A New England inn seems like the picture-perfect place to spend the holidays. But when a snowstorm shuts the roads and keeps them all inside, the guests find themselves worrying that this Christmas may not be exactly what they dreamed of. Molly just needs to keep her head down and finish her latest book, but her writer's block is crippling. The arrival of Marcus, a handsome widower with two young girls, is exactly the distraction she doesn't need. With faith, and a little bit of Christmas magic, the inn—and its inhabitants—might just make it through the holidays after all in this “beautiful story about strangers becoming friends...and having an unexpectedly joyous time” (Publishers Weekly).

Hachette UK Robert Doisneau (Gentilly, 1912 - Montrouge, 1994) is regarded as one of the founding fathers of French humanist photography

and street photojournalism.0Through his lens he was able to grasp the daily life of the men and women who populate Paris and its suburbs, presenting the city and its inhabitants with an ironic and light touch, but also with deep humanity and participation.0The volume collects 130 black and white silver salt prints from the Atelier Robert Doisneau in Montrouge, which houses his photographic archive. Whether they are photographs made on commission or the result of his wanderings in Paris, the artist's personal style is outlined through these shots, which mixes charm and imagination, but also a freedom of expression not far from surrealism. These pictures capture moments of daily happiness among ordinary people - such as the famous *Le Baiser de l'Hotel de Ville*, or "The kiss" - in which tenderness, sometimes veiled with melancholy, but also ever-present notes of humour are mixed.00Exhibition: Palazzo Roverella, Rovigo, Italy (23.09.2021 - 30.01.2022). Somewhere along the cobbled streets of Paris, an apartment lies thick with dust and secrets: full of priceless artworks hidden away for decades. Telling the story of Ayrton Senna is not easy. It means retracing an intense competitive career, looking into the vulnerable soul of a complex man, and reliving his tragic death, which came during the bloodiest weekend in the history of modern motor racing. It also means paying homage to a truly heroic figure, whose grace and appeal remain intact. In other words, we are talking about a journey into the collective memory, within which each racing fan cherishes particular moments, personal memories, emotions and grief related to a figure who in some way continues to appear and to race in a highly colourful firmament. This brings us to Ercole Colombo. His photos. His passion for Formula 1, and his innate ability as a reporter, combined with

the aesthetic touch of a great photographer.

What Is Left Over, After
Legend Press Ltd
John Sherlock Holmes sta ripensando ad una avventura vissuta da suo padre, Il Segno dei Quattro, quando gli capita che un notaio gli affida di risolvere un caso simile. Serie I Gialli Pulp Magazine I pulp magazine, o pulp fiction, erano delle riviste di prezzo economico contenenti racconti che ebbero molto successo tra il 1920 e il 1950. Il nome pulp deriva dalla carta con cui venivano stampate queste riviste, ottenuta dalla polpa dell'albero e quindi di qualità più scadente rispetto a quella ottenuta dal resto del tronco. Oltre ad essere più ruvida e spesso, aveva anche la caratteristica di ingiallire in breve tempo. Anche se molti rispettavano gli scrittori che scrivevano per i pulp, questi giornali sono stati ricordati principalmente per le loro storie sfacciate, violente e qualche volta oscene, e

per le loro copertine sexy o raccapriccianti. Le copertine, in particolare, erano famose per i disegni di ragazze seminude, in genere in attesa di essere salvate dall'eroe di turno. Malgrado molti credano che il campo della pulp fiction fosse limitato alla gangster-story, il filone del pulp non si limitava a queste tipologia di storie. Le riviste pulp spesso contenevano un'ampia varietà di generi, tra cui il poliziesco, il fantascientifico, il fantasy, il western, l'erotico, l'horror e il noir. (Fonte Wikipedia) Sulla scia di quella tipologia di racconti, a volte un po' ingenui, ma per questo affascinanti è sorta questa serie a cui hanno aderito autori quali Adelaide Byrne [con i personaggi di Kit Masterson (La Setta degli Assassini, La Lettera Misteriosa), Herlock Homes, Maschera Bianca (L'Oro della Banca d'Italia, Gli Avvoltoi, La Beffa di Maschera Bianca, La Pagoda della Morte) Gabriele D'Annunzio con Le sue Indagini Segrete (Le Due Rivali, Il Vampiro di Dusseldorf, L'Arma Invisibile, L'Attrice, La Signora dalla Mannaia, La Stella a Sei Punte, La Notte del Mistero, L'Inganno, La Pendola

della Vita e della Morte, Il Talismano del Cavaliere Templare, Passi di Morte per Eleonora Danieli, Passi di Morte sulla Neve, La Danzatrice Nuda, Il Mistero della Torre), La Contessa De Winter (La Burla della Contessa De Winter, La Statua della Madonna)], Bruce Wayne [con i suoi romanzi di avventura su cui spiccano protagonisti come Jolanda, La Figlia del Corsaro Nero, Buffalo Bill (La Notte dei Serpenti, La Trappola di Calamity Jane, Aquila Bianca - Il Capo Apache), Kit Carson (Giuramento di Morte, L'Agguato delle Frecce, Juanita) e Texas Miller con Fortino Belphegor], Hank Monk [con il personaggio di Giovanni Belzoni (La Dama Rossa uccide tre volte)] e per ultimi Arthur Dayle e Curt Matul, con il loro personaggio John Sherlock Holmes, il figlio di Sherlock Holmes. Trattasi di storie tra le quaranta e 60 pagine, nella maggior parte dei casi, in cui gli autori cercano di mescolare sapientemente l'atmosfera e il modo di vivere dei primi anni del 900, con l'avventura, l'indagine poliziesca e un pizzico di erotismo. The rugged landscape of

Baronia on Sardinia sets the scene for this novel of crime, guilt and retribution. This novel presents the story of the Pintor sisters - from a family of noble landowners now in decline - their nephew Giacinto, and their servant Efix, who is trying to make up for a mysterious sin committed many years before. Around, below, and inside them the raging Mediterranean storms, the jagged mountains, the murmuring forests, and the gushing springs form a Greek chorus of witness to the tragic drama of this unforgiving land. Deledda tells her story with her characteristic love of the natural landscape and fascination with the folk culture of the island, with details about the famous religious festivals held in mountain encampments and the lore of the "dark beings who populate the Sardinian night, the fairies who live in rocks and caves, and the sprites with seven red caps who bother sleep."

Introduction by the Sardinian ethnographer, Dolores Turchi.
