Derek Simon and Schuster Tales of the Suwannee River Country, a collection of twenty-six stories and essays, traces the personal journey of Emily B. Curtis, who grew up in North Florida during the Great Depression. As a shy young writer and pianist, Emily led a life of

poetry and music and later became a teacher. Her father, a local attorney, defended the victims of shootings in the region, which introduced Emily to the world's evils, and ultimately taught her powerful lessons about life. From stories about small town American life in the South, to regional history and fiction, Tales of the Suwannee River Country will take you back in time to when the world

was simpler and more secure.

"Be reasonable sheriff. If we raise any kind of a stench by further investigation, we could both stand to lose our jobs and our lives in general. We know that Malaine must be buried quickly and without incident. I make these kinds of decisions in my county office everyday. In

this case it is viable for me to deny an autopsy. I won't go along with it, I just won't." Bob Wolfe made a fist and placing it softly on Sheriff Royce's kitchen table, their eyes made contact. The two men were silent for a moment. Daniel could see that no matter how they discussed it, Bob wanted the woman buried with no frills. Though her right to breathe was taken from her, these two men didn't want any more of this story seeing the light of day. No one was going to talk about this after that

night in a professional sense. The black and blue marks on the woman's neck were to be dismissed. Each finger shaped bruise imprinted upon Malaine's throat, was a clue closer to the answers."

The hot South-African summer is getting to Emily. She escapes to her Uncle Tim's farm where she meets green-eyed Joey and can relax. But Emily has an eating disorder, and each day

she slips further away from those around her. Only Anna can help her-- Anna the healer, the herbalist, who possesses the wisdom of ancient customs and traditions. Anna offers Emily knowledge of a world she could scarcely imagine. "Somewhere she could hear water dripping. There was a hollow echo after each splash and Emily followed the curve of the rock, walking on the small path that now appeared, worn and sandy beneath her feet. Anna kept some distance

behind, Sipho's small cry resounding off the rocks. Suddenly Emily rounded a bend and found herself facing a huge overhang. The rock formed a massive, flat ceiling that seemed to retreat right into the mountainside." *Smoke, Mirrors And Murder* National Geographic Books Two novels in the beloved Fairacre series, full of "delicious wit, quirky characters . . . and certainly love and laughter" (Jan Karon). In the English village of Fairacre, retired

schoolteachers Dolly Clare and Emily Davis enjoyed a remarkable friendship. Childhood playmates in Beech Green, they would remain close throughout their long lives, eventually sharing a cottage in their retirement. They felt grief when a village family was lost on the Titanic and each experienced young love and then heartbreak when the First World War interrupted both of their romances. In this two-in-one volume, the triumphs and tragedies of their days are depicted with all the humor, humble

tenacity, and human warmth for which Miss Read is known. “Miss Read’s Books . . . have deservedly received the highest praise from both English and American reviewers.” —The New York Times Book Review “Miss Read reminds us of what is really important. And if we can’t live in her world, it’s certainly a comforting place to visit.” —USA Today “[Read’s] heroes are the good, the uncomplicated, and those who do the unsung work of the world. It’s a warm, comfortable, part of the

picture.” —Kirkus Reviews
