Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

Radhasoami Reality explores the emergence of a new religious tradition that is expanding rapidly across North India and throughout the world. Mark Juergensmeyer seeks to explain why the religious logic of Radhasoami, which is based on the teachings of medieval Hindu saints, is so compelling to today's society.

Illustrations: 3 Maps Description: History of the Sikhs is a five volume series dealing with all aspects-religious, philosophical, political, military, social, economic and cultural, and the contribution of Sikhism to world civilization, in particular to human rights, principles of liberty, equality and fraternity, and to the creed of democracy and secularism. The aim is to present a comprehensive view of the rise, growth and development of Sikh thought and action almost in every direction. The entire series is based on original contemporary sources in English, Gurmukhi, Marathi, Persian and Urdu known to exist in India and abroad. This first volume gives the story of Ten Masters who provided leadership to the downtrodden people of the Punjab both in

religious and political fields for about two centuries. Their aim was to remove the bitterness that had persisted between the rulers and their subjects for the past five hundred years. They wished to create a new society based upon mutual brotherhood, and freedom of thought, expression and action. It was under the circumstances almost an impossible task. But there is nothing like a dream to create the future. Utopia today, flesh and blood tomorrow. Man's onward march requires that the heights around him should be ablaze with noble and glorious deeds of valour and self-sacrifice to serve as guiding lights. Such evolutionary and revolutionary models were furnished by Guru Arjan, Guru Tegh Bahadur, Guru Gobind Singh, and his four sons-Ajit Singh (18 years), Jujhar Singh (14 years), Zorawar Singh (8 years), and Fatah Singh (5 years)-as well as by their numerous disciples like Bhais Mati Das, Sati Das and Dayal Das. The main feature of this book are: A critical appraisal of Guru Nanak's Janam Sakhis, justification for celebrating Guru Nanak's birthday in November instead of in April, Guru Nanak's compositions, Mardana's death at Baghdad, how Amritsar developed into a Sikh centre, Guru Arjan's martyrdom, why Guru Hargobind took to militarism, Guru Har Rae's residence at Nahan, Hukam Namas of Guru Tegh Bahadur, Guru Gobind Singh's formula of five into five, his literary works and Hukam Namas, Emperor Bahadur Shah's pious fraud, eminent personalities and instructions, impact of Gurus'; teachings on Indian society, and why Jats became followers of Khatri Gurus.
