More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available,

and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.

"And so the way we worship apparently

matters less to God than the way we make love. The diagnosis may not be limited to Roman Catholicism, for today Jewish, Protestant, and Muslim communities also struggle to decide what the next world holds for their sexual dissidents. Curiously, debates over where gay people belong now feed into debates over how much equality women deserve in the West's three major faith traditions."--BOOK JACKET.

Although his father has forbidden it, Ernie, a twelve-year-old business tycoon, makes a tidy profit in the pet funeral business,

but when he refuses to give his star employee a raise and the business starts to fall apart, it takes the death of his own dog to bring everyone back together. *Dramas and Works Prepared for Oral Delivery* Dramatists Play Service Inc 1988. THATCHER'S BRITAIN. Seventeen-year-old Luke runs away to London – away from homophobic playground slurs, headlines that scream 'Don't Teach Our Children To Be Gay' and a family who wouldn't understand him – to Uncle Martin, who he once saw with his arms around another man at a march. In the capital, Mark is sacked because of fears about colleagues working with 'someone like him'. His boyfriend, Selwyn, faces being beaten up both by the police and at home by his own stepbrother. Meanwhile, Debbie battles with her son, who doesn't want to live with her and her girlfriend. And retired piano teacher Miss Rosenblum – who once found refuge in this country from a terror that swept away half her family in 1930s Vienna – has seen this sort of hatred and fear before. Soon, these individual stories – of first loves and old flames, alliances and abandonment, missed opportunities and new chances –

intertwine to paint a vivid picture of Eighties Britain. This *Island's Mine* was originally performed by Gay Sweatshop in 1988. Now, three decades after the introduction of Section 28 banning positive representations of homosexuality, Philip Osment's passionate and lyrical play, of outsiders, exiles and refugees, is all too resonant.

Folklife Center News Palgrave Macmillan *Show Tunes* fully chronicles the shows, songs, and careers of the major composers of the American musical theatre, from Jerome Kern's earliest interpolations to the latest hits on Broadway. Legendary composers like Gershwin, Rodgers, Porter, Berlin, Bernstein, and Sondheim have been joined by more recent songwriters like Stephen Schwartz, Stephen Flaherty, Michael John LaChiusa, and Adam Guettel. This majestic reference book covers their work, their innovations, their successes, and their failures. *Show Tunes* is simply the most comprehensive volume of its kind ever produced, and this newly revised and updated edition discusses almost 1,000 shows and 9,000 show tunes. The book has been called "a concise skeleton key to

the Broadway musical" (Variety) and "a ground-breaking reference work with a difference" (Show Music)-or, as the Washington Post observed, "It makes you sing and dance all over your memory." The eagerly anticipated Fourth Edition, updated through May, 2009, features the entire theatrical output of forty of Broadway's leading composers, in addition to a wide selection of work by other songwriters. The listings include essential production data and statistics, the most extensive information available on published and recorded songs, and lively commentary on the shows, songs, and diverse careers. Based on meticulous research, the book also uncovers dozens of lost musicals-including shows that either closed out of town or were never headed for Broadway-and catalogs hundreds of previously unknown songs, including a number of musical gems that have been misplaced, cut, or forgotten. Informative, insightful, and provocative, Show Tunes is an essential guide for anyone interested in the American musical.

Osment's trilogy of 'Devon Plays' draw on his background growing up on a farm in North Devon and were produced in the mid-1990s by Cambridge Theatre Company (Method and Madness). The Dearly Beloved (1993): 'Local boy made good comes back to visit his mother in a small West Country town where his presence brings home to his friends who stayed put the various ways in which their lives have failed ... you can't but be reminded of Chekhov at times.'

Independent What I Did in the Holidays (1995): 'Osment's wonderfully dense and detailed study of fraught life in rurally non-swinging Britain. The play charts a painfully funny path through the casual everyday cruelties inflicted by the thoughtless young and selfish old. Osment's play is a delight.' Evening
