### The Power of a Woman

HarperCollins

'If you stay alive long

enough, people

eventually catch up'

Born in rural Georgia in

1947, Jayne moved to

New York and became

part of the 60s art

scene surrounding

Andy Warhol's Factory.

Jayne's story follows

the arc of LGBT  
liberation in the US -  
she came of age living  
hand-to-mouth, faced  
off against police at  
Stonewall and came  
out as a trans woman  
while she was touring  
Europe with her band.  
She went everywhere  
and met everyone and  
lived to tell the tale.  
Man Enough to Be a  
Woman is the funny,  
fierce memoir of  
Jayne's extraordinary  
journey, now including

a new epilogue where she reflects on how the world has (almost) caught up with her.

women struggling to express their individual desires within the confines of their Arab culture in the wake of shocking intimate violence in their community. "Where I come from, we've learned to silence ourselves. We've been taught that silence will save us. Where I come from, we keep these stories to ourselves. To tell them to the outside world is unheard of—dangerous, the ultimate shame." Palestine, 1990. Seventeen-year-old Isra prefers reading books to entertaining the suitors her father has chosen for her. Over the course of a week, the naïve and dreamy girl finds herself quickly betrothed and married, and is soon living in Brooklyn. There Isra

struggles to adapt to the expectations of her oppressive mother-in-law Fareeda and strange new husband Adam, a pressure that intensifies as she begins to have children—four daughters instead of the sons Fareeda tells Isra she must bear. Brooklyn, 2008. Eighteen-year-old Deya, Isra's oldest daughter, must meet with potential husbands at her grandmother Fareeda's insistence, though her only desire is to go to college. Deya can't help but wonder if her options would have been different had her parents survived the car crash that killed them when Deya was only eight. But her grandmother is firm on the matter: the only way to secure a worthy

future for Deya is through marriage to the right man. But fate has a will of its own, and soon Deya will find herself on an unexpected path that leads her to shocking truths about her family—knowledge that will force her to question everything she thought she knew about her parents, the past, and her own future.

Of all the writing that emerged from the existentialist movement, Simone de Beauvoir's groundbreaking study of women will probably have the most extensive and enduring impact. It is at once a work of anthropology and sociology, of biology and

psychoanalysis, from the pen of a writer and novelist of penetrating penetrating imaginative power. THE SECOND SEX stands, five decades after its first appearance, as the first landmark in the modern feminist upsurge that has transformed perceptions of the social relationship of man and womankind in our time

A Woman of No Importance Hachette UK

No Man of Woman Born is a collection of seven fantasy stories in which transgender and nonbinary characters subvert and fulfill gendered prophecies. These prophecies recognize and acknowledge each character's gender, even when others do not. Trigger warnings

and neopronoun pronunciation guides are provided for each story.

**When a Man Loves a Woman** The Floating Press

"A moving meditation on motherhood, intergenerational trauma and how surface appearances often obscure a deeper truth. . . . A stunning second novel from a writer who set the bar very high with her first!"—Tara Conklin, *New York Times* bestselling author of *The Last Romantics* and *Community Board*  
The acclaimed *New York Times* bestselling author of *A Woman Is No Man* returns with a striking exploration of the expectations of a Palestinian-American woman, the meaning of a fulfilling life, and the ways our

unresolved pasts affect our presents. "After Yara is placed on probation at work for fighting with a racist coworker, her Palestinian mother claims the provocation and all that's come after were the result of a family curse. While Yara doesn't believe in old superstitions, she finds herself unpacking her strict, often volatile childhood growing up in Brooklyn, looking for clues as to why she feels so unfulfilled in a life her mother could only dream of. *Etaf Rum's* follow-up to her 2019 debut, *A Woman Is No Man*, is a complicated mother-daughter drama that looks at the lasting effects of intergenerational trauma and what it takes to break the cycle of abuse." —*Time*

'A blazing, darkly funny debut that captures a young woman's search to find herself ... It has an honesty and tenderness that will stay with me for a long time' RACHEL JOYCE *Once There Were Wolves* HarperCollins The New York Times and #1 internationally bestselling author of *Secret Daughter* returns with an unforgettable story of family, responsibility, love, honor, tradition, and identity, in which two childhood friends—a young doctor and a newly married bride—must balance the expectations of their culture and their families with the desires of their own hearts. The first of his family to go to college, Anil Patel, the golden son, carries the weight

of tradition and his family's expectations when he leaves his tiny Indian village to begin a medical residency in Dallas, Texas, at one of the busiest and most competitive hospitals in America. When his father dies, Anil becomes the de facto head of the Patel household and inherits the mantle of arbiter for all of the village's disputes. But he is uneasy with the custom, uncertain that he has the wisdom and courage demonstrated by his father and grandfather. His doubts are compounded by the difficulties he discovers in adjusting to a new culture and a new job, challenges that will shake his confidence in himself and his abilities. Back home in India, Anil's closest childhood

friend, Leena, struggles to adapt to her demanding new husband and relatives. Arranged by her parents, the marriage shatters Leena's romantic hopes, and eventually forces her to make a desperate choice that will hold drastic repercussions for herself and her family. Though Anil and Leena struggle to come to terms with their identities thousands of miles apart, their lives eventually intersect once more—changing them both and the people they love forever. Tender and bittersweet, *The Golden Son* illuminates the ambivalence of people caught between past and present, tradition and modernity, duty and choice; the push and pull of living in two

cultures, and the painful decisions we must make to find our true selves. *Sadness Is a White Bird*  
HarperCollins UK  
From the bestselling author of *Annie's Wild Ride* comes an unforgettable new novel that sizzles with passion and emotional power—a very contemporary romance that asks the provocative question: Can a man and a woman really be just friends? With his rugged good looks and undeniable charm, Dr. James Elliot is never at a loss for women. Lately, the hospital gossips have been buzzing about Elliot and his best friend and colleague, Dr. Deborah Brody. But their relationship is strictly platonic. That is, until one reckless, wondrous

night. Still reeling from her husband's sudden death, Deborah turns to Elliot in passion and grief. In Elliot's strong arms, she finds solace, comfort, unexpected pleasure. But Deborah is afraid to let go of the past, to give herself to a man again--or to risk losing the cherished friend who has suddenly become something much more. But now Elliot knows there's no turning back. He's been in love with Deborah for years. And to win her, the doctor whose skilled hands have saved countless lives will face his toughest challenge: to heal a woman's wounded heart. Because for him, suddenly friendship just isn't enough.

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen.

A witty, well-researched and revealing guide to giving your lover an orgasm every time.

More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners.

Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. It's time to close the sex gap and create a level

It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner
