This is a rich collection of memories and reflections from the long-time abbot of La Trappe, Dom Marie-Gérard Dubois, OCSO. Starting with his entry into monastic life, he walks the reader through the dramatic changes in the Strict Observance of the Cistercian Order, including its liturgical reform and developments in the role of lay brothers. Dom Dubois also

shares stories about the diverse group of men who entered the Order at that time, including WWII veterans, Holocaust survivors, and members of the French literary elite, and why they decided to become monks. His stories offer a fascinating inside view into twentieth-century Cistercian life.

Composed of two companion novellas, *The Empty Chair* is a profound, heart-wrenching piece of spiritual storytelling from Bruce Wagner, the internationally

acclaimed author of such novels as *Dead Stars*, *I'm Losing You* and *Force Majeure*. In *First Guru*, a fictional Wagner narrates the tale of a Buddhist living in Big Sur, who achieves enlightenment in the horrific aftermath of his child's suicide. In *Second Guru*, Queenie, an aging wild child, returns to India to complete the spiritual journey of her youth. Told in ravaged, sensuous detail to the author-narrator by two strangers on opposite sides of the country, years apart from each other, both stories illuminate the random, chaotic nature of human suffering and the miraculous strength of the human spirit. A deeply affecting and meditative reading

experience, *The Empty Chair* is an exquisitely rendered, thought-provoking, and humbling new work.

The desire to keep
knowledge from

circulating is the essence of any secret. In the case of the secret of success, entrepreneurs and forward thinkers have come around to recognizing that success is NOT to be kept a secret, but rather, shared for the good of the community, the world, and themselves. We recall the famous words of Napoleon Hill: It is literally true that you can succeed best and quickest by helping others to succeed. Therefore, among the secrets to success, mentoring those who wish to learn more about the process is paramount. Other vital factors in success include the need for specific knowledge, saving time by avoiding mistakes, having the

passion needed, as well as the will to pursue your dreams and to take action to achieve this success. Dreams without action were once called "pipe dreams" - just smoke screens where nothing tangible was ever accomplished. While we need to beware of charlatans and cheats, more and more of us wish to succeed personally and help others along the way do the same. The electronic age has ably assisted this cause. Our CelebrityExperts in this book can now share The BIG Secret with their clients and, in fact, all around the world, showing and helping those who desire to accomplish great deeds and influence the world positively, how to go about this task. One of

the finest reminders we have had on the secret of success is from Thomas Edison: I have not failed. I've just found 10,000 ways that won't work.

This diary of a monastic life is “a continuation of The Seven Storey Mountain . . . Astonishing” (Commonweal).

Chronicling six years of Thomas Merton’s life in a Trappist monastery, *The Sign of Jonas* takes us through his day-to-day experiences at the Abbey of Our Lady of Gethsemani, where he lived in silence and prayer for much of his life. Concluding with the account of Merton’s ordination as a priest, this diary documents his growing acceptance of his

vocation—and the greater meaning he found within his private world of contemplation.

“This book is made unmistakably real and almost, at times, unbearably poignant by the fact that the exuberance of youth so often wells up through it with rapture, impatience, and even bluster.” —TheNew York Times “A stirring book—the most readable and on the whole, most illuminating of the author’s writings.” —Catholic World *Godtalk* Abingdon Press

“Read this book, apply its concepts, and see how your business transforms.” — Marshall Goldsmith, Thinkers 50 #1 Executive Coach and #1 Leadership Thinker Outstanding leaders

make business indispensable. The Merriam-Webster Dictionary defines "Indispensable" as being absolutely necessary and not subject to being set aside or neglected. **INDISPENSABLE: Build and Lead A Company Customers Can't Live Without** provides a framework that you can follow to transform your business and features dozens of examples from industry including those drawn from Amazon, Uber, Facebook and more. Each business example illustrates how the concepts offered in the book are already being used to make businesses indispensable in the marketplace. Keep in mind, though, only your customers can

decide if your business is indispensable. We don't get a vote on that. However, there are steps that we can take to improve our chances. A Leader's pursuit of greatness for his or her company is important, but, it's not enough, and a business does not become indispensable by accident. Outstanding leadership is essential to bring a company from greatness to indispensability. This is an important distinction because anything less than outstanding leadership will not suffice. Why? Outstanding leaders lead by example. They demonstrate desired qualities and behaviors to their followers through their actions and conduct. By doing so, these leaders put forth a sense that they

and their teams share the same goals and aspirations, and, that together, they are going to go about achieving these ambitions as one. Indispensable businesses share a common purpose so they need leaders that can set the example. As you read the book, you will come to recognize how vital TRUE leadership is to helping your business become indispensable. Regardless of your rank or position, you must study, learn, exemplify and LIVE these essential behaviors to be able to provide the people you work with and serve: A Captivating Vision: Outstanding leaders can articulate a vision for the future that every staff member can understand and

buy-in to. This vision becomes the stuff of rallying cries and establishes the common goal that leader and team will share. Outstanding leadership is required to articulate the vision of being indispensable and to work to drive it deep into the enterprise. If the troops don't "get" it, they won't follow. Active Direction-Setting: Next, a game plan for execution must be built in support of that vision. But, building a plan without engaged direction-setting will not suffice. Outstanding leaders at every level will be fully involved, monitoring progress and charting the course for execution throughout their firm's journey to indispensability. Enlightened Coaching:

Outstanding leaders support their team and understand how to provide the “right” touch at the “right” time – directive when the path to success is unclear and supportive when it’s time to empower – just like any world-class coach does when building a champion. A

Collaborative Environment:

Outstanding leaders know how to establish a collaborative tenor within their area of responsibility. Selfish and egocentric behavior is stomped out; teamwork is recognized and rewarded. There are many great companies – only a few are indispensable. This book was written to help you build an indispensable business – one that your

customers can’t live without.

The Secret of the Ages HMH

What is the way of the cross? Why does it create resistance? How do we answer objections to it? The revival of interest in Christ's kingdom and radical discipleship has produced a wave of discussions, but sometimes those discussions are scattered. This book aims to pull together in one place the core claims of the way of the cross. It aims to examine the deeply cherished assumptions that hinder us from hearing Jesus's call. When we do that, we'll see that the gospel of Christ is not primarily about getting into heaven or about living a comfortable, individually pious,

middle-class life. It is about being free from the ancient, pervasive, and delightful oppression of Mammon in order to create a very different community, the church, an alternative city-kingdom here and now on earth by means of living and celebrating the way of the cross--the reign of joyful weakness, renunciation, self-denial, sharing, foolishness, community, and love overcoming evil.

This unique spiritual autobiography is the

account of the growing restlessness of a brilliant and passionate young man whose search for peace and faith eventually leads him, at the age of twenty-six, to take vows in one of the most demanding religious orders - the Trappists. At the monastery, and within the "four walls of my new freedom," Merton wrote this extraordinary testament - a document of a man who withdrew from the world only after he had fully immersed himself in it. For this Fiftieth Anniversary Edition, Robert Giroux has written a memoir of how he came to publish *The Seven Storey Mountain*, and Merton's distinguished biographer, William H. Shannon, has supplied

a note for the reader.

A profound meditation on accepting, and celebrating, one's solitude. Whether seeking more time for solitude or suffering what seems a surfeit of it, readers will find the best of companions here. Fenton Johnson's lyrical prose and searching sensibility explores what it means to choose to be solitary and celebrates the notion, common in his Roman Catholic childhood, that solitude is a legitimate and dignified calling. He delves into the lives and works of nearly a dozen iconic "solitaries" he considers his kindred spirits, from Thoreau at Walden Pond and Emily Dickinson in Amherst, to Bill Cunningham

photographing the streets of New York; from Cézanne (married, but solitary nonetheless) painting Mont Sainte-Victoire over and over again, to the fiercely self-protective Zora Neale Hurston. Each character portrait is full of intense detail, the bright wakes they've left behind illuminating Fenton Johnson's own journey from his childhood in the backwoods of Kentucky to his travels alone throughout the world and the people he has lost and found along the way. Combining memoir, social criticism, and devoted research, *At the Center of All Beauty* will resonate with solitaries and with anyone who might wish to carve out more space for solitude.
