Automotive Repair

Manual Hearst Books Chilton's Maxi-manuals are natural companions to its model-specific repair manuals. These manuals offer more in-depth and specialized

automotive information on specific operation systems. Written especially for the do-it-yourselfer, these manuals deal with topics such as air conditioning, automatic transmissions, engine rebuilding, and power accessories. Each system is fully covered for all manufacturers and model years indicated. They serve the needs of the dedicated do-it-yourselfer. For each system, these manuals provide fundamentals, theory, troubleshooting, detailed diagnostics, and overhaul procedures. As always, the Chilton name is your customer's guarantee of comprehensive information and reliability.
