Estimating Market Value and Establishing Market Rent at Small Airports InterVarsity Press

No one can deny our culture is opposed to Christian values, and the influences bombarding our children's moral development are difficult to contend with. But few parents and church leaders realize that a child's moral development is set by the age of nine. It is therefore critical to start developing a child's biblical worldview from the very earliest years of life. The problem is complex: parents who themselves did not receive early spiritual training leave their children's training to the church. Yet the church often focuses on older children. The answer is for churches to come alongside parents to provide them biblical worldview training, parenting information, and counseling that will equip them to help their children become the spiritually mature church of tomorrow. This helpful and hopeful book unpacks just how to develop this kind of dynamic church/parent relationship and includes profiles of churches that are effectively ministering to children and winning the war for their hearts and minds.

Imagine this scenario for a typical teenager in your church: He's separated from his family and sent to live in a hedonistic, no-holds-barred culture. He's stripped of his spiritual support, left alone, and treated unfairly. Then, at his most vulnerable point, his ego is stoked with power and success. Throughout this rollercoaster ride, would he continue to serve God? This very test was given to the Old Testament Joseph, whose faith remained rock solid. Yet it seems that our youth are ill-equipped to face the moral vacuum in today's culture. Worse, research shows that when young people leave home, many also leave the church. So how can we forge sons and daughters of faith and fortitude? The vital answers are found in the story of Joseph. Drawing from this timeless narrative, author Larry Fowler offers a biblical plan for building teens who will love and serve Jesus Christ. Biblically based and up-to-the-minute relevant, *Raising a Modern-Day Joseph* is

an essential guide to raising a generation that can pass life's tests with flying colors.

Ecumenism: A Guide for the Perplexed is a comprehensive introduction to the methods, achievements, and future prospects of the modern ecumenical movement. The authors begin the volume by charting out a serviceable definition of ecumenism, a term that has long been a source of confusion for students of theology and church history. They review the chronology of the modern ecumenical movement and highlight the major events, figures, accomplishments, and impasses. This historical survey is followed by critical examinations of three significant challenges for contemporary ecumenical theology and practice. Along the way, the authors provide commentary upon the difficulties and prospects that the ecumenical movement might anticipate as it enters this new millennium.

Salvation is more than just being saved from sin. Salvation is being saved to the glory of God. We were created in the likeness and the image of God, and it is His desire for us to be crowned with His glory and honor. The Blood and the Glory reveals how the power of the Blood of Jesus and the glory of God fit together in God's plan of redemption. This exciting book draws from the experiences of great leaders of faith from the past to rekindle the power of the Blood of Jesus in

the Church today. Combining personal stories with strong biblical principles, Billye Brim teaches the importance of depending upon the Blood of Jesus in your daily walk with God. You will understand as never before that without the Blood of Jesus, it is impossible to be prepared for the glory of God. By using the principles outlined in this book you will learn: How to use the Blood of Jesus to overcome the enemy How to use the Blood of Jesus to protect your family How to draw a blood line around your property and possessions How to maintain victory through the Blood of Jesus How the Blood of Jesus is connected to the outpourings of the Holy Spirit. We are in the last days. The circle of glory is almost complete. It is through the Blood of Jesus that we can be redeemed to our rightful place of glory and honor in the kingdom of God.

Children's ministry is being pushed and pulled by education models, statistical analysis, growth techniques, cultural change, and technological advancements. But with the weight of all these influences, little attention is given to what ought to be the most important influence in molding the shape of children's ministry: the Word of God. Whether your children's ministry is in your home or in your church, the purpose of this book is to enable you to build a children's ministry that is rock-solid, modeled on scriptural teachings. Each chapter of this book starts with a Scripture passage--a "rock" for your foundation. The Scripture passage specifically refers to children or ministering to them. Each chapter contains a thorough discussion of implications and applications.

"Complete bible - old and new testaments The prime objective in producing this new edition of the scriptures was a desire to accurately represent the most sacred names of our Father and His Son. The personal name of the Heavenly Father, Yahweh, was inspired into the Hebrew and Aramaic texts of the Old Testament nearly 7000 times. This includes 134 instances where the Masoretic scribes admittedly changed Yahweh to the more common Hebrew Adonai. In all instances where LORD, or GOD was substituted for the Sacred Name in the English text we have properly restored Yahweh. It was also our goal to restore the Hebrew name of our savior Yahshua into the text."

Cultural observer Os Guinness argues that the American experiment in freedom is at risk. Guinness calls us to cultivate the essential civic character needed for ordered liberty and sustainable freedom. True freedom requires virtue, which in turn requires faith.
