Der Glühende Alfred Publishing Company

This is one in a series of books that offers a quick way into a
range of exciting stories. Fast-moving and accessible, each story

is a shortened, dramatically illustrated version of the classic
novel which loses none of the strength and flavour of the original.
Introduction to Music for Children LIT Verlag Münster

Encompassing photography, installation, print media, video and
more, this publication is the most comprehensive account of
Tillmans' wide-ranging career to date A visionary creator and
intrepid polymath, Wolfgang Tillmans unites formal inventiveness
with an ethical orientation that attends to the most pressing
issues of life today. While his work transcends the bounds of any
single artistic discipline, he is best known for his wide-ranging
photographic output. From trenchant documents of social
movements to windowsill still lifes, ecstatic images of nightlife to
cameraless abstractions, sensitive portraits to architectural
studies, astronomical phenomena to intimate nudes, he has
explored seemingly every genre of photography imaginable,
continually experimenting with how to make new pictures and
deepen the viewer's experience. Published in conjunction with a
major exhibition of Tillmans' work at the Museum of Modern Art,
this copiously illustrated volume surveys four decades of the
artist's career. An outstanding group of writers offer diverse

essays addressing key threads of his multifaceted practice, and a new text by Tillmans himself elucidates the distinctive methodology behind his system of presenting photographs. Wolfgang Tillmans: To look without fear grants readers new insight into the work of an artist who has not only changed the way photography is exhibited but pointed contemporary art in dynamic new directions. Wolfgang Tillmans (born 1968) is among the most influential contemporary artists, and the impact of his work registers across the arts, intersecting with fashion, music, architecture, the performing arts and activism. Tillmans is the recipient of the Turner Prize (2000) and the Hasselblad Foundation International Award in Photography (2015). His foundation, *Between Bridges*, supports the advancement of democracy, international understanding, the arts and LGBTQ rights.

Stockhausen on Music Marion Boyars

Jeff Koons engages with distinguished art curator Sir Norman Rosenthal resulting in a revealing portrait of the life and art of the most foremost international working artist today Here is what happens when Jeff Koons, one of the most important and controversial artists of the twenty-first century, sits down with distinguished art curator Sir Norman Rosenthal. Published to coincide with his 2014–2015 retrospective, this new book provides the most revealing portrait that exists of Jeff Koons' singular personality and artistic vision as he discusses works across his thirty-five -year career with his long-time friend and collaborator Rosenthal. Rosenthal's masterful interviews, conducted over three years, give unparalleled access to the thoughts of one of the most influential minds in contemporary culture, disclosing the artist undistorted and in his own words. As well as examining all his major series in depth, from his first inflatables to his latest series on antiquities, the interviews shed new light on the artist's interest in other artists' works, reveal the significance of his youth and family life on his art, and explain the key concepts of his practice, such as his ideas on self-acceptance, ecstasy and sex. A book of historic importance, extensively and comprehensively illustrated throughout, it will become the reference point for all who want to understand Koons and creativity in the twenty-first century.

In 6 ganz unterschiedlichen Abenteuer geschichten (Besprechung der deutschen Ausgabe in BA 10/99) erleben Kinder alltagsnahe, spannende Situationen diesmal auf Englisch. Die Fortsetzung der Reihe "Englisch lernen mit den Leselöwen ..." (3 weitere Titel in dieser Nr.) setzt weiterhin auf das Rezept, erprobte Kinderlektüre ins Englische zu übersetzen. Ein "fire alarm" hält Stefan auf Trab, Tina und Laura werden im Zelt von "Shadows in the night" erschreckt oder Jana wünscht sich eine "moon rocket" zum Geburtstag. Weniger gebräuchliche Worte, im Text blau gedruckt, werden am Rand Verben in der konjugierten Form übersetzt. Der jedem Band beigefügte, ausklappbare Themenwortschatz ist in diesem Fall aufgrund der Themenvielfalt etwas willkürlich und reicht von airbed (Luftmatratze) über aircraft factory (Flugzeugfabrik) bis zu genie (Flaschengeist), im Wörterbuch im Anhang finden sich die wichtigsten Vokabeln. Die einfache Syntax und die textbegleitenden Illustrationen von Wilfried Gebhard erleichtern das Textverständnis. Als Lektüre für fortgeschrittenere Englischler im Grundschulalter empfohlen.. Sechs spannende Abenteuer geschichten auf Englisch für Neugierige, die schon gute Grundkenntnisse haben.
