#### Queen Victoria: A Personal History

Mitchell Lane Publishers, Inc.

Victoria was an innocent young girl, dominated by her mother and her governess, when she was roused from her bed and told she was Queen. Her long reign spanned one of the most eventful eras in her country's history.

#### Victoria Justice: Famous Actress & Singer

Gareth Stevens Publishing LLLP

You may know that

Victoria Justice rose to fame on the hit

Nickelodeon TV show

Victorious. But did you

know that she: ? is a

talented model in addition to being a great actor and

singer? ? is a huge

bookworm who preferred

reading to parties in

middle school? ? is super

close with her mom and

counts her as her BFFL?

Want to know more about

the life of this fascinating

star? Read on to learn all

about Victoria's family,

rise to fame, charity work,

favorite things, future

plans, and more!

Queen Victoria Hamish

Hamilton

'A wonderfully fresh, vivid and engaging portrait.'

Jane Ridley, author of Bertie: A Life of Edward

VII 'Has much of the abundant charm of its

author.' Spectator 'The glory of this book is in the

details.' The Times

'Worsley's command of the material and elegant

writing style make this a must-read.' Publisher's

Weekly 'An intimate

glimpse.' Daily Mail 'An

engaging portrait of the

monarch.' i paper

'Provides a unique insight

into this inscrutable

monarch.' Choice

Magazine 'In this lively, light-footed biography,

just out in paperback, the

popular TV historian Lucy

Worsley looks at just 24

days of Victoria's 81-year

long life to reveal

unexpected sides to the

monarch.' BBC History

Magazine

\*\*\*\*\*

\*\*\*\*\* Who was Queen

Victoria? A little old lady,

potato-like in appearance,

dressed in everlasting

black? She was also a

passionate young princess

who loved dancing. And

there is also a third

Victoria, the brilliant

queen, one who invented

a new role for the

monarchy. Victoria found

a way of ruling when

people were deeply

uncomfortable with

having a woman on the

throne. Her image as a

conventional daughter,

wife and widow concealed

the reality of a talented,

instinctive politician. Her

actions, if not her words,

reveal that she was

tearing up the rules on

how to be female. But the

price of this was deep

personal pain. By looking

in detail at twenty-four

days of her life, through

diaries, letters and more,

we meet Queen Victoria

up-close and personal.

Living with her from hour

to hour, we can see and

celebrate the

contradictions that make

up British history's most

recognisable woman.

Victoria Justice DigiCat

DigiCat Publishing

presents to you this

special edition of "Queen

Victoria" by E. Gordon

Browne. DigiCat

Publishing considers every

written word to be a

legacy of humankind.

Every DigiCat book has

been carefully reproduced

for republishing in a new

modern format. The books

are available in print, as

well as ebooks. DigiCat

hopes you will treat this

work with the

acknowledgment and

passion it deserves as a

classic of world literature. *Private Life of Victoria* HarperCollins UK Ever since she was a young girl, Victoria Justice wanted to be a performer. She was always putting on shows for other people. This love for the stage has won her many amazing opportunities. She has modeled for such big-name brands as Ralph Lauren, Gap, and Banana Republic; and she has appeared in dozens of television commercials. By the age of sixteen, she was starring in her very own television series, *Victorious*. See how talent, determination, and family support have helped this young actress reach her goals.

So much to read, so little time? This brief overview of *Victoria: The Queen* tells you what you need to know—before or after you read Julia Baird’s book. Crafted and edited with care, Worth Books set the standard for quality and gives you the tools you need to be a well-informed reader. This short summary and analysis of *Victoria: The Queen* includes: Historical context Chapter-by-chapter overviews Profiles of the main characters Detailed timeline of key

events Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About *Victoria: The Queen* by Julia Baird: Julia Baird explores and unpacks the legend of Victoria: long-reigning monarch, wife, mother, and symbol of the British Empire. Rather than contributing to the myths surrounding this fascinating and complex woman, Baird describes Victoria as she really was: passionate, strong-willed, hot-tempered, hard-working, and desperate to hold on to power and govern her nation while remaining the loyal wife to her beloved Prince Albert. Baird’s biography takes readers through Queen Victoria’s life and long reign, giving a clear and lucid analysis of often complex political events and relationships, as well as the personal dynamics of her household, and providing a thorough understanding of a transformative era in British history. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

[Queen Victoria](#) Hachette UK

Christopher Hibbert’s acclaimed biography of Queen Victoria is as impressive and authoritative as the great woman herself. *Queen Victoria, Her Life and Times* ABDO Publishing Company

The true story for fans of the PBS Masterpiece series *Victoria*, this page-turning biography reveals the real woman behind the myth: a bold,

glamorous, unbreakable queen—a Victoria for our times. Drawing on previously unpublished papers, this stunning portrait is a story of love and heartbreak, of devotion and grief, of strength and resilience. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES • ESQUIRE • THE CHICAGO PUBLIC LIBRARY “Victoria the Queen, Julia Baird’s exquisitely wrought and meticulously researched biography, brushes the dusty myth off this extraordinary monarch.”—The New York Times Book Review (Editor’s Choice) When Victoria was born, in 1819, the world was a very different place. Revolution would threaten many of Europe’s monarchies in the coming decades. In Britain, a generation of royals had indulged their whims at the public’s expense, and republican sentiment was growing. The Industrial Revolution was transforming the landscape, and the British Empire was commanding ever larger tracts of the globe. In a world where women were often powerless, during a century roiling with change, Victoria went on to rule the most powerful

country on earth with a decisive hand. Fifth in line to the throne at the time of her birth, Victoria was an ordinary woman thrust into an extraordinary role. As a girl, she defied her mother’s meddling and an adviser’s bullying, forging an iron will of her own. As a teenage queen, she eagerly grasped the crown and relished the freedom it brought her. At twenty, she fell passionately in love with Prince Albert of Saxe-Coburg and Gotha, eventually giving birth to nine children. She loved sex and delighted in power. She was outspoken with her ministers, overstepping conventional boundaries and asserting her opinions. After the death of her adored Albert, she began a controversial, intimate relationship with her servant John Brown. She survived eight assassination attempts over the course of her lifetime. And as science, technology, and democracy were dramatically reshaping the world, Victoria was a symbol of steadfastness and security—queen of a quarter of the world’s population at the height of the British Empire’s reach. Drawing on sources that include fresh

revelations about Victoria’s relationship with John Brown, Julia Baird brings vividly to life the fascinating story of a woman who struggled with so many of the things we do today: balancing work and family, raising children, navigating marital strife, losing parents, combating anxiety and self-doubt, finding an identity, searching for meaning. *Victoria* Ballantine Books This book about the marriage of Queen Victoria and Prince Albert tells the story of one of the most famous relationships in history. Their marriage was by no means a grand match for Victoria and was very unpopular with the British public. There were early troubles for the couple with power struggles, personality clashes, and unwelcome pregnancies; but they created a true partnership, a happy family life, and founded a dynasty. The book ends with Albert's early death, and how a man in the prime of life was worn out with the stresses and strains of being Victoria's husband. Victoria was pregnant for a third of her married life, and the book looks at how she dealt with pregnancy, childbirth, and being a

mother. Queen Victoria and Prince Albert were married at the Chapel Royal, St James's Palace in London, on 10 February 1840, when they were both twenty years old. For her, their marriage followed a whirlwind romance and Albert would be a life-long passion. For him, it was a successful outcome of long-laid plans - marrying Victoria was his career. They were in an unusual position for their time, because it was Victoria who was the sovereign and Albert had a supporting role. Their marriage would succeed, but stormy waters lay ahead. 'Victoria and Albert' uses some of Victoria's own words from her journal and letters to help tell the story and is beautifully illustrated throughout with portraits and other memorabilia from the author's collection. This short book is intended to be light-hearted and easy-to-read and should appeal to anyone who likes history, or follows royalty, or is interested in people's personal stories. 'Victoria and Albert' is the second of three books about 'The Colourful Personal Life of Queen Victoria'. They focus on the story of Victoria as a woman - her personal life, the events

that formed her character, and the relationships that were important to her. The first book, 'Young Victoria', looked at her early years, including her difficult childhood and how she came to the throne aged only eighteen. The third book, 'The Widowed Queen', will cover the long years of her widowhood after Albert's early death, as the doyenne of sovereigns and grandmamma of Europe.

Life at the Court of Queen Victoria, 1861-1901

National Geographic Books

Paula Bartley's *Queen Victoria* examines Victorian Britain from the perspective of the Queen. Victoria's personal and political actions are discussed in relation to contemporary shifts in Britain's society, politics and culture, examining to what extent they did - or did not - influence events throughout her reign.

Drawing from contemporary sources, including Queen Victoria's own diaries, as well as the most recent scholarship, the book contextualises Victoria historically by placing her in the centre of an unparalleled period of innovation and reform, in which the social and political landscape of

Britain, and its growing empire, was transformed. Balancing Victoria's private and public roles, it will examine the cultural paradox of the Queen's rule in relation to the changing role of women: she was a devoted wife, prolific mother and obsessive widow, who was also Queen of a large Empire and Empress of India. Marrying cultural history, gender history and other histories 'from below' with high politics, war and diplomacy, this is a concise and accessible introduction to Queen Victoria's life for students of Victorian Britain and the British Empire.

Queen Victoria Biography

Legare Street Press

Describes the life of Victoria, Queen of Great Britain from 1837 to 1901, and the social and political conditions in Great Britain during her lifetime.

*Queen Victoria* Routledge

This is a portrait of Victoria as the formidable, demanding, capricious queen of popular imagination, which also shows her as often shy and vulnerable, prone to giggling fits and crying jags.

*The Secret Life of Queen Victoria* Hourly History

In this unforgettable novel of Queen Victoria, Jean

Plaidy re-creates a remarkable life filled with romance, triumph, and tragedy. At birth, Princess Victoria was fourth in line for the throne of England, the often-overlooked daughter of a prince who died shortly after her birth. She and her mother lived in genteel poverty for most of her childhood, exiled from court because of her mother's dislike of her uncles, George IV and William IV. A strong, willful child, Victoria was determined not to be stifled by her powerful uncles or her unpopular, controlling mother. Then one morning, at the age of eighteen, Princess Victoria awoke to the news of her uncle William's death. The almost-forgotten princess was now Queen of England. Even better, she was finally free of her mother's iron hand and her uncles' manipulations. Her first act as queen was to demand that she be given a room-- and a bed-- of her own. Victoria's marriage to her German cousin, Prince Albert, was a blissfully happy one that produced nine children. Albert was her constant companion and one of her most trusted advisors. Victoria's grief after Prince Albert's untimely death was so shattering that for

the rest of her life-- nearly forty years-- she dressed only in black. She survived several assassination attempts, and during her reign England's empire expanded around the globe until it touched every continent in the world. Derided as a mere girl queen at her coronation, by the end of her sixty-four-year reign, Victoria embodied the glory of the British Empire. In this novel, written as a memoir by Victoria herself, she emerges as truthful, sentimental, and essentially human-- both a lovable woman and a great queen.

*Victoria* Hodder & Stoughton

This resource covers the life, times, and relationships of Queen Victoria, providing information about her children, her personal interests, the historic times in which she ruled, and the leaders she influenced. In this fascinating guide to every aspect of Queen Victoria's life, author Helen Rappaport analyzes the queen's personality, celebrates her achievements, and details the shortcomings of her empire, both in Britain, with its continuing divide

between rich and poor, and overseas, where Britain's great empire was won by repression and exploitation. A-Z entries—including topics barely touched in standard biographies—cover things like the various assassination attempts on her life, her interest in dancing and Jack the Ripper's murders, and how her husband Prince Albert introduced the celebration of Christmas to England. Queen Victoria also describes individuals such as her companion Lady Jane Churchill, her physician Sir James Clark, and politicians such as William Gladstone and Benjamin Disraeli; events like the Irish potato famine; inventions like steam power; and issues such as missionary activity and prostitution. It also includes bibliographies both for each entry and overall, and a chronology. Open Road Media  
The story of the queen who defied convention and defined an era A passionate princess, an astute and clever queen, and a cunning widow, Victoria played many roles throughout her life. In Queen Victoria: Twenty-Four Days That Changed Her Life, Lucy Worsley introduces her as a woman leading a truly

extraordinary life in a unique time period. Queen Victoria simultaneously managed to define a socially conservative vision of Victorian womanhood, while also defying its conventions. Beneath her exterior image of traditional daughter, wife, and widow, she was a strong-willed and masterful politician. Drawing from the vast collection of Victoria's correspondence and the rich documentation of her life, Worsley recreates twenty-four of the most important days in Victoria's life. Each day gives a glimpse into the identity of this powerful, difficult queen and the contradictions that defined her. Queen Victoria is an intimate introduction to one of Britain's most iconic rulers as a wife and widow, mother and matriarch, and above all, a woman of her time.

*Victoria Victorious*
