*Classic Movie Monsters* Rizzoli Publications

The first monster to appear in a movie was Frankenstein. Since then, Godzilla, King Kong, and others have taken over the screen, destroying cities and terrorizing crowds. These monsters continue to show up in movies, TV shows, video games, and books. Movie monsters often seem terrifying—but most of them don't mean to cause harm. Some monsters are even friendly! Friendly or frightening, grab some popcorn and learn all about your favorite movie monsters . . . if you dare!
