HURLEY CANTRELL

Reports from Committees of the House of Commons Scholastic Press

This groundbreaking book shatters historical stereotypes, demonstrating that, in the century before 1870, Ireland was not an anglicized kingdom and was capable of articulating modernity in the Irish language. It gives a dynamic account of the complexity of Ireland in the nineteenth century, developments in church and state, and the adaptive bilingualism found across all regions, social levels, and religious persuasions.

Daisy the Moo Cow Simon and Schuster

In this classic Australian picture book, a dingo catches a wombat and wants to cook him in a stew. But all the other bush animals have a plan to save their friend. They trick the dingo into using mud, feathers, flies, bugs and gumnuts in his wombat stew, and the result is a stew the dingo will never forget!

The Last Governor Lulu.com

A picture book full of colourful and detailed illustrations. Willy Wagtail talks about breaking out of his egg, opening his eyes, needing to eat, learning to fly, hunting for food, being hunted by a cat and making friends. There are numerous things in the illustrations to talk about with readers; the pelican, the sparrow, the wren, the insects in the grass and the kangaroos in the background. Plus WILLY WAGTAIL GROWS UP is set on the same farm where the book DAISY THE MOO COW is set. Children will delight in finding Willy and Daisy in both books.

Byrne, Chaffey, Fahey, Fizzard, Fudge, Grouchy, Hynes, Inkpen, Lyver, McLaughlin, Miles, Murphy, Puddester, Quirk -- the names themselves are evocative of Newfoundland. Family Names of the Island of Newfoundland traces the origins of almost 3,000 surnames found on the Island and provides an engaging and comprehensive collection of etymology, genealogy, and Newfoundland history. The introduction presents a fascinating discussion of the history and linguistic origins of surnames found in Newfoundland, which come from many different cultures, notably English, Welsh, Irish, Scottish, French, Syrian, Lebanese, and Mi'kmaq. The main body of the book comprises a dictionary of surnames in the province based on data collected from provincial voting lists, family records, government documents, and newspaper reports dating back to the seventeenth century. Each entry includes variant spellings and cross-references of the surname, the countries in which the name originated, and its meaning. Newfoundland place names associated with the surname are also given. The book also includes a ranking of the most common surnames in Newfoundland and a comparative analysis of the frequency of surnames in Scotland, Ireland, England, and Newfoundland. Originally published in 1977, Family Names of the Island of Newfoundland is a unique reference work, giving Newfoundlanders, both in the province and away, a fascinating look at their roots. This edition incorporates a number of additions and corrections and has been completely reset in a sturdier and more convenient format. It will be of great use to individuals tracing their ancestors and to genealogists researching early settlers in Newfoundland.

It's 1975; the New South Wales prison system is in a state of crisis, prisoners are rebelling against what would be later described by a Royal Commission as a regime of savagery and for some inexplicable reason John Heffernan decides to become part of it all by joining the NSW Department of Corrective Services and train as a prison officer. After receiving the most basic training

imaginable he is literally thrown a set of keys and set loose to guard some of the worst and most violent criminals in the state. This is a story where prison riots and prison officer strikes became almost an accepted norm, simply an everyday part of going to work. During the author's watch he would witness corrupt police, dishonest officials and even a Minister of the Crown all spend considerable periods as a guest of Her Majesty."I was literally thrown a set of keys and set loose to guard some of the worst and most violent criminals in the state. More than just a personal memoir, The Last Governor also gives a look at the tragic events that occur all too regularly behind locked doors such as murders, deaths in custody, self harm attempts and serious assaults, detailing the effect that these incidents have on both those that work and those that live within the walls," says John Heffernan.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Magic and Loss Scholastic Press

A picture book about a curious calf, full of colourful and detailed illustrations. The story tells how a calf escapes from her lovely grassy paddock in order to eat pretty purple flowers (these flowers are known in Australia as Patterson's Curse and they make cows sick). Daisy gets sick but is helped back to her paddock by a nice farmer. The good and bad sides of both curiosity and fences are hinted at in the story. DAISY THE MOO COW is set on the same farm where WILLY WAGTAIL GROWS UP is set. Children will delight in finding Willy and Daisy in both books.

Red Angel Lulu.com

Anyone who brings grief to the people NYPD detective Paul Devlin loves is going to have to pay. That's why he's accompanying Adrianna Mendez, the lady of his heart, to Cuba, where Adrianna's aunt Maria has met with a serious "accident." A great hero of Castro's revolution, revered throughout the island as Angel Rojo, Dr. Maria Mendez was burned beyond recognition in a car wreck, then her body was stolen by members of a bloodthirsty voodoo sect. Now Devlin is determined to recover the Red Angel's remains and unravel the dark secret behind her death. But the New York cop's legendary street sense may not be enough to

keep him breathing in this unfamiliar world of corruption, terror, and potent black magic -- especially when a vengeful madman and his killers land on the enigmatic island with one immediate goal: to watch Paul Devlin die.

Revenge of Dr Von Burpinburger Little Brown

A story of adventure, ball control and hope. Jamal and Bibi have a dream. To lead Australia to soccer glory in the next World Cup. But first they must face landmines, pirates, storms and assassins. A heartfelt story of a teenage boy living in the conflict zone of Afghanistan. The explosion jolts him awake. He sits up, gasping for air, heart thumping. Was the blast real? Perhaps it had only happened in his head, a bad dream. Demons of the dark, his father had called them. 'Push them away. They'll only poison your thoughts. Seek the light and they can't hurt you.' Naveed is sick of war - of the foreign powers and the Taliban, the warlords and the drug barons that together have torn Afghanistan apart. He's had to grow up quickly to take care of his widowed mother and little sister, making what little money he can doing odd jobs and selling at the markets. When he adopts Nasera, a street dog with extraordinary abilities, he has a chance to help rebuild his

country. But will a new friend's betrayal crush his dreams of peace forever? From the winter of war comes the spring of hope. 'Naveed brings a human face to a war we have heard so much about. John Heffernan has allowed us an important glimpse into the world of an Afghan child and an insight into the complexity and beauty of the Afghan people. In Naveed, we have a name for the thousands of Afghan children who are suffering through this terrible war. Through his optimism, we are offered hope.' - Neil Grant, author of *The Ink Bridge*

The evil Dr von Burpinburger is back in another exciting adventure featuring the boy with a mouse and a mouse with a brain. Intent on capturing Einstein, his genius mouse, back from schoolboy Eric, Dr von Burpinburger is busy concocting one hair-brained scheme after another - all of which involve his hapless assistant Tikazza Brique. After some spectacular failures, he finally comes up with the plan of all plans: infiltrating Eric's school as a famous film maker. While the teachers and pupils are distracted by the cameras and thoughts of fame, Eric and Einstein soon find themselves in very big trouble. An hilarious and madcap sequel to *Eric & Einstein* - with pigeons, catapults, evil schoolboys, a fabulous grand finale - and a very engaging mouse!

Naveed: Through My Eyes
