JACOB SWANSON

*Stories Jesus Told: The
Lost Son Comes Home*

InterVarsity Press

With over a million copies sold, this classic work is essential reading for all who ask, "Where has my

struggle led me?" A chance encounter with a reproduction of Rembrandt's *The Return of the Prodigal Son* catapulted Henri Nouwen on an unforgettable spiritual adventure. Here he shares the deeply personal and resonant meditation that led him to discover the place within

where God has chosen to dwell. As Nouwen reflects on Rembrandt's painting in light of his own life journey, he evokes a powerful drama of the classic parable in a rich, captivating way that is sure to reverberate in the hearts of readers. Nouwen probes the several movements of the

parable: the younger son's return, the father's restoration of sonship, the elder son's resentfulness, and the father's compassion. The themes of homecoming, affirmation, and reconciliation will be newly discovered by all who have known loneliness, dejection, jealousy, or anger. The challenge to love as God loves, and to be loved as God's beloved, will be seen as the ultimate revelation of the parable known to Christians throughout time, and is

here represented with a vigor and power fresh for our times.

The Parable of the Father's Heart Burns & Oates

With colorful illustrations and humorous rhythm and rhyme, *The Story of Prodigal Son* is designed to draw young ones closer to God. The *Oh, What God Will Go and Do!* book series from Whitaker Playhouse features imaginative retellings of well-known Bible stories, geared toward preschoolers through early readers. The 8-by-8-

inch size is perfect for parents to read to their children, or young readers to enjoy on their own.

Who Counts? Hachette UK

In *In the Mirror of the Prodigal Son: The Pastoral Uses of a Biblical Narrative* (c. 1200-1550) Pietro Delcorno reconstructs how this biblical parable became, particularly through preaching, a key master narrative in shaping religious identity in medieval and Reformation Europe.

In Luke of Bible Jesus told
his audience a famous
parable, that is the
prodigal son. In this
picture book we adapt
this story, to make it easy
for children to understand
the unconditional grace of
God. The parable of the
prodigal son is a story
liked by many pastors and
authors. Timothy Keller

once wrote a book named
the prodigal God to show
us the insight of this
parable. Sinclair B.
Ferguson's By Grace
Alone: How the Grace of
God Amazes Me and Henri
J.M.Nouwen's The Return
of the Prodigal Son: A
Story of Homecoming also
focus on this parable.
Many artists like
Rembrandt and Gustave
Doré paint about this
parable too. In this picture
book for the kids, we
combine the insights of
the pastors and the
technique of the painters,
to show the kids the

meaning of this parable, hope they can understand the grace and love of the heavenly father in their early age. This picture books is: ●Adapted directly from Bible. ●Well illustrated and colored. ●With the insights of pastors. ●Inherited the technique of the famous painters.

Giving historical background, The Prodigal Son will reveal Christ's original message as intended for the Pharisees, the disciples, and the world today. -- from publisher description.

Thinking in Pictures Story of the Prodigal Son
Stories Jesus Told: The Lost Son Comes Home

A thoroughly researched and deeply insightful exploration of Jesus' teachings from the Gospels. Over a third of the Gospels by Matthew, Mark, and Luke contain

Jesus' parables. In the Book of Matthew, we learn that this style of teaching fulfilled G-d's prophecy: "I will open my mouth in parables, I will utter what has been hidden since the foundation of the world." But how do we best interpret these vital lessons? The Parables of Jesus Explained offers a close reading of fifty two parables from the Bible. Author Stephen Tvedten explains that a parable is a word-picture which uses an earthly image or story to illustrate a spiritual truth or lesson. It creates

a mini-drama that helps define the unknown and unseen by using both the visible and the known. This volume includes close readings of some of the best-known parables, such as The Parable of the Good Samaritan and The Parable of the Prodigal Son, as well as lesser-known stories, such as The Parable of the Unforgiving Servant.

Lost and Found: Journey through the Prodigal Son. A story of redemption and restoration for new Christians Zondervan

Mark Stibbe points the reader to a story Jesus told over 2,000 years ago which demonstrates the qualities of a perfect dad. More than that the story paints the clearest picture of what Jesus thought God is really like. It provides a wonderfully accessible introduction to the Father you've been waiting for and contains many new insights into a story loved by millions and known as the parable of parables. "This is a must-read for anyone who wants a direct, honest explanation of how remarkable God

who created the universe and more, loves and is interested in an exclusive, intimate, life-transforming relationship with you." - Diane Louise Jordan

The parable of the prodigal son stands as one of the most powerful imaginings of the grace of

God extended to fallen humanity: its themes of departure, longing, and embrace speak to the very heart of human existence. In Prodigal Christ Kendall Cox engages this timeless story as not only a parable of salvation but also a parable of atonement and election, and therefore a parable of the divine life. Far more than a depiction of God's abstract, general, or unmediated love for humankind, what it recounts is the primordial prodigality of the second

person of the Trinity. Setting in conversation two innovative and highly resonant christological readings of the parable, found in Julian of Norwich's Revelations of Divine Love and Karl Barth's Church Dogmatics, Cox shows that the identity of Jesus Christ with the wayward son is a textually faithful interpretive trajectory arising from the Lukan story itself. Such an identification is illuminated by a Ricoeurian account of parable as metaphorized

narrative and by aligning the parable along the intertextual threads to which both Julian and Barth appeal. The extraordinary divine welcome figured in the lost son's homecoming prompts Julian's unprecedented excursus on divine motherhood and compels Barth to speak, irreducibly, of the humanity of God. This famous story of God's tender condescension is theologically fecund not only because of its content but also because of its parable form.

Through their creative retellings, Cox argues that Julian and Barth are not simply interpreting scripture christologically but rather doing Christology in the mode of parable. Embodying what we might call "parabolic theology," these authors invite us to consider this narrative form as an exemplary and enduring theological genre particularly well suited to christological discourse. What emerges from this reading is a striking image of Christ the divine Son and Servant who goes

into the far country in order to bear humanity's burden as his own, taking on an alien identity, taking it up into the divine life. This is our story, and the story of God.

In the Mirror of the Prodigal Son Zondervan Publishing Company Explores some of the images which biblical writers use to teach about God; images include light, rock, and wind as well as a gardener, father, and architect.

Offers a new model for understanding the atonement, sensitive to both the Christian tradition and its postmodern critics.

Stories of Jesus Alpha North America

In *THE PRODIGAL GOD*, New York pastor Timothy Keller uses the story of the prodigal son to shine a light on the central,

beautiful message of Jesus: the gospel of grace, hope and salvation. Keller argues that the parable of the prodigal son, while Jesus' best-known parable, is also his least understood. He introduces the reader to all the characters in this timeless story, showing that it concerns not just a wayward son, but also a judgemental older brother and, most importantly, a loving father. This short but powerful book is a reminder to the faithful, an explanation to the seeker, and finally an

invitation to all – both older and younger brothers – to enter in to the ‘unique, radical nature of the gospel’: the reckless, spendthrift love of God.

Two Sons Authentic Media Inc

This book takes you on a journey that unpacks and demystifies what spiritual growth is and how it unfolds. The aim is to set you on your own path toward genuine, personal spiritual transformation. The book provides all the tools you need--biblical, scientific, and practical--

so that you can develop your own pathway for spiritual growth. What is unique about Victor Copan's approach to spiritual growth is that he explores recent findings of brain research as well as scientific research on habit formation and brings them into conversation with the process of spiritual formation. Research on the brain and on habit formation has uncovered significant insights about the process and dynamics of human transformation that can be fruitfully

incorporated into our own pursuit of spiritual transformation. Tapping into this research allows us to work in concert with how God designed humans to function--body, soul, and spirit.
