MACIAS DARION

Captain Sam Image Comics

This is the story of a skinny little country boy, born in a little community called, Swift, Missouri. Swift wasn't big enough to be a town. It was just a dusty piece of farm land just off highway 61. That is not even charted on the map anymore. My Dad was a farmer. Not unlike most black men during that time in the south. He earned his living, (that is, if you could call it a living) by the sweat of his brow, plowing up farmland during the fall of the year, and planting come the spring of the year, and then came harvesting time a few months later. That was the ritual for blacks, and a few whites for the rest of their lives. That is, unless they were fortunate like some others, and got a chance to leave that hell hole called a farm. My dad, I'm sure like his father, and grand father before him did the same thing. Walking behind a plow and mules, planting then came the chopping of the cotton and after that came the picking of the cotton. Now that was a life's ritual from the time you were big enough to walk and talk until you were ready for the grave. What a life. Now the Crume's were fortunate enough to break that cycle at some point in life .

Tortillas to Totems Penguin UK

An Instant New York Times Bestseller! If I Stay meets Your Name in Dustin Thao's You've Reached Sam, a heartfelt novel about love and loss and what it means to say goodbye. Seventeen-year-old Julie Clarke has her future all planned out—move out of her small town with her boyfriend Sam, attend college in the city; spend a summer in Japan. But then Sam dies. And everything changes. Heartbroken, Julie skips his funeral, throws out his belongings, and tries everything to forget him. But a message Sam left behind in her yearbook forces memories to return. Desperate to hear him one more time, Julie calls Sam's cell phone just to listen to his voice mail recording. And Sam picks up the phone. The connection is temporary. But hearing Sam's voice makes Julie fall for him all over again and with each call, it becomes harder to let him go. What would you do if you had a second chance at goodbye? Invincible Vol. 22: Reboot? Independently Published

Dan Jolly and his wife Sam are pretty much the dream couple. Lovers and best friends, their life is about as perfect as it can get. But then one terrible night Sam is knocked down and killed by a car right outside the restaurant. Dan cannot believe Sam is gone. But then one night, as if by a miracle, she comes back to him. But it cannot last and as quickly as she appeared, she is gone again. Soon Dan realises that he must make a choice - to have Sam with him again, but just once a year, or to let her go - forever. A magical story about love, grief and moving on... or not.

ME and SAM Wednesday Books

Why do lovers of J.R.R. Tolkien's LORD OF THE RINGS trilogy return to it again and again through their lives? Why does each rereading seem more nourishing? FRODO'S WOUND is a collection of essays that approaches these questions from various angles. It argues that while epic conflict and heroic warriors may provide the initial allure to the book, what lingers and deepens with each reading is its emotional complexity, its knowledge of loss and grief, and its yearning for something only dimly understood. Uniquely, it is a study of Tolkien that barely mentions Christianity and assumes no broad knowledge of the mythological world of Middle-earth. Instead, the book offers a series of close readings that reveal Tolkien's subtlety and sensitivity, and does not shy away from probing the significance of his occasional clumsiness. FRODO'S WOUND shows why Tolkien is a great writer, and why THE LORD OF THE RINGS is really a book for older adults--indeed, for anyone who has ever lost their way.

A Child of Books TCU Press

Meet Sam, his annoying but amazing sister, and their parents on a family's journey through Sam's transition.

Gone Cephalopress

Hawaiian Shirts in the Electric Chair REDUX is the reworked and reimagined edition of the classic debut poetry collection from Scott Laudati. Topics include his dog, New York City, aliens, death, New Jersey, love, heroin and pizza. This new edition from Cephalopress also features 10 all new poems, exclusive to this collection."The theme seems to be connected to remaining innocent, a will to preserve it, and a fear of losing it." - Elena Pollack, Albany Student Press"Hawaiian Shirts in the Electric Chair reads with the ensemble momentum of a concept album, building nuance and depth via cross-reference and consistency of tone rather than through complexity at line level. Between the suburbs and the city, and all that they stand for in Laudati's oeuvre, there is the ever-present fear not of age itself, but of fading away rather than burning out (that the collection features a poem entitled 'Mick and Keith Pt 1' suggests the reference). That fear informs the collection, is indeed its central theme, whether embodied by its gut-spreading midlifers or the beautiful youth of the depicted urbanites. Escaping mundanity is a mindset, the subtext whispers, and may just as easily achieved (or not) in those maligned suburbs as in the sensation-packed skyscrapers of NYC." - Sean Keenan, Trebuchet-Magazine

Hawaiian Shirts in the Electric Chair (REDUX) Center Point

On the morning of 9 February 2014, when Sam Smith woke up and saw the four statuettes he'd taken home from the previous night's Grammy Awards Ceremony, it must have felt like a dream come true. At only twenty-two years old and coming just eight months after the US release of his debut album, In the Lonely Hour, calling Sam Smith's victory an 'overnight success story' seemed wholly appropriate.In fact, Sam had been working towards releasing his own music for over a decade and training his voice for even longer. After falling under the spell of Whitney Houston and Chaka Khan as a child, straining his voice to imitate them and match their incredible vocal ranges, tuition from a local jazz singer and time spent in a local theatre group and youth choir encouraged Sam to pursue singing as a career.But Sam's first attempts to become a professional singer floundered and left him disillusioned and jaded. By the time he turned eighteen, Sam had seen six different managers come and go, he'd recorded a whole album's worth of songs which were never released and he was beginning to think he'd never get his big break.Then in 2010, giving himself one more year to make it, Sam moved to London. After spending a year working full-time in a bar, a chance encounter with Elvin Smith, a fellow musician turned artist manager, changed Sam's life forever. In just over eighteen months, Sam's voice had featured on a number-one song and he was about to sign his own major label deal.The songs Sam wrote for his debut album would go on to capture the hearts of a massive international audience. Along the way there were celebrity friendships, number-one records, world tours and the inevitable press speculation about his personal life. In this revealing biography, Joe Allen charts the meteoric rise of Britain's singing sensation. With his multi-platinum debut barely scratching the surface of what we can expect from Sam in the future, the next decade is sure to be as eventful as the last.

Two Prospectors John Hunt Publishing

The story of Sam Bass, both outlaw and romantic figure, has become a familiar part of Texas folklore and is well documented in nonfiction. But in this novel, Bryan Woolley creates a compelling story by giving the antihero fictional life. Woolley brings Bass alive through six alternating voices--Maude, the whore who was Bass's lover; Mary Matson, the African American who took him in and tended him as he lay dying; Dad Egan, the lawman who was once a father-figure to young Sam Bass but feels compelled to capture the outlaw; Frank Johnson, who rode with Bass but left the outlaw life to reappear as a small-town doctor; and Jim Murphy, the well-meaning saloonkeeper who makes a bargain with the law and brings down Sam Bass. In shaping the Bass story, Woolley explores the themes of youth and age, impulse and wisdom. An outlaw, for many of us, is not a villain or a criminal but someone who, by choice or circumstance, finds himself at odds with society. We see the outlaw life as one of carefree freedom without responsibilities and full of infinite possibilities. Frank Jackson says it best as he recalls riding with Sam Bass: "I felt like an outlaw but not like a criminal, and the beauty of the day and its freedom filled me."

I Am Number Four A&C Black

The first in New York Times bestselling author Michael Grant's breathtaking dystopian sci-fi saga, *Gone* is a page-turning thriller that invokes the classic *The Lord of the Flies* along with the horror of Stephen King. In the blink of an eye, everyone disappears. *Gone*. Except for the young. There are teens, but not one single adult. Just as suddenly, there are no phones, no internet, no television. No way to get help. And no way to figure out what's happened. Hunger threatens. Bullies rule. A sinister creature lurks. Animals are mutating. And the teens themselves are changing, developing new talents—unimaginable, dangerous, deadly powers—that grow stronger by the day. It's a terrifying new world. Sides are being chosen, a fight is shaping up. Townies against rich kids. Bullies against the weak. Powerful against powerless. And time is running out: on your birthday, you disappear just like everyone else. . . . "A potent mix of action and thoughtfulness—centered around good and evil, courage and cowardice—renders this a tour de force that will leave readers dazed, disturbed, and utterly breathless." —ALA Booklist (starred review) Read the entire series: *Gone* *Hunger* *Lies* *Plague* *Fear* *Light* *Monster* *Villain* *Hero*

Frodo's Wound Harper Collins

SHORTLISTED FOR THE IRISH BOOK AWARDS' CRIME FICTION BOOK OF THE YEAR ** A NO. 1 IRISH TIMES BESTSELLER ** _____ If she'd turned off her phone, instead of listening in, perhaps no one would have died... When Cressida Howard catches her entrepreneur husband playing away from home, she hires security expert Brioni O'Brien to get the evidence she needs for a speedy and financially rewarding divorce. But what Brioni uncovers goes beyond simple infidelity. Because Laurence Howard is also in bed with some very dangerous people. Bribery and blackmail are the least of his worries as someone comes after the women in his life - someone who is out to destroy Laurence and his empire, whatever the cost. And Cressida and her teenage daughter could soon be collateral damage, if she and Brioni don't act fast.

Sam's Vietnam Xlibris Corporation

Sam Smith - The Biography Penguin UK

"Pulitzer Prize-winning author of plays such as *True West*, *Fool For Love*, and *Buried Child*, and Academy Award-nominated actor in many films, including *The Right Stuff*, Sam Shepard is arguably America's finest working dramatist. He has said many times that he will never write a memoir. But he has written intensively about his inner life and creative work to his former father-in-law and housemate, Johnny Dark. This book gathers nearly 40 years of their correspondence, which provides the most honest and complete record of Shepard's professional and personal lives that he is ever likely to publish. The book is illustrated with Dark's candid, revealing photographs of Shepard and their mutual family across many years, as well as facsimiles of numerous letters. It makes a perfect companion to Treva Wurmfeld's recent film, *Shepard & Dark*"--

Sam Penny Candy Books

Can the young wizard, Sam, survive an epic quest, save the prince, and win the heart of the dreamy Knight Ryan Foxheart?

Come Back Sam, All is Forgiven Candlewick Press

A gripping standalone thriller from the No.1 bestselling author of *Little Bones* and *The Dark Room* As temperatures soar across Europe during the hottest summer for forty years, a series of hoax terrorist attacks is generating panic in London. Then a bus blows up on Oxford Street and the hoaxes have suddenly become real. Student Brioni O'Brien has been desperately trying to contact her older sister since she unexpectedly returned early from travelling, so when Marissa's bag is found near the site of the explosion, she fears the worst. Teaming up with terrorism expert Anna Lockharte to search for Marissa, Brioni discovers that her sister had got herself into a very dangerous situation - and that now she and Anna could be caught in the fallout.
