So he decides to learn the guitar from scratch, start a band and play a gig before it's too late. On his journey of discovery, he picks up tips along the way from Johnny Marr and the Byrds' Roger McGuinn, and attempts to play Davey Graham's 'Anji'. Will his debut gig end in bum notes, 'musical differences' and disaster?

 The Searing Portrayal Of War That Has Stunned And Galvanized Generations Of Readers An immediate bestseller upon its original publication in 1939, Dalton Trumbo's stark, profoundly troubling masterpiece about the horrors of World War I brilliantly crystallized the uncompromising brutality of war and became the most influential protest novel of the Vietnam era. Johnny Got His Gun is an undisputed classic of antiwar literature that's as timely as ever. ?A terrifying book, of an extraordinary emotional intensity.--The Washington Post "Powerful. . . an eye-opener." --Michael Moore "Mr. Trumbo sets this story down almost without pause or punctuation and with a fury amounting to eloquence."--The New York Times "A book that can never be forgotten by anyone who reads it."--Saturday Review

 We started Mystic Guitar as an online shop in Old Mystic, Connecticut in December of 2013. Our intent was to seek out the unusual, the unique, the hard to find or the just plain cool! Not just guitars, but banjos, ukuleles, mandolins, dulcimers, pretty much anything with strings. We travelled all over New England, always on the lookout for sensational and sometimes bizarre instruments that many times have an incredible story to tell. In this book I have selected a few of the hundreds of instruments we have sold at Mystic Guitar over the years. All of them have a story to tell but unfortunately many of their stories are lost forever in the fog of the past. Read the stories and look at the pictures... I took them myself. - Joel Bergeron, Mystic Guitar.

Hope Edelman's iconic book, Motherless Daughters—in print for nearly twenty years—told the story of losing her mother to cancer at age seventeen. Now, in her first original e-book, Edelman chronicles the events leading up to and immediately following that crucial event. Set against the backdrop of suburban New York in the early 1980s, “The Sweetest Sex I Never Had” and “Bruce Springsteen and the Story of Us” tell the stories of a good girl gone raw and the two “bad” boys she turned to for escape. Part coming-of-age story and part cultural critique, Boys Like That weaves together the angst of adolescence, the discovery of sex, and the solace of rock and roll to create two unforgettable short memoirs about the exquisite pain of young love and the life-altering nature of loss.

It includes detailed discographies, personnel details, biographies, analysis of their music and, where applicable, rarity ratings for all the 80s and 90s acts featured.
