This charming story
follows two children
who go looking for
their jump rope and
discover that a group
of foxes have claimed
it as an answer to their
wish. With beautiful,

classic illustrations and lyrical text, here is a subtle, sensitive piece of magic that proves to sisters, brothers, and foxes alike that the trusted familiar often lives right next to the truly extraordinary—if only you have the eyes to see it.

A classic, essential read by master storyteller Daniel Pennac, with a new foreword written by Michael Morpurgo. The wolf has lost nearly everything on his journey to the zoo, including an eye and his beloved pack. The boy too has lost much and seen many terrible things. They stand eye to eye on either side of the wolf's enclosure and, slowly, each makes his own extraordinary story known to the other...

Annual Report of the President of the University Chronicle Books

The animals of the forest have assembled to discuss what is the most important thing: to have a trunk like an elephant, quills like a porcupine, or a long neck like a giraffe? Naturally, every animal is convinced that its particular trait is the most important one and that everyone should have it. But when the double pages open to show all the

animals with the quills of a porcupine, the long neck of a giraffe, or the trunk or the elephant, everyone must agree that the true importance lies precisely in their collective 'diversity'. It is that which makes them all unique and essential to life of the forest. The Most Important Thing received a UNESCO honorable mention for peace and collaboration. An important message of diversity and inclusion delivered in the form of a charming modern fable.

Presents a guide to nearly 27,000 children's picture book titles grouped in over 1,200 subjects and indexed by author, title, and illustrator. Who's who in American Law Alpha Edition
Poor put-upon Bertie is still struggling to escape his overbearing mother's influence, his yoga lessons and his pink bedroom while wondering why new baby brother Ulysses looks uncomfortably like his psychotherapist. The insufferably handsome Bruce has returned from London to land, on his feet and rent-free, in the arms of heiress Julia Donald. But all is not well among the residents of 44 Scotland Street: Angus's dog and constant companion Cyril is under threat of

execution, victim of a miscarriage of justice, while pretty, indecisive Pat and hopeless romantic Matthew are on the verge of making the most terrible mistake of their lives . . . Big Lou finds a new man, Matthew and Pat edge their relationship towards something more permanent - although this development is not without complications, when a glimpse of someone who just might be her handsome, caddish ex-flatmate Bruce sets Pat's pulse racing - and Domenica's friendship with Antonia is tested to the limit when an assortment of her belongings mysteriously appear in Antonia's new flat. *I Love You So Much* e- artnow

1001 Children's Books
You Must Read Before
You Grow Up is the

perfect introduction to the very best books of childhood: those books that have a special place in the heart of every reader. It introduces a wonderfully rich world of literature to parents and their children, offering both new titles and much-loved classics that many generations have read and enjoyed. From wordless picture books and books introducing the first words and sounds of the alphabet through to hard-hitting and edgy teenage fiction, the titles featured in this book reflect the wealth of reading opportunities

for children. Browsing the titles in 1001 Children's Books You Must Read Before You Grow Up will take you on a journey of discovery into fantasy, adventure, history, contemporary life, and much more. These books will enable you to travel to some of the most famous imaginary worlds such as Narnia, Middle Earth, and Hogwart's School. And the route taken may be pretty strange, too. You may fall down a rabbit hole, as Alice does on her way to Wonderland, or go through the back of a wardrobe to reach the snowy wastes of Narnia.
