I am selfish. Spoiled. A single father. I do what I want because I can. One of my four sons is dating the hot, young little neighbor... Too bad it won't last long. When I want something, I take it—even if it means taking from my son. My name is Eric Pearson. I am an unapologetic, egotistical, domineering man. People may not like me, but it doesn't stop them from wanting me. *** Four Fathers Series by bestselling authors J.D. Hollyfield, Dani René, K Webster, and Ker Dukey Four genres. Readers back for a third round of the bestselling Cocktail series will enjoy a madcap romantic comedy about bodice ripping and chest heaving, fiery passion and love everlasting. Plus a dash of paperwork filing and horseshi—wait, what? By day, Viv Franklin is a tough-as-nails software engineer who designs programs and loves hospital corners. By night, Vivian's a secret romance-novel junkie who longs for a knight in shining armor, or a cowboy on a wild stallion, or a strapping firefighter to sweep her off her feet. And she gets to wear the bodice—don't forget the bodice. When a phone call brings news that she's inherited a beautiful old home in Mendocino, California from a long-forgotten aunt, she moves her entire life across the country to embark on what she

sees as a great, romance-novel-worthy adventure. But romance novels always have a twist, don't they? There's a cowboy, one that ignites her loins. Because Cowboy Hank is totally loin-ignition worthy. But there's also a librarian, Clark Barrow. And he calls her Vivian. Can tweed jackets and elbow patches compete with chaps and spurs? You bet your sweet cow pie. In Screwdrivered, Alice Clayton pits Superman against Clark in a hilarious and hot battle that delights a swooning Viv/Vivian. Also within this book, an answer to the question of the ages: Why ride a cowboy when you can ride a librarian?

Hot, hilarious romance from the USA Today Bestselling author of Magnificent Bastard! I was her first love, and I'm going to be her last...On paper, I've got it all--good looks, good friends, a killer business, and gorgeous women throwing themselves at me from every corner of the globe. But I still can't get one woman out of my f*cking head. Her. Adeline Klein, the sexiest little smart ass in wire-rimmed glasses and a polka-dot bikini to ever bring a man to his knees. God, she was something....But I'm pretty sure she hates me. I've tried to track her down, but it's like she dropped off the face of the earth. Then one day there she is--stranded on the side of the road, waiting for rescue, like Fate has arranged for me to be her knight in shining armor all over again. Only she would clearly prefer to kick me in the balls. Or the face. Or maybe the balls and the face simultaneously. But do I let that keep me from making her come on the slopes or dampen the fire that flares between us every time we touch? No way. Because some things--like sweet, wounded women with hearts of gold and souls of pure platinum--are worth fighting for. Meant For You is a steamy Standalone second chance romance with a swoony HEA.

"Looking for the perfect mix of smart, sexy, and sassy? Mai Tai'd Up continues USA TODAY bestselling author Alice Clayton's Cocktail series, which began with Wallbanger and continued with Rusty Nailed and Screwdrivered. Eligible bachelor Lucas Campbell is very available, but very picky. A veterinarian in Monterey, California, his life is perfect: he works, he sails, he loves the ocean and the mountains--so why rock the boat? Then Miss Chloe Patterson comes along. Chloe has the body of a supermodel, the mouth of a sailor, and the fashion sense of teenage guy in 1990s Seattle. A former

Miss California, she walked away from a cushy life, bought an old ranch outside Monterey, and turned it into Our Gang, a sanctuary for rescued and abandoned pit bulls. A woman who's clearly not afraid of dog poop, she enjoys rehabilitating her "warrior angels." Local gossip reports that she ditched her fiancé; the night before their wedding (true), and that she moved up north to start a new life (also true). She didn't want to be tied down (true), but she wouldn't mind being tied up--especially by that hot vet she's seen around town a few times (true, true, and have-you-seen-his-butt?-true). But is Chloe ready to date again? And is Lucas ready to take on not only Chloe, but forty pit bulls? One moonlit sail, two bottles of wine, and a few sailor knots might just do the trick"--

Soon to be a Passionflix original film!

"An instant classic...highly recommended!" --New York Times and USA TODAY bestselling author Jennifer Probst USA TODAY bestselling indie author Alice Clayton delights readers with the sexy, laugh-out-loud romance of Caroline and Simon in Wallbanger, the first book in the Cocktail series! The first night after Caroline moves into her fantastic new San Francisco apartment, she realizes she's gaining an--um--intimate knowledge of her new neighbor's nocturnal adventures. Thanks to paper-thin walls and the guy's athletic prowess, she can hear not just his bed banging against the wall but the ecstatic response of what seems (as loud

night after loud night goes by) like an endless parade of women. And since Caroline is currently on a self-imposed "dating hiatus," and her neighbor is clearly lethally attractive to women, she finds her fantasies keep her awake even longer than the noise. So when the wallbanging threatens to literally bounce her out of bed, Caroline, clad in sexual frustration and a pink baby-doll nightie, confronts Simon Parker, her heard-but-never-seen neighbor. The tension between them is as thick as the walls are thin, and the results just as mixed. Suddenly, Caroline is finding she may have discovered a whole new definition of neighborly... In a delicious mix of silly and steamy, Alice Clayton dishes out a hot and hilarious tale of exasperation at first sight.
