Oblivion (A Lux Novel)
Allen & Unwin

From New York Times bestselling authors Becky Albertalli and Aisha Saeed comes a heart-warming, hilarious story about the power of love and resistance. Jamie Goldberg is cool with volunteering for his local state candidate - as long as he's behind the scenes. There's no way he'd ever knock on doors to ask people for their votes...until he meets Maya. Maya Rehman's having the worst Ramadan ever. Her best friend is too busy to hang out, her summer trip is cancelled, her parents are separating and now her mother thinks the solution to her problems is political canvassing - with some awkward guy she hardly knows ... Going door to door isn't exactly glamorous, but

maybe it's not the worst thing in the world. After all, the polls are getting closer - and so are Maya and Jamie. Mastering local activism is one thing. Navigating the cross-cultural crush of the century is another thing entirely. Praise for *Yes No Maybe So*: 'Heartwarming, poignant and very, very funny' *Waterstones* '[An] entertaining story of love, politics and idealism' *The I 'A* novel bursting with hope, truth and action . . . *Yes No Maybe So* is about speaking up, showing up and being an effective ally. But at its core it's a reminder that the Greta Thunbergs, Malala Yousafzais and Autumn Peltiers of today were once Jamies and Mayas: everyday

teenagers who saw their house was on fire and worked tirelessly to extinguish the blaze' *The New York Times Book Review* [Nice Try, Jane Sinner](#) *Penguin UK* *The New York Times* bestselling he-said/she-said rock n' roll romance that inspired the motion picture starring Michael Cera (*Juno*, *Arrested Development*) and Kat Dennings (*Thor*, *TV's 2 Broke Girls*)! "I know this is going to sound strange, but would you mind being my girlfriend for the next five minutes?" Nick frequents New York's indie rock scene nursing a broken heart. Norah is questioning all of her assumptions about the world. They have nothing in common except for their taste in music,

until a chance encounter leads to an all-night quest to find a legendary band's secret show and ends up becoming a first date that could change both their lives. Co-written by Rachel Cohn and David Levithan, co-author of *WILL GRAYSON*, *WILL GRAYSON* with John Green (*THE FAULT IN OUR STARS*), *NICK & NORAH'S INFINITE PLAYLIST* is a sexy, funny roller coaster of a story that reminds you how you can never be sure where the night will take you... *Meat Market* Simon and Schuster

The electrifying conclusion to the New York Times bestselling series *Children of Eden* that follows Rowan as she leaves behind the paradise she's always dreamed of to save

Eden – and the world – from a terrible fate. Rowan is finally in Harmonia, an Earth-friendly, sustainable commune in the wilderness she always thought was dead. Even in this idyllic world, she finds no peace. Harmonia has strict rules – and dire consequences. Thinking about Eden is forbidden, but she's determined to rescue the loved ones she left behind. Though they are in terrible danger, her pleas for help are ignored. After months of living as one with nature, a shocking reminder of her past pushes Rowan to act. With the help of new friends, she infiltrates Eden. What she discovers is even worse than the situation she left behind. In the chaos of

civil war, Rowan and her friends join forces with the second children and other rebels trapped inside. They fight for their lives, and for the future of humanity in this broken Earth.

Starry Eyes Harper Collins

Two or Three Things I Forgot to Tell You is renowned author Joyce Carol Oates's newest novel for teens. Laurie Halse Anderson, bestselling author of *Wintergirls* and *Speak*, said that "the painful honesty of this book will crack open your heart." Senior year, their last year together, Merissa and Nadia need their best friend Tink more than they ever did before. They have secrets they can share with no one but her, toxic secrets that threaten to

unravel their friendship—and themselves. Tink had a secret, too, a big one, but no one knows what it was. And now she's gone. . . . In a starred review, Kirkus Reviews described Joyce Carol Oates as "a master at portraying the inner lives of teens." In *Two or Three Things I Forgot to Tell You*, she's created a powerful portrayal of a friendship strong enough to transcend death.

Grasshopper Jungle is smart, cool and laconic contemporary young adult fiction. I read somewhere that human beings are genetically predisposed to record history. We believe it will prevent us from

doing stupid things in the future. This is my history. There are things in here: Babies with two heads, insects as big as electric guitars, God, the devil, limbless warriors, rocket ships, sex, diving bells, theft, wars, monsters, internal combustion engines, love, cigarettes, joy, bomb shelters, pizza, and cruelty. Just like it's always been.

Titanic: James Cameron's Illustrated Screenplay Random House

The pace of modern life is accelerating. To keep up, we must keep on moving and adapting - constantly striving for greater happiness and success. Or so we are told. But the demands of life in the fast lane come at a price: stress, fatigue

and depression are at an all-time high, while our social interactions have become increasingly self-serving and opportunistic. How can we resist today's obsession with introspection and self-improvement? In this witty and bestselling book, Danish philosopher and psychologist Svend Brinkmann argues that we must not be afraid to reject the self-help mantra and 'stand firm'. The secret to a happier life lies not in finding your inner self but in coming to terms with yourself in order to coexist peacefully with others. By encouraging us to stand firm and get a foothold in life, this vibrant anti-self-help guide offers a compelling alternative

to life coaching,
positive thinking and
the need always to say
'yes!'

Ever wonder "What if?"
Now available in
paperback, *Everything
That Makes You* is an
epic romance about
one girl—and the two
possible lives she
might have lived if an
accident hadn't
changed everything.
Intense and beautifully
written, this is a
realistic contemporary
novel with a twist,

perfect for fans of *If I Stay* by Gayle Forman and *Before I Fall* by Lauren Oliver. Fiona Doyle's face was horribly scarred as a child. She writes about her frustrations and dreams in notebooks, penning song lyrics—but she'd never be brave enough to sing those songs in public or to Trent, the boy she's always loved. Fi Doyle never had an accident. She's the best lacrosse player in the state and can't be distracted by her bff, Trent, who wants to be more than that. Then one day, her luck on the field goes south, and everything's not so easy anymore. Alternating chapters between Fiona and Fi tell two separate stories about the same girl and feature many of the same

characters. It's fun to see how the characters change between the two stories, and how Fiona and Fi are alike and different.

Perfect for fans of Tim Federle and Gary Schmidt, this is a hilarious and poignant tale about the trials of middle school when you're coming of age—and coming out. Alan Cole can't stand up to his cruel brother, Nathan. He can't escape the wrath of his demanding father, who thinks he's about as exceptional as a goldfish. And—scariest of all—he can't let the cute boy across the cafeteria know he has a crush on him. But when Nathan discovers

Alan's secret, his older brother announces a high-stakes round of Cole vs. Cole. Each brother must complete seven nearly impossible tasks; whoever finishes the most wins the game. If Alan doesn't want to be outed to all of Evergreen Middle School, he's got to become the most well-known kid in school, get his first kiss, and stand up to Dad.
