AUGUST CHRISTINE

The Million Dollar Shot Perfection Learning

Thirteen-year-old Whisper, who hates sports, is torn when she gets a chance to win a million dollars by kicking a goal against a local soccer hero.

They Came from Center Field Simon and Schuster

When Grant Falloon's dreams of winning the Babblemoney Games are hindered by his parents' alternative lifestyle, he creates his own Internet country to get back into the competition. --

Long Shot Simon and Schuster

It ought to be just a game, but basketball on the playgrounds of Coney Island is much more than that -- for many young men it represents their only hope of escape from a life of crime, poverty, and despair. In *The Last Shot*, Darcy Frey chronicles the aspirations of four of the neighborhood's most promising players. What they have going for them is athletic talent, grace, and years of dedication. But working against them are woefully inadequate schooling, family circumstances that are often desperate, and the slick, brutal world of college athletic recruitment. Incisively and compassionately written, *The Last Shot* introduces us to unforgettable characters and takes us into their world with an intimacy seldom seen in contemporary journalism. The result is a startling and poignant expose of inner-city life and the big business of college basketball.

Return of the Homework Machine Simon and Schuster

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Million Dollar Women Hyperion

From award-winning author Kennedy Ryan comes the steamy, powerful second installment of the Hoops trilogy. If Jared Foster had a dollar for every time Banner Morales made his heart skip a beat—the heart everyone assumes is frozen over—he'd be richer than he already is. He's found success as a sports agent by always assuming "no" means "I'll think about it." And he knows Banner's thinking about him. Her simmering anger? The way she puts him in his place? Foreplay. She thinks she's won the game, but they're just getting started. If Banner had a dollar for every time Jared broke her heart, she'd have exactly one dollar. One epic failure of a night. After parting on such bad terms, Banner has no intention of ever giving Jared a second chance. She's found success in a field ruled by men like him. She's learned to call the shots and block them when she has to. So she'll ignore the way he makes her heart pound. Sure, he seems carved from her most private fantasies, but she can get past that. She's got her one dollar, and Jared won't have her.

Block Shot The Million Dollar Shot

Now a major film starring Jon Hamm, this is the wonderful story of two young Indians who became pro baseball pitchers. JB Bernstein seemed to have it all. One of the top sports agents in the US, he worked hard and enjoyed the bachelor lifestyle to the full. But he hankered for more, and when he set himself a challenge - to unearth someone in India capable of becoming a pro baseball pitcher - most people thought he was mad and doomed to face a costly and public failure. The reality show *Million Dollar Arm* brought thousands of contestants hoping for a shot at glory, but eventually they unearthed two candidates: Rinku and Dinesh. Bernstein brought them back to the US, put them up in his home and helped them to get used to a very different world, while they also worked hard to learn the game that was second nature to most American sportsmen. Finally, they got their chance and - against all the odds - they were both awarded pro contracts. This heartwarming story has now been made into a film starring Jon Hamm (*Mad Men*) and Suraj Sharma (*The Life of Pi*). A true-life version of *Slumdog Millionaire* meets Jerry Maguire, *Million Dollar Arm* shows what can happen when you dream big.

Million Dollar Marriage Hyperion

An award-winning writer sets the record straight on hockey's forgotten golden boy—Bobby Hull In his

prime, few could dispute Bobby Hull's athletic brilliance—the first to have five 50-goal seasons, the highest scorer on the 1976 Canada Cup team, the first to use the slapshot as a scoring weapon, and the first hockey player to sign a million-dollar contract. With his body-builder torso, and his 100 mph volleys across a rink, the world of hockey glory was his to lose. And he did. With his publicized marital troubles and his defection from the NHL to the WHA, Hull's star began to fall, leaving him broke and in exile from the game. In *The Devil and Bobby Hull*, this once great hockey player and pioneer is finally given his due. Not only are Hull's remarkable on-ice achievements finally put in perspective, so, too, are his achievements off the rink—including endorsements for a wide array of products (rare for an NHL player) and his appearance on the cover of *Sports Illustrated* a record four times. And the book details how Hull's battle with the owners of the Chicago Blackhawks—challenging the reserve clause in his contract, a move that enabled him to move to the WHA—helped other players follow him. The author places Hull squarely in the pantheon of other hockey greats, including Gordie Howe, Bobby Orr, and Wayne Gretzky—and makes the case that he is the game's most influential and important player This is the full, unauthorized story of Hull's life—that doesn't sidestep the controversies (including the domestic violence tainting his private life) Details Hull's recent reconciliation with the Chicago Blackhawks A candid look at one of hockey's most gifted and controversial figures, *The Devil and Bobby Hull* tells the story of his extraordinary career and life—and why this remarkable man has not faded into oblivion.

The Real Slam Dunk Turtleback Books

Snik, Brenton, Judy, and Kelsey haven't stayed in the best touch since last year's big homework-machine scandal. But they are all pulled back together again when Brenton realizes that the most powerful part of the machine that lets you cheat on homework was never really destroyed. And there is someone out there who wants to use it for a lot more than just cheating. So the group bands together again not only to stop the culprit, but also to be the first to find a hidden treasure. If you enjoyed the first adventure, *The Homework Machine*, hold on to your hats for this one!

The Million Dollar Shot Simon and Schuster

When Yip's father brings home software that creates virtual actors -- Vactors -- Yip decides to give it try. He downloads the program, taps a few buttons, and voila! -- he's created Victor. a perfect kid, complete with artificial intelligence, good looks, and a sense of humor. But when Victor breaks out of cyberspace, Yip realizes there are more bugs in Victor's program than he ever imagined ...

Heiresses Disney-Hyperion

Within the first four years of his career, Flagg became one of Los Angeles' hottest agents. These are his memoirs, and an inspirational how-to book for making it in the dog-eat-dog world of real estate.

The Bionic Book Montlake Romance

Contrary to popular opinion, anyone who enters a casino can win at blackjack. In blackjack, unlike many casino games, your winnings depend on skill rather than chance. Players have left behind billions of dollars at the blackjack table, but it doesn't have to be that way anymore World famous blackjack expert Ken Uston provides seven simple rules to improve your game and presents students with four levels of winning skills. Strategies start with the Simple Plus/Minus for beginners and work up to the Advanced Plus/Minus and the Uston Ace-Five Count. "Million Dollar Blackjack" also explains the Uston Advance Point Count method, used by some of the world's top blackjack professionals. Notoriously hailed the "blackjack bible," "Million Dollar Blackjack" remains one of the most pivotal and comprehensive guides on the game. Breaking down the various rules, strategies, and counting methods, Uston discloses the tactics that made him a multi-million dollar winner. In this book, he covers nearly every aspect of casino blackjack from selecting the right game, to avoiding being barred, to the "illegal" side of blackjack, to cheating dealers and players. "Million Dollar Blackjack" details a myriad of playing techniques fortified by insider information. Ken Uston has carefully evaluated all previous blackjack theories and schools to offer you the most comprehensive guide on the game. Ken Uston (1935-1987) was arguably the world's foremost

blackjack player and game strategist. He graduated from Yale with a BA in Economics and received his MBA in Finance from Harvard. After a stint as the Senior Vice President of the Pacific Coast Stock Exchange, Uston traded his three-piece suit for the unpredictable life of the professional gambler. During his blackjack career, he mastered card counting, which led him to be barred from a number of casinos. Uston won a lawsuit against casinos in New Jersey, which protested the banishment of card-counting players, and its ruling still holds today. Uston has authored a number of bestselling books including "Ken Uston on Blackjack" and "Mastering Pac-Man."

"American women are starting businesses at nearly twice the rate that men are, but only three percent of female business owners have revenues of over one million dollars. Most women entrepreneurs are stuck at the 'mom and pop' level, just getting by, or in many cases, running out of cash. Julia Pimsleur shares her ... story of building her own company and raising millions in capital in a guide for women like her who have a great idea and need to find the resources to take it into the big leagues"--

The Million Dollar Private Practice Perfection Learning

Whisper Nelson remembers scoring a point for the opposing team in her last soccer match four years ago. So when she wins a chance to kick a goal past a professional soccer player for a million dollars, she is torn. Should she risk further humiliation and failure in front of all of Oklahoma City?

The Million Dollar Kick Simon and Schuster

The Million Dollar Body Method is the culmination of years of research and honing systems that work for busy entrepreneurs in real life. This radically effective framework is laid out in a 28-day program that makes it incredibly simple to implement in order to see results right away. Say goodbye to traditional diets forever, and stop focusing on weight loss. This is the last book you'll ever need to read about nutrition in order to stay lean for life, have superhuman focus, and drop fat on demand. All without marathon workouts or lengthy meal prep.
