TIANA BRADY

Hockey Sur Glace Skyhorse Publishing, Inc.

The Western Division of the Montreal General Hospital was so close to the Forum that Montréal Canadiens players could put on skate guards and walk to the hospital's emergency room. This was not a coincidence and established proximity as a priority. Dr. Douglas Kinnear supported twelve Stanley Cup winning Montréal Canadiens squads as team physician. Dr. David Mulder has been on the medical staff for over fifty years and for eight Stanley Cups. In *Hockey Doc*, these two legendary team physicians explore the dynamic doctor player relationship they came to know so well with a look at more than fifty years of medical care

provided to the hockey club. *Hockey Doc* examines how the medical program for the Montréal Canadiens has evolved over its history due to its long-standing relationship with the MGH and the Molson family. The doctors breakdown major injuries with real-life examples that every team physician needs to be aware of and share career highlights. Featuring stories about Saku Koivu, Trent McCleary, Patrick Roy, Maurice Richard, Gump Worsley, Bobby Orr, Lou Lamoriello, and journalist Red Fisher – among countless others – *Hockey Doc* shares the inside jokes between doctor and player while providing a greater commentary on the evolution of sports medicine throughout two MGH doctors' careers. For hockey fans of all ages and the Québec medical community, *Hockey Doc* shares the relationship between the injured professional athlete and the medical staff of a university medical centre and provides an inside look at the injuries and illnesses

these doctors have faced over their storied careers.

The NHL: History and Heroes: The Story of the Montreal Canadiens James Lorimer & Company

Traces the history of the Montreal Canadiens from its beginnings through present day.

Tales from the New York Rangers Locker Room Simon and Schuster

Terry Ryan was poised to take the hockey world by storm when he was selected eighth overall by the Montreal Canadiens in the 1995 NHL draft, their highest draft pick in a decade. Expected to go on to become a hockey star, Ryan played a total of eight NHL games for the Canadiens, scoring no goals and no assists: not exactly the career he, or anyone else, was expecting. Though Terry's NHL career wasn't long, he experienced a lot and has no shortage of hilarious and fascinating revelations about life in pro hockey on and off the ice. In *Tales of a First-Round Nothing*, he recounts fighting with Tie Domi, partying with rock stars, and everything in between. Ryan tells it like it is, detailing his rocky relationship with Michel Therrien, head coach of the Canadiens, and explaining what life is like for a man who was unprepared to have his career over so soon.

A Reader's Book of Days: True Tales from the Lives and Works of Writers for Every Day of the Year Chicago : Follett Publishing Company

In 1917, the Montreal Canadiens became one of the four founding teams of the National Hockey League. Since then, the team has enjoyed countless breathtaking triumphs. Not only have they won more Stanley Cup Championships than any other team in the NHL, they have also boasted some of the best players the league

has ever seen. Through it all, they have maintained a fan following that is unparalleled in its fierce devotion and pride. This is the story of the Montreal Canadiens -- the most successful sports franchise in North America.

Game Change GeneralStore PublishingHouse

Doug Harvey's Hall of Fame career began during the era of the Original Six hockey teams and ended in the early days of NHL expansion two decades later. Born in Montreal's West End, he turned down careers in football and baseball to become one of the greatest hockey players ever. A perennial all-star and seven-time winner of the Norris Trophy for best defence-man, he was a cornerstone of the legendary Montreal Canadiens that won five Stanley Cups in a row. Harvey's brilliant passing set the devastating Montreal attack in motion, and his consummate puck control kept the other team from scoring. Off the ice, Harvey was a rebel. He was a driving force behind an attempted players union and an outspoken critic of the hockey establishment. He was funny, irreverent, generous, and kind-hearted. He was also stubborn, hard drinking, and unpredictable. Team mates considered him a leader and friend. Management considered him a trouble-maker. Life after hockey was difficult. He battled alcoholism and manic-depression. He led a nomadic life that often worried friends and family. But he returned to the Canadiens as a scout in 1985 and was happy to be back. Many called him a tragic figure, especially after he became fatally ill with liver disease. But Harvey had no complaints. He wouldn't have changed a single day of his remarkable life. William Brown is a free-lance writer and broadcaster. His previous books, *The Montreal Maroons: The Forgotten Stanley Cup Champions*, and

Baseball's Fabulous Montreal Royals, chronicled two cherished sports teams from the city's past.

Hockey Doc Simon and Schuster

In the late 1960s the New York Rangers transformed from NHL also-rans to Stanley Cup contenders. Gilles Villemure was part of that transformation. The little goaltender had a long wait to make it to the National Hockey League, which had only six teams until after the middle of the decade. Eventually Villemure joined Eddie Giacomin to give the Rangers a strong 1-2 goaltending tandem. The Vezina Trophy-winning twosome was a fixture for the Rangers, threatening to end the franchise's long Stanley Cup drought, only to come up short. Now, forty years later, Villemure writes about his days with the Rangers in the newly updated *Tales from the Rangers Locker Room*. Villemure tells stories about old pals like Rod Gilbert, Vic Hadfield, Brad Park, Jean Ratelle—and his boss, Emile “The Cat” Francis. The Rangers finally won that Stanley Cup in 1994, ending over fifty years of frustration, but it was those Francis-led teams—the ones with Villemure and Giacomin in the goal—that brought New York's Blueshirts, Madison Square Garden's finest, to the top of the NHL. It is their influence that has continued to propel the Rangers forward even today, with a conference championship win in 2014 and the President's Trophy in 2015. Fans young and old will want to hear Villemure's stories come to life. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from

Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Beyond the Mountain Creative Paperbacks

Never to be confused with any previous Montreal Canadien “Flying Frenchmen” juggernauts who dominated the NHL between the 1950s and 1970s, the 1992-93 Canadiens, whose lone superstar was future Hall-of-Fame goaltender Patrick Roy, were essentially a nondescript team coming off an embarrassing second-round playoff series sweep against the Boston Bruins the previous spring. Yet these Habs, led by the goaltending of Roy and with timely goals from various unlikely heroes, stunned the hockey world by winning a record 10 consecutive playoff overtime games over a magical seven-week run during the spring of 1993. Montreal ultimately captured hockey's ultimate prize that June—the 24th championship in franchise history—in the last Stanley Cup Finals series ever played at the venerable Montreal Forum. While the Canadiens had veteran presence in Kirk Muller, Vincent Damphousse, Brian Bellows, Denis Savard and Guy Carbonneau, Montreal might not have won the Cup without unlikely heroes like Gilbert Dionne, Stephan Lebeau and Paul DiPietro scoring goals in the clutch. Others such as Gary Leeman and Mario Roberge, despite not always being in the lineup,

contributed in ways that didn't necessarily show up on the scoresheet. And behind the bench, while Jacques Demers made all the right moves that spring, he isn't even considered today among the top 50 coaches of all-time. More than a quarter century later, these Habs remain the last Canadian-based team to win the Cup—and in *The 1993 Canadiens: Seven Magical Weeks, Unlikely Heroes and Canada's Last Stanley Cup Champions*, K. P. Wee relives the story of this incredible season. [The 1993 Canadiens](#) Anchor Canada

When most sports fans hear the stat 3,000, they immediately turn to baseball. But for those fans whose breath comes out in frosty puffs, and who bleed ice and snow, 3,000 can only mean one thing—the glory of Montreal Canadiens hockey. The “Original One” of the “Original Six,” the Montreal Canadiens hockey team is practically synonymous with superlative: The most Stanley Cup championship victories, with 24? The Montreal Canadiens. The highest number of regular-season wins? The Montreal Canadiens. The oldest active franchise in the NHL? The Montreal Canadiens. Now the hundred-plus years of Canadiens triumphs, tragedies, and times like no other are captured in Robert Lefebvre's *Tales from the Montreal Canadiens Locker Room*. In this unique compendium, Lefebvre brings to life both the history and the anecdotes of this incredible franchise. Stories of Maurice “Rocket” Richard's incredible skills on the ice are paired side by side with locker room yarns and off-the-ice tales of Jean Beliveau, Dickie Moore, Serge Savard, Guy Lapointe, Patrick Roy, and more. With humor, wit, and a lot of adrenaline, Robert Lefebvre has compiled a collection of Montreal Canadiens stories sure to please any hockey fan.

If These Walls Could Talk: Montreal Canadiens Dorrance Publishing

To you from failing hands we throw/The torch, be yours to hold it high: This inscription from John McCrae's famous poem *In Flanders Fields* has adorned the dressing room of the legendary Montreal Canadiens since 1952, inspiring every subsequent generation of player. A fast-paced collaboration by best-selling author Paul Deepan and raconteur extraordinaire Danny Geoffrion, *To Hold It High* traces the hockey lineage of Danny's grandfather Howie Morenz, his father Boom-Boom Geoffrion, himself, and his son Blake, all of whom played for the Canadiens (Les Habitants, to their legions of adoring fans). But this is not just another sports book about the on-ice exploits of famous heroes. *To Hold It High* is a saga of four generations who played for the same professional sports franchise, a feat not duplicated in any pro sport on the planet. This family story is intertwined with a history of a hockey team, a province, and a country. The history of the team cannot be told without mention of this family. The story of the family cannot be told without mention of the team. Even though so many individual greats have undeniably held and passed the torch before, and will do so again, no family but this one has gone through so much to hold that torch so high, pass it so often, and mark their place in Habitants history for so long. This is not just another sports book about on-ice exploits by legendary heroes. From the tragedies of on-ice collisions that ended lives and careers, to the hilarity of locker room rookie initiations, *To Hold It High* gives the reader a behind the scenes insight into the life of a professional athlete. Any student of the fastest game on Earth will love this book, as will any fan of Les

Habitants. To Hold it High is a great read. I got so engaged with the story that I didn't notice how much fascinating hockey history I learned along the way. Occasionally hilarious, sometimes poignant, always entertaining, this is a book that every hockey fan, no matter which NHL team they root for, should devour.

David Poile, General Manager, Nashville Predators To Hold it High weaves a tapestry of a family, a hockey team, a province, and a country. It's also a fast-paced read salted with all the elements of a great story: sadness, humor, and courage in the face of adversity. A rare tale for everyone who loves our game. Geoff Molson, Owner, President and Chief Executive Officer, Montreal Canadiens

Tallying the Tales of the Old-timers W. W. Norton & Company Based on the gold-standard currency of tradition and success, few college basketball programs are richer in history than Wake Forest University's. This reissue of Tales from the Wake Forest Demon Deacons Locker Room, first published in 2004, traces that vibrant history from the birth of the league to the growing successes of the team today. An original member of the Atlantic Coast Conference, the Demon Deacons have provided the acclaimed league with much of its color and character—not to mention many of its colorful characters. Author Dan Collins provides stories about legendary players like Muggsy Bogues, the 5'3" guard who defied the description of basketball as a big man's game, and the glory days of Tim Duncan, the onetime aspiring Olympic swimmer who grew up to become a five-time NBA champion and one of the greatest players in the game. The book looks at great coaches like Richard Crozier, the director of the university gymnasium who introduced basketball to Wake

Forest; coach Murray Greason, whose love for the game of basketball was second only to his love for his beagle hounds; and coach Bones McKinney, the hyperactive Baptist minister whose dual, and at times dueling, religions were based on the Bible and basketball. Tales from the Wake Forest Demon Deacons Locker Room chronicles how Wake Forest basketball survived the university's relocation from the quaint town of Wake Forest to the city of Winston-Salem, and how the university has thrived with the support of its devoted fans. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team.

Fighting Back University of Toronto Press

Hockey Card Stories reveals what was really going on in your favourite old hockey cards through the eyes of the players depicted on them. Some of the cards are definitely worth a few bucks, some a few cents—but every story told here is priceless. Sportsnet's Ken Reid presents the cards you loved and the

airbrushed monstrosities that made you howl, the cards that have been packed away in boxes forever, and others you can't believe ever existed. Whether it's a case of mistaken identity or simply a great old photo, a fantastic 1970s haircut and 'stache, a wicked awesome goalie mask or a future Hall of Famer's off-season fashion sense, a wide variety of players—from superstars like Bobby Orr, Denis Potvin, and Phil Esposito to the likes of Bill Armstrong who played only one game in the NHL—chime in on one of their most famous cards.

Two Stories Simon and Schuster

National Bestseller The definitive history of the Montreal Canadiens – now updated with the inside story of the tumultuous 2009 season. Before there were slapshots, Foster Hewitt, or even an NHL, there were the Canadiens. Founded on December 4, 1909, the team won its first Stanley Cup in 1916. Since then, the Canadiens have won 23 more championships, making them the most successful hockey team in the world. The team has survived two wars, the Great Depression, NHL expansion, and countless other upheavals, thanks largely to the loyalty of fans and an extraordinary cast of players, coaches, owners, and managers. The Montreal Canadiens captures the full glory of this saga. It weaves the personalities, triumphs, heartaches, and hysteria into a compelling narrative with a surprise on every page. It sheds new light on old questions – how the team colours were chosen, how the Canadiens came to be known as the Habitants – and goes behind the scenes of tumultuous recent events still awaiting thorough examination: why Scotty Bowman was passed over as general manager after Sam Pollock resigned; why Pollock's successor, Irving Grunman, failed; why Serge Savard was

dumped as GM so hastily despite his record. Colourful and controversial, The Montreal Canadiens is the history of a team that has been making news for 100 years – and continues to do so with the return of legendary player Bob Gainey as general manager, determined to bring the Stanley Cup back to Montreal.

The Montreal Canadiens are one of the most successful teams in the NHL, with 24 Stanley Cup victories and stars like Guy Lafleur, Patrick Roy, and Carey Price, who have all left their mark on hockey history. Author Pat Hickey, as a longtime beat writer for the Montreal Gazette, has witnessed more than his fair share of that history up close and personal. Through singular anecdotes only Hickey can tell as well as conversations with current and past players, this book provides fans with a one-of-a-kind, insider's look into the great moments, the lowlights, and everything in between. Habs fans will not want to miss this book.

Tales of a First-Round Nothing ECW Press

As one of the NHL's original six teams, the Chicago Blackhawks have given their fans millions of heart-stopping memories, thousands of unforgettable stories, and now six Stanley Cup Championships with their recent 2015 win. Fans of this indomitable team can capture the excitement from the 2014-2015 season and relive all the memories of the beloved franchise in this newly updated edition of Tales from the Chicago Blackhawks Locker Room. From the "Curse of Muldoon" to three

championships in five years, the Hawks have a rich history. With all the charm and wit of a sportscaster who has been covering the Blackhawks for over sixty years, Harvey Wittenberg shares the greatest Hawks stories, including their 2010, 2012, and 2015 Stanley Cup title runs. Straight from the source—players, coaches, and managers—Wittenberg offers an informative and entertaining look at the Chicago Blackhawks. Tales from the Chicago Blackhawks Locker Room is a riveting treasure trove of tales sure to delight any sports fan. Hockey Card Stories 2 Triumph Books

Shortlisted for the BC National Award for Canadian Non-Fiction A Globe and Mail Best Book From the bestselling author and Hall of Famer Ken Dryden, this is the story of NHLer Steve Montador—who was diagnosed with CTE after his death in 2015—the remarkable evolution of hockey itself, and a passionate prescriptive to counter its greatest risk in the future: head injuries. Ken Dryden's *The Game* is acknowledged as the best book about hockey, and one of the best books about sports ever written. Then came *Home Game* (with Roy MacGregor), also a major TV-series, in which he explored hockey's significance and what it means to Canada and Canadians. Now, in his most powerful and important book yet, *Game Change*, Ken Dryden tells the riveting story of one player's life, examines the intersection between science and sport, and expertly documents the progression of the game of hockey—where it began, how it got to

where it is, where it can go from here and, just as exciting to play and watch, how it can get there.

[Hockey Card Stories](#) The Creative Company

A follow-up to the 2014 national bestseller *Hockey Card Stories*, Ken Reid's new offering presents 59 more stories about your favorite hockey cards from the players themselves. *Hockey Card Stories 2* will take you all the way back to the 1960s and right up to the Hockey Card Boom of the 1990s. How did Eric Lindros handle being at the center of the 1990s rookie-card craze? Ever wonder why one tough guy's Upper Deck card looks more like a High School yearbook picture than a sports card? Of course, once again, there are glorious mullets, errors, and broken noses. There's even the story of how a rhinoceros and a Hall of Famer ended up on a card together. And as a special bonus, Ken Reid reveals the story behind the chase for his greatest hockey card.
