Broken men don't fall in love. We linger in the darkness, consumed by the sins that define us. Irina is the sole reason my heart beats. She's everything that matters in a world filled with evil that a woman so good and pure should never have to see. She'll add another scar to my collection - this one engraved on my heart. When she's taken by our enemy to use for his vengeance. Even knowing she can never be mine, I'll stop at nothing to see her safe. The Irina I rescue isn't the same feisty woman they stole. Her soul is broken. Her heart is hollow like mine, because of the things she's seen. She needs me in a way I've never known. And I will destroy the man who shattered what's mine. Scarred Regrets is a full-length standalone romance, but the series presents a better reading experience when following the suggested order. This series contains dark elements, including over-the-top antiheroes who do as they please. Read at your own

discretion.

The Man Who Ended History: A Documentary is a science fictional tale that examines a branch of science rarely encountered in genre fiction: historiography. How and why should our understanding of history change if eyewitness accounts by observers sent from the future are prioritized over contemporaneous documents? A finalist for the Hugo, Nebula, and Sturgeon awards, this story also won the Ignotus Award for Best Foreign Story in Spain. Ken Liu has called it the story he's most proud of having written.

THEY CAME FROM THE NORTH AND THE CITY FELL.The land of Falanor has been invaded by an albino army, the Army of Iron. A small band of heroes led by Kell, a magnificent and brutal hero, breaks out to warn the king. Fighting their way south, betrayal follows battle, battle follows deviation, and they are attacked on all quarters by deadly warriors, monstrous Harvesters who drain blood from their victims to feed their masters. And worse is to come, for Kell is anything but a hero. "Kell's Legend is loosely based on the traditional fantasy story, brave but world weary warrior type who just wants to retire from any bloodshed and finds himself forced to use his talents

of destruction. This tradition though is then bashed on the head and burried 6 feet deep with inclusion of the clockwork vampires creating a blend of fantasy horror and fantastic fight scenes. I mean really top quality fight scenes. One of Gemmell's most redeeming qualities as an author was his ability to write about fighting and war to such a degree that you almost felt like rushing through his novels to get to those bits. Kell's Legend fight scenes live up to this quality and elevate the novel way above the standard fare. Kell's Legend is a novel of power and scope, able to stand as a worthy successor to the Gemmell crown. 5\*\*\*\*\* " - Science Fiction & Fantasy Books

Paris, 1782. Pour la première fois, un opusculé anonyme mis en vente dans les magasins de nouveautés stipule que l'on va créer à Paris des " Catacombes ". L'adoption de ce mot pour désigner les sous-sols de la capitale se révèle vite un choix d'une efficacité redoutable. C'est jouer de la confusion entre carrières souterraines et ossuaire, un objet de fascination pour le public, c'est aussi marquer fermement, par ce nom évoquant la mort, l'opposition entre cette ville sous la cité et la Ville-lumière. Depuis, cette confusion a toujours été plus ou moins savamment entretenue, notamment dans la littérature, et c'est probablement la raison pour laquelle la fascination pour les catacombes est aujourd'hui plus vive que jamais. Avec Les catacombes, histoire du Paris souterrain, Gilles Thomas nous invite en fait à une double promenade : une randonnée dans les galeries établies au niveau des anciennes carrières souterraines de la Ville de Paris, mais également une déambulation dans la littérature du XIXe siècle à nos jours. En retraversant cette " littérature du sous-sol ", où l'on croise, entre autres, Balzac, Dumas, Gérard de Nerval ou Gaston Leroux, une littérature d'une grande richesse dont la source n'est pas près de se tarir, il nous fait découvrir le microcosme des " cataphiles ", nous présente des personnages hauts en couleur comme Charles-Axel Guillaumot, l'homme qui a consacré sa vie à sauver Paris, Philibert Aspairt, qui a disparu sous terre, ou encore le Commandant Jean-Claude Saratte, le premier " cataflic " de France. Il nous raconte enfin, avec force anecdotes et détails, l'histoire passionnante et méconnue de ces galeries qui serpentent sous nos pas.

A la toute fin de l'année 1793, alors que la Terreur fait rage, les voiles qui entouraient le mystère

de la naissance d'Emile vont enfin se lever, lui révélant le rôle qu'il est appelé à jouer dans les rangs de la secte de Mithra. Cornuauud, lui, n'en finit plus de retourner sa veste : tantôt volontaire de la Nation, tantôt du côté des insurgés, il sert invariablement ceux qui font couler le sang, car ainsi en a décidé la sorcière qui l'a " enjominé ". Ses pas lui feront traverser Nantes et la Vendée en flammes, où l'idéal de la Révolution s'est perdu dans une guerre civile meurtrière...

Prisonnier dans la cage d'or de Mithra, égaré dans le labyrinthe de l'haoma, l'élixir de la mémoire et de l'immortalité, fasciné par les yeux jaunes du Père des Pères sous la cagoule, Emile ne sait plus : est-il bien l'enfant d'une fée ? Est-il l'Atar de la fin des temps, le roi des rois dont l'avènement approche, puisque Terreur et Révolution ne sont qu'une étape d'un projet séculaire ? Que reste-t-il alors des filles des eaux et de la mission à lui confiée par Mélusine ? L'esprit du mal change en haine la souffrance des hommes, il les dresse les uns contre les autres. " Dans l'Ouest la guerre civile fait rage. Tantôt Bleu, tantôt combattant de l'armée catholique et royale, Cornuauud, lui, traverse à grands pas fougueux la Vendée en flammes, toujours possédé par la sorcière africaine, et regagne Nantes où Carrier fait de la Loire la " baignoire nationale " de la répression. Pierre Bordage clôt ici magistralement sa fantasy des années noires de la Révolution, dans le feu et le sang. Mais aussi " dans les chemins creux étroits veillés Parles genêts touffus ", dans " ce pays obscur et grave de son enfance ". En fin de compte, l'enjamineur est ce pays.

Three kingdoms. One man. A destiny written in blood. An epic new fantasy series begins . . .

Seemingly always the outsider, Gavril Andar - an impoverished young painter - yearns to join the privileged circles of Muscobar polite society. However, unbeknownst to him, he does have royal blood in his veins: the dark and powerful blood of a father he never knew - the Drakhaon, ruler of the isolated northern kingdom of Azhkendir. And when the Drakhaon is brutally murdered, an unwilling Gavril is forced to take up the mantle of both his father's rule - and his power. For blood will out. And the Drakhaon's carries within it a taint that gives its bearer access to awesome, unimagined magics - but at a soul-shattering price. Now trapped in this bleak, mist-shrouded land full of superstition and racked by bitter rivalries, Gavril faces an awesome task. He must find his father's killer and unite his fractured kingdom against those who see it as weak, defenceless and ripe for invasion before he pays the price of kinship and succumbs to the dread curse that uncoils within him . . . Richly imagined, full of intrigue, magic and dark romance and boasting a cast of superbly-drawn players, LORD OF SNOW AND SHADOWS is the first book in a thrilling new trilogy and marks the triumphant return of one of fantasy's most original and exciting voices.

« Ta qu'as appris à lire, Milo, te pourrais trouver béréde meu qu'un failli travail de commis. » Emile ne l'entend pas ainsi ; lui qu'on dit l'enfant d'une fée, élevé par un prêtre ouvert aux idées nouvelles, s'engage comme saisonnier dans une ferme de la plaine de Luçon. Nous sommes en 1792. Dans le bocage vendéen ulcéré par la Constitution civile du clergé, agité par une aristocratie crispée sur ses privilèges, la révolte couve... Cornuauud, lui, rentre au pays. Deux ans qu'il s'est embarqué sur un négrier. La Guinée, le Bénin, puis Saint-Domingue. Retour à « la Fosse » auprès d'une pègre nantaise qui s'investit désormais dans le club révolutionnaire Saint-Vincent. Les temps ont changé. Lui aussi, d'ailleurs. Une sorcière vaudoun l'a enjominé pour avoir violé une captive

africaine... À Paris, la rue est en ébullition. Mais derrière les affrontements œuvre une société secrète, la secte de Mithra, dont les maîtres demeurent dans l'ombre. La trilogie de L'enjamineur s'inscrit entre Paris, Nantes et la Vendée, de 1792 à 1794. Au roman historique se mêle la fantasy, à l'engrenage des événements la quête et le combat contre les forces du mal.

NEW YORK TIMES BESTSELLER • The end of the world was only the beginning. In his internationally bestselling and critically acclaimed novel *The Passage*, Justin Cronin constructed an unforgettable world transformed by a government experiment gone horribly wrong. Now the scope widens and the intensity deepens as the epic story surges forward . . . In the present day, as the man-made apocalypse unfolds, three strangers navigate the chaos. Lila, a doctor and an expectant mother, is so shattered by the spread of violence and infection that she continues to plan for her child’s arrival even as society dissolves around her. Kittridge, known to the world as “Last Stand in Denver,” has been forced to flee his stronghold and is now on the road, dodging the infected, armed but alone and well aware that a tank of gas will get him only so far. April is a teenager fighting to guide her little brother safely through a landscape of death and ruin. These three will learn that they have not been fully abandoned—and that in connection lies hope, even on the darkest of nights. One hundred years in the future, Amy and the others fight on for humankind’s salvation . . . unaware that the rules have changed. The enemy has evolved, and a dark new order has arisen with a vision of the future infinitely more horrifying than man’s extinction.
