[Train Your Dragon To Be Kind](#) Dg Books Publishing Aram Raythe has the power to challenge the gods. He just doesn't know it yet. Aram thinks he's nothing but a misfit from a small fishing village in a dark corner of the world. As far as Aram knows, he has nothing, with hardly a possession to his name other than a desire to make friends and be accepted by those around him, which is something he's never known. But Aram is more. Much,

much more. Unknown to him, Aram bears within him a gift so old and rare that many people would kill him for it, and there are others who would twist him to use for their own sinister purposes. These magics are so potent that Aram earns a place at an academy for warrior mages training to earn for themselves the greatest place of honor among the armies of men: dragon riders. Aram will have to fight for respect by becoming not just a dragon rider, but a Champion, the caliber of mage that hasn't existed in the world for hundreds of years. And the land needs a Champion. Because when a dark god out of ancient myth arises to threaten the world of magic, it is Aram the world will turn to in its hour of need.

Join Steven and his father as they take his newborn sister Rachel to the Land of Dragons. There they must receive the blessing of the King of Dragons so that they can raise her to be a dragon. But first they must get past Arnod, the Chief Security Dragon who doesn't like babies. This is a story of brotherly love for his new sister as he protects her on the long voyage and stands up to a dragon that likes to be a bully. It is just one of the stories the author told his daughter as she was growing up. She believed the stories as much as she believed in Santa Claus. We hope you will believe in them as well and in the power of love.
