CASSIUS DARRYL

Day Trips® from Raleigh-Durham University of Pennsylvania Press

It is never possible to return literally to times and events of the past. Even places revisited will not be the same as they were. But we can, at least to some extent, go back in our minds. In trying to capture some of the past and record for posterity my lifetime of adventures, I find that my memory has been stretched more than I thought possible. The mind is a funny thing, and time is slippery stuff, but someone has said that we remember more than we think we do; that years after the fact, one day things fall into place and we say, "Ah yes, I remember that well."

Linda Insiders' Guide

The Pennsylvania One-day Trip Book E P M Publications

Boys' Life Rowman & Littlefield

The most helpful guidebook ever written to the Garden State. Includes museums, zoos, amusement parks, historic sites, quaint towns, restored villages, beaches, ski areas, nature centers, flea markets, wineries, planetariums & much more. Covers New Jersey & major sites in Philadelphia, Bucks County, the Poconos, New York City, the Hudson Valley & Delaware all within a one day's drive. Chapters are by subject (i.e., gardens, zoos, grand mansions) with both a geographical & alphabetical index to cross-check listings. Previous title was TRIPS & TREKS. Now in 4th edition. Has sold 50,000 copies since inception. Press comments: "This is pleasant reading. Hudgins provides facts - such as hours, admissions, directions & phone numbers - but also recreates atmosphere."--Montgomery Press. "Takes a different & welcome turn. It exemplifies the value of the personal touch."--NY TIMES. "The book has everything one could ask for when considering a day trip."--Chatham Press. "Far more than the usual catalog of places worth visiting."--Asbury Park Press. Well known for its helpful hints as well as its full reviews of places visited, NEW JERSEY DAY TRIPS is popular with families, singles, senior citizens & groups.

Concord and Conflict Rowman & Littlefield

Day Trips® from Raleigh-Durham is packed with hundreds of exciting things for locals and vacationers to do, see, and discover not far from Raleigh-Durham. The Triangle region's population totals over 1.7 million people, and this book invites them to: * Do something prehistoric: Examine fossilized bones, teeth, and shells on display at the Aurora Fossil Museum or dig for your own fossils in a special area outside. * Do something flowery: Celebrate one of the state's most prolific plants at Wilmington's North Carolina Azalea Festival, featuring big-name music stars, a full-fledged circus, and garden tours. * Do something patriotic: Wander through the artifacts and photographic exhibits at the 82nd Airborne Division War Memorial Museum to learn about this famed unit's history. * Do something kid-approved: Have fun with go-karts, arcade games, water slides, and a giant wave pool at Jungle Rapids Family Fun Park.

Backroad Bicycling Near New York City Penguin

One-Day Trip Books make the familiar seem new and fascinating. Whether you're a visitor or a resident, you'll find interesting, fun-filled places to visit on a day's excursion, whatever your age, income, and interests. Directions, admission details, and telephone numbers are included for each site, and calendars list special events. Soaking up history in Philadelphia is requisite, but travelers might also want to see Frank Lloyd Wright's Fallingwater, the Drake Well Museum near Oil City, the Starrucca Viaduct, waterfalls in Ricketts Glen State Park, the Harley Davidson Museum, and Longwood Gardens.

Outing and the Wheelman The Pennsylvania One-day Trip Book

Chartered in 1856, the East Broad Top Railroad began operating in 1873 through scenic Huntingdon County in south-central Pennsylvania. This well-managed narrow-gauge railroad connected the isolated Broad Top Mountain coal field with the Pennsylvania Railroad at Mount Union. With a decline

in the hauling of coal, service ended in 1956. Nick Kovalchick, president of the Kovalchick Salvage Company of Indiana, Pennsylvania, purchased the railroad and reopened a portion of it as a tourist line in 1960. Through vintage photographs, East Broad Top Railroad showcases the steam locomotives, rolling stock, and railroad yard at Rockhill Furnace, which is the most historic railroad yard in North America.

Day Trips® from New Jersey Rowman & Littlefield

Rediscover the simple pleasures of a day trip with Day Trips from New York City. This guide is packed with hundreds of exciting things for locals and vacationers to do, see, and discover within a two-hour drive of the New York metro area.

New Jersey Day Trips Indiana University Press

How Pittsburgh Positioned Itself as a Center of Culture and Innovation at the Turn of the Century In *From the Steel City to the White City*, Zachary Brodt explores Western Pennsylvania's representation at Chicago's Columbian Exposition, the first major step in demonstrating that Pittsburgh was more than simply America's crucible—it was also a region of developing culture and innovation. The 1893 Columbian Exposition presented a chance for the United States to prove to the world that it was an industrial giant ready to become a global superpower. At the same time, Pittsburgh, a commercial center that formerly served as a starting point for western expansion, found itself serving as a major transportation, and increasingly industrial, hub during this period of extensive growth. Natural resources like petroleum and coal allowed Western Pennsylvania to become one of the largest iron- and steel-producing regions in the world. The Chicago fairgrounds provided a lucrative opportunity for area companies not only to provide construction materials but to display the region's many products. While Pittsburgh's most famous contributions to the 1893 World's Fair—alternating current electricity and the Ferris wheel—had a lasting impact on the United States and the world, other exhibits provided a snapshot of the area's industries, natural resources, and inventions. The success of these exhibits, Brodt reveals, launched local companies into the twentieth century, ensuring a steady flow of work, money, and prestige.

Interstate Commerce Commission Reports Rowman & Littlefield

Shades of F. Scott Fitzgerald roam Princeton as lads and lasses walk the well-clipped paths between venerable university halls, while russet leaves flutter overhead from rows of sturdy trees. Visions of knights and their fair maidens come to mind as explorers wander around Lambert Castle, an 1892 sandstone and granite mansion that looms like a medieval fortress with rounded towers and turrets on a hillside below the cliffs of the Garret Mountain Reservation. For art lovers who like to stroll on lush lawns and enjoy the beauty around them, Grounds for Sculpture is the place to be seen in New Jersey. And, then there's always the 127 miles of beach along the state's east coast that make perfect day trips for swimming, boating, fishing, and other fun activities. Now in a revised and expanded 12th edition, *New Jersey Day Trips* offers everyone a fascinating journey through hundreds of tourist attractions in all corners of the Garden State. Plus, this comprehensive resource explores the most popular points just beyond the state's borders. Patrick Sarver has updated most entries and added more than twenty new points of interest to an already extensive list of destinations, making this the most sought-after guidebook about New Jersey. Attractions can be located easily by subject category, letting travelers zero in on places that appeal to them. Entries include descriptions, hours of operation, location, price range, telephone numbers, and Web sites, making this best seller a one-stop source of discovery for day trippers of all ages—an ideal travel guide for adults or families who live in or plan to visit New Jersey..

Problems of the elderly in Pennsylvania Rowman & Littlefield

Make the most of your visit to the historic sights and attractions Pennsylvania's capital and countryside have to offer with this guide by your side. Take a relaxed Old City ramble-site of the iconic Liberty Bell-or enjoy a concert at Penn's Landing, then finish your day by dining at the best restaurants. Discover DK Eyewitness Travel Guide: Philadelphia & the Pennsylvania Dutch Country. + Hotel and restaurant listings and recommendations. + Detailed itineraries and "don't-miss" destination highlights at a glance. + Illustrated cutaway 3-D drawings of important sights. + Floor plans and guided visitor information for major museums. + Guided walking tours, local drink and dining specialties to try, things to do, and places to eat, drink, and shop by area. + Area maps marked with sights and restaurants. + Detailed city maps include street finder index for easy navigation. + Insights into history and culture to help you understand the stories behind the sights. + Suggested day-trips and itineraries to explore beyond the city. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: Philadelphia & the Pennsylvania Dutch Country truly shows you this state as no one else can.

The Rotarian Taylor & Francis

50 one-day excursions using the Philadelphia and Lancaster areas as bases.

Happy Tails Across New Jersey Post Hill Press

Between 1867 - the year of the Alaskan purchase - and the beginning of World War I, Russian and American dignitaries, diplomats, businessmen, writers, tourists, and entertainers crossed between the two countries in surprisingly great numbers. Concord and Conflict provides the first comprehensive investigation of this highly transformational and fateful era in Russian-American relations. Excavating previously unmined Russian and American archives, Norman Saul illuminates these fifty significant - and open - years of association between the two countries. He explores the flow and fluctuation of economic, diplomatic, social, and cultural affairs; the personal and professional conflicts and scandals; and the evolution of each nation's perception of the other.

The Pennsylvania-German Rutgers University Press

In the middle of the Great Awakening, a group of religious radicals called Moravians came to North America from Germany to pursue ambitious missionary goals. How did the Protestant establishment react to the efforts of this group, which allowed women to preach, practiced alternative forms of marriage, sex, and family life, and believed Jesus could be female? Aaron Spencer Fogleman explains how these views, as well as the Moravians' missionary successes, provoked a vigorous response by Protestant authorities on both sides of the Atlantic. Based on documents in German, Dutch, and English from the Old World and the New, *Jesus Is Female* chronicles the religious violence that erupted in many German and Swedish communities in colonial America as colonists fought over whether to accept the Moravians, and suggests that gender issues were at the heart of the raging conflict. Colonists fought over the feminine, ecumenical religious order offered by the Moravians and the patriarchal, confessional order offered by Lutheran and Reformed clergy. This episode reveals both the potential and the limits of radical religion in early America. Though religious nonconformity persisted despite the repression of the Moravians, and though America remained a refuge for such groups, those who challenged the cultural order in their religious beliefs and practices would not escape persecution. *Jesus Is Female* traces the role of gender in eighteenth-century religious conflict back to the European Reformation and the beginnings of Protestantism. This transatlantic approach heightens our understanding of American developments and allows for a better understanding of what occurred when religious freedom in a colonial setting led to radical challenges to tradition and social order.

From the Steel City to the White City Hastings House Book Publishers

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

New York School Journal University of Pittsburgh Press

December 2055... a baseball-fanatic, 101-year-old man, dies and goes to heaven. Beyond blessed by being reunited with loved ones who have gone before, and meeting the two Guardian Angels who ushered him during his time on earth, he is embraced by The Other Side's peaceful, gentle, majestic, comforting, loving, and awe-inspiring beauty. As wonderful as it all is, including seeing Beethoven & Hendrix perform together on stage (John Prine the opening act), to paddle endless winding rivers with a back that never aches, play in baseball games that joyfully run for days yet never tire, it is the opportunity to be sent back to earth by Saint Peter for a decade-long (1911 through 1920) "human experience" that is most intriguing: with the opportunity to see, arguably, the greatest baseball player of them all, Ty Cobb, in action - viewed by a Tiger fan born 3 decades after Cobb retired. "Almost Heaven" takes you back to the 1910s, a decade that began with major league baseball teams constructing the first steel & concrete stadiums to replace their old wooden ballparks, and ends as the dead ball era of Detroit Tigers Ty Cobb & Wahoo Sam Crawford begins its metamorphosis into the live ball era of home run king Babe Ruth. The dead ball era (through 1919)

was an era noted for its scientific / small ball approach, when teams played for one run at a time by out-thinking the foe, bunting, stealing bases, "hittin' 'em where they ain't", creating a mental hazard for the opposition by doing the unexpected - and Ty Cobb was its leading practitioner.
