**Treble Recorder from the Beginning Book** Alfred Music Publishing  
RecorderWorld is an exciting and  
creative way to learn the recorder! It is a  
step-by-step teaching method with over

on from the notes learnt in Book 1.

Concert pieces provide opportunities for performance straight away and there is plenty of opportunity for group work with duets, rounds and percussion boxes.

Explore the world of improvisation and composition through imaginative starting points. 'Fact files' introduce new information about beats, musical markings and time signatures while 'Clapping Games' instil a strong sense of rhythm. 'Quick Quizzes' help revise and reinforce new concepts while lively cartoons and colorful stickers make it so much fun! This book introduces the notes low F-sharp, low D, B-flat, low F, C-sharp, top E, top F, low C, top F-sharp and top G.

This collection includes many favourite Irish fiddle tunes. Some are easy to play, others more challenging. The bowing techniques, ornamentation and other aspects of playing style summarized in the introduction will be familiar to readers of Pete's earlier book, the Complete Irish Fiddle Player, as will source musicians like Julia Clifford, Tommy Peoples, Lucy Farr, John Doherty and Padraig O'Keeffe. Here though, instead of proceeding in 'fiddle method' style from simpler to more complex tunes, regional repertoire and styles are explored. Grouped in sets for performance, the tunes from any one tradition can be of varying levels of difficulty. Less experienced players may find sets 5, 6 and 29, for example, quite approachable, as well as the first reel in

set 14 and the second single jig in set 15. All tunes included on companion CD. JAZZ RAGS & BLUES 3 Hal Leonard Corporation (Music Sales America). Ludovico Einaudi Film Music: 17 Pieces for solo piano Selections from Harry Potter for Recorder

A powerful collection of early feminist stories from the activist and writer Charlotte Perkins Gilman. Gilman created a world that could be viewed from the feminist gaze. She focused on how women were not just stay-at-home mothers they were expected to be but also people who had dreams, who were able to travel and work just as men did, and whose goals included a society where women were just as important as men. In the early 1900s this was striking and revolutionary. The stories in this collection are: 'A Coincidence'; 'According To Solomon', 'An Offender', 'A Middle-Sized Artist', 'Martha's Mother',

'Her Housekeeper', 'When I Was A Witch', 'Making a Living', 'A Coincidence, The Cottagette', 'The Boys and the Butter', 'My Astonishing Dodo', and 'A Word In Season'.

The fascinating story of a hugely popular instrument, detailing its rich and varied history from the Middle Ages to the

present The recorder is perhaps best known today for its educational role. Although it is frequently regarded as a stepping-stone on the path toward higher musical pursuits, this role is just one recent facet of the recorder's fascinating history—which spans professional and amateur music-making since the Middle Ages. In this new addition to the Yale Musical Instrument Series, David Lasocki and Robert Ehrlich trace the evolution of the recorder. Emerging from a variety of flutes played by fourteenth-century soldiers, shepherds, and watchmen, the recorder swiftly became an artistic instrument for courtly and city minstrels. Featured in music by the greatest Baroque composers, including Bach and Handel, in the twentieth century it played a vital

role in the Early Music Revival and achieved international popularity and notoriety in mass education. Overall, Lasocki and Ehrlich make a case for the recorder being surprisingly present, and significant, throughout Western music history.

Ludovico Einaudi's beautifully evocative music lends itself so perfectly to use in

films that for many years directors have been using it to complement their images. 17 of the best examples of his music for film over the past two decades are included here in this Film Music collection, arranged for solo Piano. Perhaps the most well-suited of all Einaudi's film collaborations have been with directors Olivier Nakache and Eric Toledano on their hugely successful films 'Intouchables' and 'Samba'. From these two films come nine of Einaudi's most wonderful works, including Time Lapse and Una Mattina. Film Music further includes selections from 'Comes A Bright Day' (Berlin Song), 'Insidious' (the astonishing Nuvole Bianche) and his compositions Shane Meadows' 'This Is England' and Russell Crowe's 'The Water Diviner'. Alongside the beautiful

transcriptions is a fascinating introduction to each film, letting you find out about how the song was used as well as learning how to play it. This luxurious collection of cinematic sheet music is perfect for fans of Ludovico Einaudi as well as film lovers who appreciate the power of a marriage of music and image – A masterclass in film composition.

Fantasy, Op. 79 Yale University Press  
 First published in 2005. A cookery book by the author of *The Three Musketeers* and *The Count of Monte Cristo* may seem an improbability. Yet Alexandre Dumas

was an expert cook- his love of food was said to be equalled only by his love of women - and his *Great Dictionary of Cuisine*, written to be read by worldly people and used by professionals and published posthumously in 1873, it is a masterpiece in its own right. This abridged version of the Dictionary is designed to be both useful and entertaining. A glance at the Index will show that there are hundreds of recipes - for sauces, soups, meat, fish, eggs, poultry and game - not all kitchen-tested with modern ingredients, but well within the scope of an experienced and imaginative cook.
