship. An essential reference for every serious reader of the Bible. **Anchor Bible Dictionary: O-Sh** Does your knowledge of the Old Testament feel like a grab bag of people, books, events and ideas? How many times have you resolved to really understand the OT? To finally make sense of it? Perhaps you are suffering from what Sandra Richter calls the

"dysfunctional closet syndrome." If so, she has a solution. Like a home-organizing expert, she comes in and helps you straighten up your cluttered closet. Gives you hangers for facts. A timeline to put them on. And handy containers for the clutter on the floor. Plus she fills out your wardrobe of knowledge with exciting new facts and new perspectives. The whole thing is put in usable order-- a history of God's redeeming grace. A story that runs from the Eden of the Garden to the garden of the New Jerusalem. Whether you are a frustrated do-it-yourselfer or a beginning student enrolled in a course, this book will organize your understanding of the Old Testament and renew your enthusiasm for studying the Bible as a whole. Anchor Bible dictionary, v.5 Contains over six thousand alphabetically arranged entries that provide information about developments and issues associated with the study of the Bible, covering people and places, versions of the Bible, methodologies of Bible scholarship, and historical and archaeological subjects, and includes illustrations, cross-references, and bibliographies. The Anchor Bible: Numbers 1-20 Dictionary in six volumes.

The Anchor Yale Bible Dictionary

The Eerdmans Dictionary of the Bible gathers nearly 5,000

alphabetically ordered articles that thoroughly yet clearly explain all the books, persons, places, and significant terms found in the Bible. The Dictionary also explores the background of each biblical book and related writings and discusses cultural, natural, geographical, and literary phenomena-- matters that Bible students at all levels may encounter in reading or discussion.

Nearly 600 first-rate Bible authorities have contributed to the Eerdmans Dictionary of the Bible. Intended as a tool for practical Bible use, this illustrated dictionary reflects recent archaeological discoveries and the breadth of current biblical scholarship, including insights from critical analysis of literary, historical, sociological, and other methodological issues. The

editorial team has also incorporated articles that explore and interpret important focuses of biblical theology, text and transmission, Near Eastern archaeology, extrabiblical writings, and pertinent ecclesiastical traditions--all of which help make the Eerdmans Dictionary of

the Bible the most comprehensive and up-to-date one-volume Bible dictionary on the market today.
