Men today have locked horns with their toughest issue: reclaiming the full potential of manhood. Bestselling author Dr. Larry Crabb asks, What gives manhood definition and meaning? In this updated and expanded edition of *The Silence of Adam*, Crabb and his colleagues, biblical scholar Don Hudson and counselor Al Andrews, offer a fresh look at how God designed men. The book deals thoughtfully and honestly with men's ongoing struggles and exposes the difficulties they have in relationships. It presents the rich calling men have to reveal God in ways uniquely masculine. And it summons them beyond their paralyzing fear of failure to bold risk-taking, courageous action, deep spirituality, and full-hearted living. This new edition includes: Epilogue from Dr. Larry Crabb Study Guide (Individual or Group Format Use) *One Body, One Spirit, and One New Man* Red Wheel/Weiser How to Love When You Don't Feel Like Loving Everywhere we look, we see evidence that love is in short supply. Terrorists and political corruption, school shootings and troubled marriages, impatient online sniping and character assassination—all point to the fact that we do not know how to love one another as Jesus commanded and modeled. We put our own interests and happiness first, despite the fact that the greatest happiness comes through sacrificial love. In this book, Dr. Larry Crabb shows readers how to understand the deep and perfect love we are shown by our Creator and Redeemer, and how to pour that love into other people. This love is about more than being nice and serving others. It's about relating to others in such a way that they feel heard, seen, and valued. This love sacrifices and suffers and keeps loving, even when doing so is costly. This kind of love, says Crabb, is the kind worth fighting for in all of our relationships, and *A Different Kind of Happiness* shows how to make it a reality.

The hope of the Gospel is a universal message, and sports are arguably the universal language. Sharing the former through the latter is a powerful combination for changing lives. And for

students with a heart for both, the field of sports ministry presents compelling career opportunities. Until now, there has never been a college textbook devoted to the subject. With the arrival of Sports Ministry, college and university instructors have a dedicated text for educating students on the how-to process of developing viable sports ministry programs that share the Word and positively influence the world in which we live. The book begins with a description of what sports ministry is and a historical overview of the sports ministry movement, including stories of prominent individuals and organizations past. Students will learn about the many sports ministries serving today at the local, national, and international levels, such as the Fellowship of Christian Athletes, Athletes in Action, and Missionary Athletes International. Through each chapter's Sports Ministry in Action and Interview With a Professional sidebars, students will get a glimpse into the lives and ministries of individuals and organizations working in sports ministry and learn about the career opportunities available in the field. The underpinnings of sports ministry are evangelism and discipleship, and to that end students will learn various methods for Gospel communication within the sports context. The book also deliberates the intersection of sports and faith, weighing the positive and negative aspects of competition and whether competitive sport is compatible with faith. Included are six principles for making decisions regarding sport participation and a three-step process for using biblical precepts to determine ethical behavior in sport. Chapters dedicated to finances, facilities, and legal considerations inform students on the corporate aspects of running a sports ministry program. These include the five main approaches for securing financial resources, a framework for planning and selecting the right facility, and strategies for mitigating risk. The final section of the book looks at the implementation of sports ministry programs locally and internationally. Four common types of local church-based events are discussed—onsite, community, jaunt event, and short-term missions—with examples of each included. Students will gain an understanding of key administrative responsibilities for organizing international missions. The cross-cultural nature of sports ministry—both locally and abroad—requires students to cultivate an awareness of and respect for other cultures to foster friendship evangelism, essential to any successful sports ministry. Sports Ministry is the definitive resource for building an effective sports ministry program. When done right, sport is a powerful platform that God will use to transform lives for His eternal purposes. With Sports Ministry, students will gain the knowledge and tools to share their faith and offer hope to others through the universal language of sport.

A dynamic, practical guide to embracing your past and

discovering a deeper connection to yourself, God, and others so you can reclaim who God created you to be. Many of us yearn for a sense of purpose, but we wonder how we can overcome the trauma and mistakes of our past. We keep doing and doing for God, hoping to erase our story so we can find our true calling. *Free and Fully Alive* is a powerful reminder that our stories hold the key to our true purpose, and it's who we are in those stories, not what we do, that is the secret to living the abundant life God promises. As author Karrie Garcia draws on her own experiences and her expertise as a life coach, she shows us why God's redemptive purpose for our lives doesn't begin once we're free from pain, and as we are vulnerable with God, ourselves, and others, we find that we are already who God created us to be. A vibrant guide to getting unstuck, *Free and Fully Alive* equips you to: Ditch the behavior modification strategies and focus on true heart transformation Stop chasing external achievements when what you long for is internal change Silence that inner critic and find the voice of truth through the Word of God Realize that God's love for you has nothing to do with all you accomplish today Understand that your past does not disqualify you from God's purpose Feel fully alive in the story you're living. You are meant to be here. In fact, that's the greatest purpose of all. *When the Holy Spirit Moves (eBook)* HarperChristian + ORM It has been a great privilege for me to join hands with Lifeline Global Ministries. I'll never forget my first experience at Angola State Prison when a large group of men was honored for completing the yearlong, Malachi Dads program. I was also deeply honored to present my Life Essentials Study Bible to each graduate and be able to spend some time training them to use it. Frankly, it was a life-changing experience. Since then, the opportunities have only multiplied. From Florida to California and beyond, men and women in a multitude of prisons are not only being redeemed through their faith in Jesus Christ, but they are growing and maturing in Christ because of Lifeline Global Ministries. You'll learn more about this ministry in *Finding Your Pace* but even more significant, you'll learn what it really means to enter and follow the narrow path that leads to life eternal. You will also immensely enjoy Romney's athletic metaphors and similar biblical examples. The Apostle Paul loved to illustrate biblical truth with these illustrations even when facing death. Thus, he wrote, "I have fought the good fight, I have finished the race, I have kept the faith" (2 Timothy 4:7). Dr. Gene A. Living the New Way in Cana of Galilee is a historical fiction based primarily on the manuscript "Acts of the Apostles" written by Luke in approximately 60 AD. While the people, places, and activities are fictional, I have tried to keep them consistent with the little information that we do have available. Its underlying theme is the spread of Christianity from its epicenter in Jerusalem.

Forever change the way you look at the Bible . . . and your own life Have you ever read the Bible only to come away confused? Ever wondered if God actually had you in mind when He began telling His story? Though life may not be going according to your plan, God has another one, far better than you can imagine. From Genesis to Revelation, experience His invitation to get you dancing with joy. In 66 Love Letters Larry Crabb offers a fresh, relational look at Scripture: "When you finish reading my first love letter to you, I want you to realize that I never underestimated how thoroughly you'd mess up your life or how painfully you would struggle and suffer, and I don't want you to underestimate your failures or struggles either. They're all part of the story I'm telling. "But neither have I underestimated my determination or ability to enter both the mess you've made and the pain you feel, then turn everything around. I can, and I will, make everything good again. Never underestimate me." Larry's intimate conversation with God asks deeply honest questions such as: "God, what is it you wanted me to see in Obadiah?" "And what's up with Leviticus? Is there anything there for me?" "This one verse in Galatians has always frustrated me. Why is that?" "The way you wrote Revelation makes it difficult to understand—why didn't you just describe what will happen in a straightforward way?" Listen to the story of God unfold through these chapters, and you'll find not only His redeeming love but His plan and provision designed especially for you.

On the day of Pentecost Peter preached the gospel, the Spirit was outpoured, and close to three thousand souls were saved. These newly saved believers spontaneously began to meet together in their homes: "And day by day, continuing steadfastly with one accord in the temple and breaking bread from house to house, they partook of their food with exultation and simplicity of heart" (Acts 2:46). In these home gatherings, all believers were able to function, and the early church flourished and spread (v. 47).

But real life happens in the small moments, the kind we find on Tuesday, the most ordinary day of the week. Tuesday carries moments we want to hold onto--as well as ones we'd rather leave behind. It holds secrets we can't see in a hurry--secrets not just for our schedules but for our souls. It offers us a simple bench on which to sit, observe, and share our stories. For those being pulled under by the strong current of expectation, comparison, and hurry, relief is found more in our small moments than in our fast movements. In *Simply Tuesday*, Emily P. Freeman helps readers · stop dreading small beginnings and embrace today's work · find contentment in the now—even when the now is frustrating or discouraging · replace competition with compassion · learn to breathe in a breathless world Jesus lived small moments well, slow moments fully, and all moments free. He lives with us still, on all our ordinary days, creating and redeeming the world both in us and through us, one small moment at a time. It's time to take back Tuesday, to release our obsession with building a life, and believe in the life Christ is building in us--every day.

Mike Graves begins this book with the question "If preaching is intended to enliven the church, why is it killing so many ministers?" His answer? Because preaching has become divorced from the vitality and diversity of the preacher's daily life. He invites preachers to discover how preaching can be renewing rather than draining.

You exercise. You eat right. You make good choices—the stairs instead of the elevator. You are pursuing wellness. Is it possible, though, that in your pursuit to achieve wellness you are ignoring the one area of your life that needs the most daily exercise? Just like physical wellness requires commitment, a training regimen, good choices, and constant pursuit, spiritual wellness does too. In *A New Way of Living*, you'll discover a practical spiritual training program that can be successfully embraced and followed. Using nine simple verses, author, preacher, runner, and cyclist Gene Wilkes paints the picture of how to pursue spiritual wellness. Using carefully interpreted messages from the Beatitudes, you'll

have an understanding of the people, the characteristics, and the promises that Jesus addressed. With that understanding, Wilkes then helps you develop your simple Beatitude exercise regimen. Each chapter in *A New Way of Living* includes reflection questions as part of a takeaway section as well as a small-group discussion guide and three-week devotional for digital online use. The book also contains photos characteristic of metaphors used in the book as well as other ancillary items.

Spirituality has an indispensable role to play in the expression of our humanity. However, spiritual practices can sometimes make us less, not more, authentically human. We may be good Christians, but we aren't good human beings. How can we ensure that our spiritual journey is conducted in a way that allows us to become fully alive and deeply human? David Benner has spent thirty-five years integrating psychology and spirituality. Here he presents an expansive, psychologically informed understanding of spirituality, probing the contrasts between soulful and soulless spirituality, deep and shallow religion, and healthy and unhealthy relationships with God to affirm the vital role of human development in the spiritual journey. Benner then suggests soulful practices for cultivating the Christian spiritual life. This book will appeal to readers seeking depth and substance in their quest for authentic spirituality. It will also be a helpful resource for mental health professionals and spiritual directors. Reflection questions and exercises for individual or group use are included at the end of each chapter.d

The Bible heralds the good news that God is dispensing Himself into His believers for their daily enjoyment. This enjoyment issues forth from abiding in the Lord and enjoying His life. This crucial truth is the subject of the apostle John's writings in the New Testament. It is mysterious, but it can be experienced!

Why is the Christian Church declining in numbers and effectiveness in the twenty-first century? In *A Celtic Model of Ministry* Jerry Doherty, experienced clergyman and Celtic scholar, shows that the decline is caused by a crisis of individualism, a crisis of faith, and a crisis of lifestyle. Doherty responds to these crises by providing a Celtic spirituality by way of ministry of early Celtic Christians in Ireland, Wales, Scotland, Brittany, and the Isle of Man. He provides a model for ministry today in the local congregation and a guideline for the successful future of the Church modeled after the early Celtic communities. Doherty applies the model in congregational development studies and ministry. He explores the problems that have caused the decline of the Church and how paradigms of ministry in current use are no longer adequate. In *A Celtic Model of Ministry* Doherty proposes that a new model for thinking and building ministry today, especially in the local congregation, may be found in early Celtic Christian communities. Churches need to be a spiritual center, a learning center, and a community center.
