Faulkner's authoritative English translation of Middle Kingdom coffin texts is essential for all Egyptologists. This new edition reprints his whole work in one volume. Filling the gap between the 'Pyramid' texts and the New Kingdom Book of the Dead, these writings were intended to supply the deceased with the speeches he would need to achieve a secure and important position in the next world. As such they supply valuable insights into Egyptian beliefs and mortuary practices. Concise textual notes are kept to a minimum, allowing the character of the texts to be experienced as a whole. Indexes cover divinities, localities, celestial bodies, selected Egyptian words in translation and also the parts of boats and sailing gear that figure prominently in some spells.

Flight Simon and Schuster

Determined to find out what Santa Claus looks like, a little bear sleeps as much as he can before winter hibernation, wakes himself up with his mother's alarm clock, and sets out into the snowy countryside.

***A History of Board-games Other Than
Chess*** Dutton Adult

Mancala is a popular board game played across Africa, in Central and Southeast Asia and the Middle East. Its antiquity and origins are still disputed by scholars. Drawing on historical, literary and ethnographic evidence, this book aims to discuss the possible origins of mancala and its distribution.

Little Pianist. Piano Songbook for Kids
Legare Street Press

Four women--friends, family, rivals--turn to online dating for companionship, only to run afoul of a tech-savvy killer using an app to target his victims in this thriller from New York Times bestselling author Joy Fielding. A husband's death, a difficult divorce, a brutal dumping, dissatisfaction with a boring relationship: for various reasons, four women turn to the app "Mr. Right Now," hoping to right-swipe their way to love and happiness. Paige and Heather are cousins, locked in a lifelong rivalry that recently culminated in Heather taking Paige's boyfriend for herself, although now Heather isn't quite sure she wants him. Paige's mother, Joan, is trying to get

back on her feet after the death of the love of her life two years ago. And Paige's longtime friend, Chloe, is trying to replace an abusive ex-husband as soon as the divorce papers are signed. Together, the women are navigating the choppy waters of online dating, until one of them unwittingly makes a date with a killer, starting the clock on a race to save her life. New York Times bestselling author Joy Fielding has written a complex, electrifying thriller about friendship, jealousy and passion--a deadly combination.

Altdeutsches Handwörterbuch Taylor & Francis

The original publications of the 1930s are scarcely to be found. The posthumous 1962 volume in the Soviet Union was limited to a tiny edition. Yet the work of the man who has been called "the foremost authority on Jewish folk music before the Holocaust," Moshe Beregovski, survives and is now available for the first time to the English-speaking world. As a member of the Jewish community as well as an ethnomusicologist in prewar Russia, Beregovski had not only the inspiration to preserve the spirit and vitality of the music that filled the lives of his people but also the professional training to document his findings to exacting standards. The first section of Slobin's book contains translations of some of Beregovski's responses to Jewish folk music in its living context during the 1930s. He raises important questions about ethnicity in his essay on interaction between Ukrainian and Jewish musical influences. His work on klezmer music, the music of the Jewish folk instrumental bands, is the most authoritative on the subject and includes his complete guide to fieldworkers in folk music. In another essay Beregovski analyzes an unmistakable trademark of Jewish folk music, the "altered Dorian" scale, and its symbolism in Eastern European Jewish culture. The second section constitutes Beregovski's anthologies of hundreds of folk songs with full Yiddish and English song texts. Each song is carefully notated exactly as it was sung and is accompanied by Beregovski's notes on origins and variants. Beregovski's essays and transcriptions form a part and a symbol of what was lost in the mass destruction of Eastern European Jewish culture in this century. They form a cultural record of deep significance not only for the

Jewish people, but also for folklorists and scholars as evidence of a distinctive music culture that interacted with—and influenced—the folk musics of Eastern Europe.

Die Mundorgel Penguin

First published in 1979, in *Ways to Paradise* Michael Loewe, an internationally recognised authority on Han China, assesses a wealth of an archaeological evidence in an attempt to uncover the attitudes of the pre-Buddhist Chinese to matters relating to death and hereafter. Dr Loewe examines in particular three major subjects of Han art and iconography: a recently found silk painting from Central China dating from around 168 BC; the numerous bronze mirrors of the so-called TLV pattern that came into fashion at the beginning of the Christian era, and which are especially rich in cosmological symbolism; and the representations of the Queen Mother of the West which appear as a leading motif of Chinese art from perhaps a century later. These Dr Loewe sets within a framework of contemporary literature and historical incident to create a wonderfully vivid picture of religious life and thought in this early and fascinating period of Chinese history which was to contribute so much to later developments in Far Eastern Philosophy, religion and art.

Musikhandel Bloomsbury Publishing May 16th. 1201 hrs. We are now under siege. Beyond the silo access doors, we have a small army of beaten and battered undead to contend with. They only want one thing... Day by Day Armageddon is the handwritten journal of one man and his struggle for survival. Trapped in the midst of global disaster, he must make decisions that could mean life, or which could condemn him eternally to walk as one of them. Enter,

if you dare, into his world. The world of the undead.

Day By Day Armageddon Verlag Herder GmbH

One of the biggest mistakes when someone starts learning to play the piano is playing songs with their index finger instead of using all fingers and both hands. Most piano sheet music for kids has notes for practicing with the right hand only, which encourages the 'plinky-plonk' playing that children should avoid. In this book, however, all songs have treble and bass clef notes for practicing with both hands! So, suppose you are looking for a diverse collection of 55 large print piano songs for children, young learners, or adult students that are simple enough for beginners to play and show letters (note names), numbers (fingerings), and lyrics. In that case, this is the perfect book for you. In this book, you will get: 55 EASY PIANO SONGS FOR KIDS - All songs have been arranged especially for young learners. This means that all complex chords and rhythms have been simplified. Also, all the pieces are kept relatively short, only one or two pages long. This will allow your child to enter the magic world of piano without frustration. FROM EASIEST TO HARDEST - Are you tired of searching for piano pieces with the appropriate difficulty? At the beginning of this book, you will find very simple songs, and then they gradually get more challenging as the book progresses. This will keep your child motivated and enable them to progress through the levels. DIFFERENT TYPES OF SONGS - You will get a diverse selection of pieces: well-known children's songs and nursery rhymes and simplified classical pieces, as well as famous English evergreens and international folk songs. This varied selection of easy sheet music will fuel your kid's

enjoyment when practicing the piano. **WITH LETTERS AND NUMBERS** - The most straightforward songs in this book are presented with letters above the music notes to help you know what keys to press. However, as the pieces get more complex, the note names have been deliberately left out to encourage note recognition. All songs include finger placements (numbers) in problem areas. **LARGE PRINT** - Most music notes for beginners are pretty small, so learners struggle to read them without squinting. To avoid this, all songs in this book have a clear layout and large print for students to follow the pieces easily. **NOTES FOR BOTH HANDS** - Most easy piano pieces for children have notes for practicing one hand only, encouraging them to play songs with only their index finger. The proper technique, however, is playing with all fingers and both hands. That's why all pieces in this book are in both treble and bass clef (i.e., both right and left hand). **BONUS: FREE AUDIO FILES TO DOWNLOAD** - Do you want to get an idea of what a piece should sound like? If you are unsure how to play a piece, our audio files will help you get a feel for the melody. Buy this book NOW and enter the splendid world of piano and music! Ideal also as a wonderful birthday present or Christmas gift.

Health and Illness Simon and Schuster
The SAGE Handbook of Cultural Anthropology is an essential resource for social scientists globally and contains a rich body of chapters on all major topics relevant to the field, whilst also presenting a possible road map for the future of the field.

German books in print Wentworth Press

The Jews of North America, based on the latest research by fifteen historians and scholars from Canada, Israel, and the

United States, is the first book to focus on the ethnic totality of the American and Canadian Jewish experience. The book blends a rich array of interrelated themes into a composite whole that is central to an understanding of North American Jewish history. The emphasis on continuity of tradition in these essays counters the prevailing myth of discontinuity, which promotes the notion of the great sense of separation Jews felt from "the world we have lost." The volume also provides an interesting comparative dimension by examining the similarities and dissimilarities of the American Jewish immigrant experience in both Canada and the United States.

Die kirchliche Arbeit mit Jugendlichen ist ein weit verzweigtes Handlungsfeld: Verbandliche und gemeindliche Jugendarbeit, Projekte mit Jugendlichen, Arbeit mit bestimmten Zielgruppen sowie katechetische und schulpastorale Angebote werden als Formen von Jugendpastoral beschrieben. Dieses Handbuch, verfasst von Vertretern aus Wissenschaft und Praxis, stellt erstmals das Spektrum unterschiedlicher Handlungsfelder, ihre Entstehung und ihre aktuellen Herausforderungen sowie zentrale Bezugsthemen vor. Ein Glossar erklärt wichtige Begriffe. Ein Basiswerk für Studium, Forschung und Praxis.

Handbuch Kirchliche Jugendarbeit
Hassell Street Press

The Pyramid Texts, which were carved on the walls of the pyramids of the kings of the Fifth and Sixth Dynasties to guide the dead king through the Netherworld and protect his welfare there, constitute the oldest corpus of religious and funerary texts and, as such are, of fundamental importance for the students of Egyptian religion. This translation,

completed in 1969 by a leading authority on these texts, is one of the most accessible, scholarly and complete available, and this reprint should be useful not only to Egyptologists but also to those interested in the history of religion and the occult.
