 Splendid collection contains all eight piano trios, the two piano quartets, and the piano quintet, reprinted from the definitive Breitkopf & Härtel editions. Indispensable for pianists and chamber musicians.

The Piano Quartet and Quintet Courier Corporation

"Piano Trio in C minor - Op.1 No.3" is a score for piano, cello and violin composed by Beethoven between 1793 and 1795. It contains four movements: "Allegro con brio", "Andante cantabile con variazioni", "Menuetto. Quasi Allegro", and "Prestissimo". Ludwig van Beethoven (1770 - 1827) was a seminal German composer. He had a significant influence on the transition from the Classical to the Romantic era of music, and to this day he is considered to be one the most celebrated and important composers of all time. This volume is highly recommended for fan's of Beethoven's music, and it constitutes a must-have for collectors of important classical scores. Classic Music Collection constitutes an extensive library of the most well-known and universally-enjoyed works of classical music ever

composed, reproduced from authoritative editions for the enjoyment of musicians and music students the world over.

*Play with a Pro Trumpet Music* Courier Corporation

*The Complete Piano Trios* Alfred Music

Reprint of the ed. published between 1874-1877 by Breitkopf & Hartel, Leipzig under title: Feur Pianoforte allein.

**Havanaise** Rowman & Littlefield

This is a book about classical music – for people who say they love music “but don’t understand how it works”, as well as for performers and music students of all ages. Proposing that deeper enjoyment begins with an understanding of music’s basic structures, the book describes how the simple template of earlier dance-songs was adapted by composers writing music for instruments. The instrumental sonata became one of the great formal frameworks of western music: in symphonies, concertos, chamber music and solo sonatas, it dominated concert music for some 250 years – yet it is little understood by many music lovers. To simplify this vast field, Past Sounds singles out for study “sonatas” for piano trio – piano, violin and ‘cello. These instruments have well-contrasted and easily identifiable sounds, and as the story unfolds the reader is introduced to many rarely heard but beautiful works for piano trio. This is a lively, clearly-written narrative as well as a handbook for

subsequent listening. The book has two distinctive features. Firstly, technical terms are carefully explained, and for those not familiar with music notation, audio clips in an accompanying website reproduce the actual sound of the music described. Secondly, in a broad historical sweep from mid-18th to 20th centuries, the development of the sonata is followed in its context of contemporary arts and literature – demonstrating how the sonata idea of classical music well deserves to be understood and valued as a western cultural archetype alongside other great artistic and literary forms.

**Petrie's complete Irish music** Boydell Press

The classic Hermann/Grümmer Edition Peters volume of Mozart's complete Piano Trios, including works for Violin or Clarinet, with Cello and Piano. Edition contains piano score and individual instrumental parts: Clarinet Trio in E flat major, K498 Kegelstatt-Trio Divertimento (Piano Trio) in B flat, K254 Piano Trio No. 1 in G major, K496 Piano Trio No. 3 in B flat major, K502 Piano Trio No. 4 in E major K542 Piano Trio No. 5 in C major, K548 Piano Trio No. 6 in G major K564

*The Classical Revolution* Read Books Ltd  
Over the centuries, the piano trio has gained a repertoire of exceptional size and richness; works written for this genre include some of the greatest of all chamber works. The first study devoted solely to the piano trio, this book reviews the development of the trio in different countries within the context of general music history, and shows how it has reflected changes in style and technique from Mozart and Haydn to the avant-garde composers of today. Smallman focuses on the principal works in the trio repertoire, and provides clear analytical descriptions supplemented by musical examples.

*Complete Piano Trios: Sheet* Courier Dover Publications

Complete piano trios and quartets and piano quintet Courier Corporation

*American Piano Trios* Courier Corporation

Within his broad historical narrative Professor Smallman provides descriptive analyses of key works, many with music examples, and also comments

perceptively on local trends and developments.

**The Complete Piano Trios** Courier Corporation

Engaging survey covers Brahms' major orchestral, choral, and piano music, culminating in a discussion of the German Requiem. Commentary places the composer's compelling music within the context of his era and environment.

*Great piano trios* Complete piano trios and quartets and piano quintet

Join a current Broadway musician to practice first and second trumpet with 16 selections of bop, swing, Latin, jazz, rock, Dixieland, and blues arrangements. Includes music and downloadable MP3s with 30 minutes of backup accompaniment.

*Complete Piano Trios* Courier Corporation

These masterful works by the baroque composer Arcangelo Corelli (1653 1713) are among the earliest created in the concerto grosso form. They radiate a vibrant lyricism and crisp dignity of style that set them clearly apart from works by most earlier composers, who strove primarily for virtuoso brilliance and whimsy. This finely produced yet inexpensive paperback edition meticulously reproduces the scores of all twelve of Corelli's concerti grossi from a famous edition prepared by violinist Joseph Joachim and musicologist Friedrich Chrysander at the end of the nineteenth century. Corelli's concerti grossi for strings and continuo, most of them written in the last three decades of his life, were not published until 1714, the year following his death. Together with his other works four sets of trio sonatas and one set of violin sonatas they won him celebrity in his lifetime, great influence on other composers in the decades after his death, and a fervent admiration from musicians, critics, and audiences that has never declined through the centuries."
