OROZCO BARTLETT

Scott Foresman-Addison Wesley EnVisionMATH. Scott Foresman
 Envision a math program that engages your students as it
 strengthens their understanding of math. enVisionMATH uses
 problem based interactive learning and visual learning to deepen
 conceptual understanding. It incorporates bar diagram visual
 tools to help students be better problem solvers, and it provides
 data-driven differentiated instruction to ensure success for every
 student. The best part, however, is that this success is proven by
 independent, scientific research. Envision more, enVisionMATH!
