John Taylor's brilliant  
new book examines  
the work of many of  
the major poets who

have deeply marked  
modern and  
contemporary  
European literature.  
Venturing far and wide  
from the France in  
which he has lived  
since the late 1970s,  
the polyglot writer-  
critic not only delves  
into the more widely  
translated literatures of  
Italy, Greece,

Germany, and Austria, but also discovers impressive and overlooked work in Slovenia, Bosnia, Hungary, Finland, Norway, and the Netherlands in this book that ranges over nearly all of Europe, including Russia. While providing this stimulating and far-ranging critical panorama, Taylor brings to light key themes of European writing: the depth of everyday life, the quest of the thing-in-itself, metaphysical aspiration and anxiety, the dialectics of negativity and affirmation, subjectivity and self-effacement, and uprootedness as a category that is as ontological as it is geographical, historical, political, or cultural. The book pays

careful attention to the intersection of writing and history (or politics), as several poets featured here have faced the Second World War, the Holocaust, Communism, the fall of Communism, or the war in the former Yugoslavia. Taylor gives the work of renowned, upcoming, and still little-known poets a thorough look, all the while scrutinizing recent translations of their verse. He highlights several poets who are also masters of the prose poem. He includes a few novelists who have fashioned a particularly original kind of poetic prose, that stylistic category that has proved so difficult for critics to define. Into the Heart of European Poetry should be of

immediate interest to any reader curious about the aesthetic and philosophical ideas underlying major trends of contemporary European writing. In a day and age when much too little is translated and thus known about foreign literature, and when Europeans themselves are pondering the common denominators of their own culture, this book is a

 Excerpt from My Country: And Other Poems Youth's Choice. There is a fine and promising touch in these studies, and Farewell is really delightful in the depth of human feeling which it displays. I have been much attracted to those pieces in which the author furnishes

verses with choruses for song use. Among them are Then Aloud I Cry, In That Great Day, and The Big Bell in Zion. They are admirable expressions, all of them. And take their places worthily alongside the older examples of this class. About the Publisher

Numerous books and pamphlets have been written on what the author calls the American theme.

However, many of these publications are nothing more than a synopsis of American tragedy and government corruption. This book "has a larger, more ideal ambition," says the author. "In the truest sense, America in Perspective is not as much a book about what's wrong with America as it is a book about what's right (or will be right) with

America." America in Perspective is a catchy book, different than the masses. The author writes of America's past, present and future as seen through a religious perspective. Though primarily LDS (Latter-day Saint or Mormon) oriented, America in Perspective can inspire anyone who has even an inkling of American patriotism. With numerous quotes from scripture, past and present religious authorities, political leaders and other sources, America in Perspective is a classy book that fills a contemporary need.

Ben Lawson was preparing for another Christmas away from home when the Black Summer bushfires

began to burn their way across Australia's eastern coast. As the bushfires continued to rage into the new year on an unprecedented scale, Ben, feeling angry, helpless and broken-hearted as he watched the devastation from across the ocean, sat down and put his feelings into words. To My Country is an ode to the endurance of the Australian spirit and the shared love of our country. In the true Aussie spirit, Ben and Allen & Unwin will be donating proceeds of To My Country to The Koala Hospital. 'A delightful love letter to a homeland: the kind only an Australian could write. Full of humour, charm and deeply felt belonging. And to think of all the orphaned koalas who

will benefit from you buying and enjoying this wonderful little book ...' -Stephen Fry- 'An impassioned cry from the big, kind heart of a big, kind man.' -Tim Minchin- 'Ben Lawson's love of his homeland inspires us all to think of our own roots . . . and the need to protect them.' -Dolly Parton- 'Ben Lawson's book is a heartfelt reminder of how desperately we need to think about our future as a country. His sincerity is moving. I dare you not to cry.' - Julia Stone- 'Ben Lawson writes in the tradition of his namesake Henry Lawson; an eloquent bush ballad that mourns the tragic fate of one billion bushfire victims.' -Barry Humphries- "My Country 'tis of

Leaving the Shade of  
 the Middle Ground  
 contains thirty-five of  
 F.R. Scott's poems  
 from across the five  
 decades of his career.  
 Scott's artistic

responses to a litany of social problems, as well as his emphasis on nature and landscapes, remain remarkably relevant. Scott weighed in on many issues important to Canadians today, using different terms, perhaps, but with no less urgency than we feel now: biopolitics, neoliberalism, environmental concerns, genetic modification, freedom of speech, civil rights, human rights, and immigration. Scott is best remembered for "The Canadian Authors Meet," "W.L.M.K.," and "Laurentian Shield," but his poetic oeuvre includes significant occasional poems, elegies, found poems, and pointed satires. This selection of poems showcases the politics, the humour, and the

beauty of this central modernist figure. The introduction by Laura Moss and the afterword by George Elliott Clarke provide two distinct approaches to reading Scott's work: in the contexts of Canadian modernism and of contemporary literary history, respectively.

I often think in rhyme,  
during those times if  
I'm fortunate to have a  
pen and paper I am  
able to document  
these rhyming  
moments. This memoir  
of my thoughts and  
poetry came at various  
times and are soon to  
be in print. These are  
often written even in  
the middle of the night,  
sometimes while  
preparing for special  
holidays, has me  
searching for a pen, as  
well as, the news  
report can also bring  
on a period of  
creativity. What fun it  
is to capture these  
moments in words and  
have them available to  
read and reread year  
after year and time  
after time. These  
writings are not done

professing to be a scholar on any one subject. The only knowledge that I profess to have is the knowledge of my own feelings and thoughts. Having lived over three score and ten at this writing this point could possibly be true! If there is any English Professor or expert who finds enjoyment reading any or all of my writings, I would be most humbled. I have never been very good at working on just one thing at a time. For the last thirty-five years I have enjoyed writing some poetry and some rhymes but I also enjoy writing stories. I just do them both, never knowing just how or what I will do with them. This book has stories and rhymes, some go together and some just for fun. I

hope you find some enjoyment and some laughter in these pages.
