CORINNE BURKE

Running Your Own Pub Troubador
Publishing Ltd

This is a guide written for anyone interested in running their own pub-business, or newcomers who are developing their trade. It is packed with practical, up-to-date advice on marketing, managing staff, bookkeeping, licensing law, drinks, food, fruit machines, raising finance and regulations.

How to Buy and Run Your Own Pub
Successfully Running A PubInterested in running a pub for the first time? It's a great way to work for yourself and to take advantage of the UK's love for service and hospitality businesses. But there are a few things you need to know to get started. Here, we've put together a step-by-step guide to running a pub. In this book, the author shows prospective and existing hospitality professionals how to break down the walls, turn their businesses around, and enjoy a fulfilling lifestyle and career. A seasoned professional, he takes you from the very beginning of how to find your pub and your first days and weeks, through the summer festivities to the madness and magic of Christmas. Short brings all his experience to bear in a humorous, empathetic style that will appeal to all. And it's not just pubs. This book will help you to be profitable, organized, and ultimately successful in any hospitality business. Running a Pub (How To... and What's It Like?) What's it REALLY LIKE running a pub or ANY licensed premises? The answers to problems you may well end up too tired to fathom out, are detailed in forty chapters; including over 700 tips, advice, examples,

consequences, suggestions and warnings; saving you money, heartache and years of being in the dark. I will sometimes hint and other times hurl extreme abuse in my attempt to better your odds of success. I make no apology in explaining certain issues in depth; merely telling without understanding, is like burying YOUR head in sand. Throughout this book I will push, provoke and hope the penny drops you nearer to survival and profit, ultimately guiding you towards a better life for your family. My views on service are forthright. Mistakes made, lessons learnt and all my on-going research - I pass to YOU. Who is it written for? Existing independent operators and house managers, and anyone even THINKING of entering the trade. If you've left the trade, you may relate to some of the 50 odd true stories I've included, divulging a host of subjects. Bonus. Think of your aims and business plan as a game of obstacles. I'll point out all the obstacles you might run in to, how to remove them and later provide what I see as the MISSING LINK for almost ALL the licensed trade. What you do about that - is up to YOU. How To Run A PubInterested in running a pub for the first time? It's a great way to work for yourself and to take advantage of the UK's love for service and hospitality businesses. Running a Bar For Dummies
The delightful tale of a young couple who in the late 1970s, on impulse, became the new landlords of the most remote, bleak and lonely pub - The Tan Hill Inn - located in the bleak landscape of the Yorkshire Dales. Having seen an article in the newspaper about the pub's search for a new manager, they arrived just three weeks later as the new landlords of the The Tan Hill Inn. It is a wild, wind-swept place, set alone in a sea of peat bog and heather moorland that stretches unbroken as far as the eye can see. With only sheep and grouse for company, their closest neighbour was four miles away and the nearest town twelve. They had no experience of licensed trade or running a pub, no knowledge of farming and a complete inability to understand the dialect of the sheep farmers who were their local customers. Eager, well-meaning, but in over their heads, our two heroes embarked on a disaster-strewn career that somehow also turned into a lifelong love affair with the Dales. The Inn at the Top is an entertaining ramble around the Inn, the breath-taking Dales countryside and a remarkable array of local characters, giving an insight into life in a very different different time and place.

The Red Lioness Penguin

What's it REALLY LIKE running a pub or ANY licensed premises? The answers to problems you may well end up too tired to fathom out, are detailed in forty chapters; including over 700 tips, advice, examples, consequences, suggestions and warnings; saving you money,

Running and Being John Wiley & Sons

An experienced tavern owner and restaurateur offers advice on buying, stocking, and running a bar and avoiding some of the problems which have caused the closing of numerous pubs

The Westgate Run Michael O'Mara Books

For hundreds of years, the public house in its many guises, from urban gin palace to wayside coaching inn, has been a charming and quintessential feature of British life, and hence the names and signs associated with pubs are a constant reminder of our history, cultural heritage, folklore and local identity. The Wordsworth Dictionary of Pub Names is a fascinating compilation

containing nearly five thousand absorbing entries and can be dipped into for fun or consulted on a serious level for intriguing and amusing information not readily available elsewhere. The local pub is an institution unique to the British Isles, but since English literature abounds with references to hostelrys past and present, real and imagined, and no tourist's itinerary is complete without a visit to one or several on their route, its virtues are celebrated worldwide and readers everywhere will enjoy an affectionate and, perhaps, nostalgic browse through the pages of this entertaining dictionary.

The Bar Owners' Handbook Kogan Page Publishers

Welcome to the George Inn near London Bridge; a cosy, wood-pannelled, galleried coaching house a few minutes' walk from the Thames. Grab yourself a pint, listen to the chatter of the locals and lean back, resting your head against the wall. And then consider this: who else has rested their head against that wall, over the last 600 years? Chaucer and his fellow pilgrims almost certainly drank in

the George on their way out of London to Canterbury. It's fair to say that Shakespeare will have popped in from the nearby Globe for a pint, and we know that Dickens certainly did. Mail carriers changed their horses here, before heading to all four corners of Britain -- while sailors drank here before visiting all four corners of the world... The pub, as Pete Brown points out, is the 'primordial cell of British life' and in the George he has found the perfect case study. All life is here, from murderers, highwaymen and ladies of the night to gossiping pedlars and hard-working clerks. So sit back and watch as buildings rise and fall over the centuries, and 'the beer drinker's Bill Bryson' (TLS) takes us on an entertaining tour through six centuries of history, through the stories of everyone that ever drank in one pub.

The Calor Book of Pub Catering Tutis Digital Pub

Mass Observation was founded in 1937 with the aim of researching the everyday lives of ordinary people in Britain. One of its best-loved publications is *The Pub and the People* (1943), a unique study of one of Britain's best-loved pastimes, describing how people behaved in pubs, what and how much they drank, and the decor and layout of the average pre-war alehouse. Alongside sociological interest it offers amusing insights into an era when supping pints was only for the roughest customers, and beer was considered helpful not only to general health ('There is no bad ale, so Grandma said') but also (contra the porter in *Macbeth*) to the act of love. 'The authors of this book have unearthed much curious information.' George Orwell, Listener 'Anyone with an interest in the history of beer and pubs in Britain ought to read it.' Boak and Bailey's Beer Blog

[Running a Pub \(How To... and What's It Like?\)](#) Hachette UK

Where everybody knows their name... Whether their dream bar is a comfortable neighborhood joint or a nightclub teeming with entertainment, readers can achieve their goal with this step-by-step guide. They'll learn how to focus their vision for their bar, how to build a business plan, what they need to know about mixology and food service, how to deal with vendors and employees, and everything they need to know about advertising and marketing. [Shakespeare's Local](#) Faber & Faber The Bar & Hospitality Industry is tough and being a success within such a competitive industry is getting harder and harder every day. That is why I want to give you the skills and insights into how I have managed and overseen a wide range of successful hospitality businesses for well over 10 years. You've found this book because you're someone who wants to stand out and make an investment into your own development. You're someone who sees the value that can be gained from learning more about your industry, giving you the skills and abilities to stand out in a crowded market. These are the areas that I have found to be key in being successful in the Bar & Hospitality Industry and I want you to have access to my experience and be able to do more within your own business, your work and most importantly with your own development. YEAR BEHIND BARS Routledge

I decided to write Don't Panic - Run a Pub after thirty very happy years as a General Manager in the Pub industry. I hope to encourage and inspire others to have a fabulous career in this industry, as there is nothing better than working at something you love. I have run pubs in the UK, Australia and Bali over my career and loved every minute of it Of course, the stories are all true, as are the chapters on how to run a pub. Don't Panic - Run a Pub is full of stories and the 'how to's' of managing one.

Pubs and Inns of England and Wales Pan Macmillan

Running A Pub

Dictionary of Pub Names Burnham Incorporated Pub

Running a bar or pub is an increasingly complex business, with customers demanding ever-higher standards. The owner or manager must embrace a broad range of management responsibilities in the pursuit of competitive advantage. This is a revised edition of what was formerly The Publican's Handbook.

Don't Panic - Run a Pub Warner Books (NY)

Interested in running a pub for the first time? It's a great way to work for yourself and to take advantage of the UK's love for service and hospitality businesses. But there are a few things you need to know to get started. Here, we've put together a step-by-step guide to running a pub. Implement this guide and you will: - Increase sales and profits - Survive the recession and beyond - Make better-informed decisions - Have less cash tied up in stock - Get better deals from suppliers - Improve your cash flow - Be able to sleep at night!

The Complete Innkeeper For Dummies It was Grand National weekend and

Cathy Price had just popped into a pub in the Lake District to see how her horse was doing. A sign saying 'The Red Lion' alerted her to the fact that this was the most common name for a pub in the UK. "I wonder if anyone has ever visited them all?" she thought. The name of the pub was The Red Lion. And so, the quest began...

Independently Published

Successful Pubs and Inns plots a clear course towards successful innkeeping. It is ideal for those planning a career in the licensed trade, professionals already within the business and for students. It is of particular value to those who are considering acquiring their own pub, be it freehold, leasehold or tenancy. It gives clear direction on the vitally important process of initial selection and evaluation, highlighting the many pitfalls that will be found along the way. It details the controls required to maximise profit and reduce the risk of financial failure. This second edition of Successful Pubs and Inns: Down to earth, jargon-free guide to running a pub - and making a profit Provides an excellent overview of the legislation affecting all innkeepers Looks at the social responsibilities of licensees Puts into context the dramatic

growth in themed and branded pubs Gives practical advice on the dangers of slack food hygiene practice.

Running A Bar For Dummies Robert Hale A truly special collection of pubs to make you feel warm all over. We've discovered many more new pubs for you to explore from community-run pubs with microbreweries, to city gems and waterside spots. We've visited all these special pubs and we absolutely love them. Let's raise a glass and celebrate the unique charm of the great British pub! All the pubs are chosen for their originality, authenticity, good cheer and friendly welcomes. This well-loved guide gives you all the information you need including opening times, prices, directions, phone numbers and whether they're dog-friendly. * Pubs specially chosen for their individuality - guaranteeing you a special pub* An exceptional selection of above-pub bedrooms too, so you need drive no further once you've sampled the local produce* Search for pubs with their own breweries, authentic pubs, those with views, waterside settings, summer gardens, plus our ever-useful demystification guide to pub menus The essential glove box companion for the discerning pub goer.
