Known for their stunning displays of artistry and technique, Italian illuminated manuscripts have long been coveted by collectors around the world. The J. Paul Getty Museum holds the most recently formed institutional collection of its kind in the United States, yet it spans more than eight centuries and reflects many of the extraordinary achievements of the Italian tradition. Made up of whole manuscripts as well as leaves and cuttings, the Getty collection of Italian illumination contains nearly sixty works and

includes the Montecassino Breviary, the Ferrarese Gualenghi-d'Este Hours, and the Roman gradual illuminated by Antonio da Monza for Santa Maria in Aracoeli. Other important acquisitions are one of the finest Bolognese Bibles of the thirteenth century; three leaves from the Laudario of Sant'Agnes, the most ambitious Florentine manuscript from the first half of the fourteenth century; and a missal once owned by the antipope John XXIII. This beautifully illustrated volume presents many splendid examples of Italian painting and illumination. Some are by noted artists such as Girolamo da Cremona, Pacino di Bonaguida, and Pisanello; others are attributed to artists known only by their works, such as the Master of Gerona, who is credited with one of the finest miniatures in the collection. This carefully crafted book is sure to become an essential resource for scholars, students, and collectors.

The Complete Book of Chalk Lettering National Geographic Books

The Flower Year is a flower coloring book celebrating of a year of flowers, birds, butterflies and small creatures to color in, adding up to a year's worth of coloring enjoyment. The Flower Year is a hardcover book, with intricate illustrations by Leila Duly, a textile print designer. Duly's work is inspired by old Victorian etchings, unique vintage finds and the English countryside. Leila's first book was Floribunda: A Flower Coloring Book, published by Laurence King in 2016 followed by Floribunda, A Flower Coloring Journal and a calendar. "Beautiful, silken ivory pages in these smaller sized, hardback books. Laurence King Publishing produce top quality journals and this Journal, and Book, are right up there. As you'll see from the video, the Journal has a few blank pages between the drawings. The Flower Year has interesting quotes on the title page for each month and at the back is a pictorial index to the images that lists the plants in each drawing. You'll be referring to this a lot as you research your flowers and leaves. Pencils will be fine but make sure you test any water based pens on an inconspicuous page. The covers continue the soft pink covers that we associate with Leila." Prue, Colour + Blog "This is a very beautiful book filled from cover to cover with detailed images of delicate flowers. Every page is different, it never feels like you're coloring the same picture twice because there is so much variety. There are single page drawings, pages with a collection of single flowers along with their names and larger pictures that cover a double page. I particularly liked the index pages at the back of the book which gives you the names of all of the plants used in the pictures. I would definitely recommend, it's my new favorite." Amazon reviewer

"Liz McGinnis never imagined herself living in a luxurious gated community like The Palms. Ever since she and her family moved in, she's felt like an outsider amongst the Stepford-like wives and their obnoxiously spoiled children. Still, she's determined to make it work--if not for herself, then for her husband, Phil, who landed them this lavish home in the first place, and for her daughter, Danielle, who's about to enter high school. Yet underneath the glossy veneer of The Palms, life is far from idyllic. In a place where reputation is everything, Liz soon discovers that even the friendliest residents can't be trusted. So when the gorgeous girl next door befriends Danielle, Liz can't help but find sophisticated Kelsey's interest in her shy and slightly nerdy daughter a bit suspicious. But while Kelsey quickly becomes a fixture in the McGinnis home, Liz's relationships with both Danielle and Phil grow strained. Now even her own family seems to be hiding things, and it's not long before their dream of living the high life quickly spirals out of control." -- From page 4 of cover.
