CHRISTMAS GOLD: The Greatest Holiday Novels, Tales & Poems (Illustrated Edition) Simon and Schuster
 In day-to-day speech we use words and phrases without a passing thought as to why we use them or where they come from. Max Cryer changes all that by showing how fascinating the English language really is. Did you know that the former host of Today, Jane Pauley, claims to have coined the term “bad hair day,” or that a CBS engineer named Charley Douglass invented the name and use of “canned laughter” for television, or that “cold turkey” as a term for quitting something immediately was popularized by the novel and movie (starring Frank Sinatra), *The Man with the Golden Arm*? Here you’ll learn the origins of “credibility gap,” “my lips are sealed,” “the opera’s not over until the fat lady sings,” “supermarket,” “supermodel,” “there’s no accounting for taste,” “thick as thieves,” and hundreds more. For anyone who loves language, this new book will “take the cake.”

Going, Going, Gone! Going, Going, Gone

Book Going, going, gone. That was how many MLB broadcasters would describe home runs, which were my favorite aspect of my favorite sport, baseball. That is where the title of this book originated. Sadly, MLB has been changing over the past several years. My favorite sport has become maddening, difficult to watch, and the adoration I had for MLB players and teams has evaporated. This book describes my opinions on what has happened to MLB, which I believe is destroying its future. The book starts with my childhood experiences and favorite MLB heroes, which I believe many fans of my generation, in particular, can understand and relate to. I am hoping it sparks similar fond memories for my readers. The book moves on to the top reasons why MLB has been diminished, and now it has a very uncertain long-term future. These are all my opinions, and my hope is that it increases the reader's understanding of what is happening to the sport I once loved so much. --Eric L. Marcus

Abigail had made a promise to her granny. Now it looked as though she was going to let her granny down. This short story has been published in Women's Era, Twee Tales Too and Twee Tales More.

In Church-going, Going, Gone! Michael Horan argues that although the Christian church in Britain may be in terminal decline, that is not to be equated with a national decline in spiritual values. Most if not all people have some level of awareness of what he calls the 'Other-than-oneself', even though they have rejected, or never accepted, the church's now outdated teaching. Church-going, Going, Gone! is concerned less with teaching than with learning. The book provides atheists, agnostics and believers-in-exile, as well as those who have given little thought to belief, with a framework for collaborating as learners, working toward equality, peace and reconciliation, and dedicated to unselfish and imaginative social action. A new movement of the human spirit is beginning.
