Simpsons Comics Barn Burner, brought to you by Matt Groening, the creator of The Simpsons, takes the blue-ribbon prize for being one jimdandy of a good time. Get ready for the dadburndest, rootin'-tootin'-est riot of cotton-pickin' Simpsons comics EVER! First, Bart takes his life in his hands when he rats out the school bullies. Next, Homer squares off against Diamond Joe Quimby when he runs for mayor. And when the kids from Springfield form their own boy band, nobody's eardrums are safe. Then watch

the oven mitts come off when Smithers moves in and starts catering to Homer's every need ... leaving Marge out in the cold. And read all about it when Bart makes headlines and learns the true meaning of yellow journalism. Cap it all off with a story of biblical proportions, and you've got one bronco-bustin', banjo-pluckin', cattle-rustlin', moonshinin', hog-tossin', tobacky-spittin', mule kickin', cousin-kissin' collection that'll have you promenadin' across the floor at the next ice-cream social. This big, burstin' barrel o' fun will have you plum-tuckered out from laughter.

For “fan[s] of all things Charlie Brown animated . . . gives you insight as to what . . . Charles M. Schultz felt about these TV and film adaptations” (MTV News). For the first time, this deluxe visual history treats Peanuts fans to an in-depth look at the art and making of the beloved animated Peanuts specials. From 1965's original classic A Charlie Brown Christmas through the 2011 release of Happiness Is a Warm Blanket, animation historian Charles Solomon goes behind the scenes of all

forty-five films, exploring the process of bringing a much-loved comic strip to life. The book showcases the creative development through the years with gorgeous, never-before-seen concept art, and weaves a rich history based on dozens of interviews with former Peanuts directors, animators, voice talent, and layout artists, as well as current industry folk. Filling a void in animation publishing—there is no other history or art book of the Peanuts specials—this volume celebrates five decades of the artistry and humor of Charles M. Schultz and the artists who reimagined the comic for the screen. “This engaging art book features dozens of interesting interviews, but the real treasure is all the often-seen images and little-seen artifacts associated with the five decades of Emmy-winning Peanuts specials.” —The Washington Post “The beautiful, display-worthy book unfolds the history of the Peanuts TV specials and is filled with interviews with the creators of the 'toons; insider scoop on the productions; and fun, exclusive material like storyboards, Charles Schulz's model sheets, scripts, original cels, and publicity materials.” —Yahoo! TV “A compelling

journey through Schulz's world.” —Sioux City Journal

From the television series comes a graphic novel devoted to an all-new, all-different, superhero - Bartman. It's so-long Superman as the one and only Bart Simpson takes to the roofs of Springfield to fight crime, champion the weak, and get to wear a cool purple mask and cape. *Simpsons Comics Chaos* Chronicle Books “Start off with a little ring-a-ding-ding from the new "King of Cool" Professor Frink, some harmless daydreaming from Bart's pal Milhouse, some bedtime nursery rhyming with Maggie Simpson, and a bit of back-in-the-day reminiscing from Mr. Burns. Even a tyke-sized Homer tries his hand at some magical wishing, and Ralph Wiggum does a little role modeling. Then, Sideshow Bob goes slumming to exact his revenge, Bart sets about reinvigorating his favorite superhero comic magazine, and Homer thinks he's seeing double when he discovers another brother from yet another mother”--Page 4 of cover.

*Simpsons Comics Madness* Titan Books (UK)

Matt Groening's newest collection of comic

stories, *Simpsons Comics Chaos*, is an uproarious, free-for-all of mirth and mayhem! Pandemonium breaks loose in Springfield when one cellphone call causes a commotion of cosmic proportions. Then, it's a hard knock life for Bart when a prank lands him in the Springfield Orphanage, where he is subjected to gruel and unusual punishment by Mr. Burns. Adding to the confusion, Homer decides to get a tattoo to prove his love to Marge and Krusty quits show biz to work at all places . . . the Springfield Nuclear Power Plant! And Ned Flanders suffers a bout of "Vertigo"-areeno when he becomes obsessed with a woman who is a dead ringer for his dearly departed wife! Then, Homer, Barney, and Duffman spring into action to save Duff Industries and the savory secret behind their new special brew . . . and stay tuned as some minor characters make some major moves by "spinning off" into their very own uninspired television series!

A cabaret from an Obie Award-winning, experimental playwright centers on the concept of mortality and includes a CD featuring six songs and monologues

performed by David Byrne, Laurie Anderson and Adam Horowitz. Original.

**Beach Blanket Bongo** Random House  
The Simpsons are living large and in charge with the most explosive colossal yet! Bart goes to work on the railroad; Homer stretches the boundaries of his mind and tries to color inside the lines; Lisa feels the good vibrations when Karma-Con comes to town; Grampa Simpson tells it like it is, was, or might have been; Pieman and Bartman take on both friends and foes alike; and to top it off, the Springfield Bear Patrol returns in their final and furriest adventure! And don't go ballistic while trying to build your very own Herman's Military Antiques store.

**Garfield Road Pizza** Harper Design  
The story of a rock and roll fun park, much loved by the famous and not-so-famous, told by those who were there, which is tricky because they partied non-stop, rarely slept and brutalised their brain cells. From Bondi Beach to Kings Cross and the CBD there was just too much music to play or hear, too much excess to exceed and too much indulgence to overindulge in. But too much was never enough, and the Bondi Lifesaver was their clubhouse.

Drastic reduction of carbon emissions is vital if we are to avoid a catastrophe that devastates large parts of the world. Governments and businesses have been slow to act - individuals need to take the lead now if we are to avoid climate chaos. Each Westener is responsible for an average 10 - 20 tonnes of carbon emissions each year (depending on where you live). In *How to Live a Low-Carbon Life*, Chris Goodall shows how easy it is to take responsibility, providing a comprehensive, one-stop reference guide to calculating your CO2 emissions and

reducing them to a more sustainable 2 tonnes a year.

Jim Morrison's electrifying live performances, and appetite for sexual and psychedelic experience enflamed the spirit of a generation. In *Jim Morrison*, critically acclaimed journalist Stephen Davis brings together insights gleaned from dozens of original interviews, long-lost recordings, and Morrison's own unpublished journals to create a vivid portrait of a

misunderstood genius. Each page brims with new details on every phase of Morrison's life, from his troubled youth in a strict military household, to his coming of age in the avant-garde scene of 1960s LA, his epic alcohol and drug binges, and sexual affairs. In a gripping final chapter, Davis synthesizes new evidence recently uncovered in Paris to resolve at last many of the mysteries surrounding Morrison's death, and reconstructs the final days and hours of America's greatest rock star. Compelling and harrowing, intimate and revelatory, *Jim Morrison* is the definitive biography of the rock god who defined the 1960s.

'I want you to keep on going back and back in your mind. And strange as it may seem you will find that there are other scenes in your memory. There are other scenes from faraway lands and distant places...' Bridey Murphy died over a century ago. A hundred years later, a normal American housewife lived Bridey's life under hypnosis, painting an utterly convincing picture of life in nineteenth-century Ireland. A sensational bestseller

when it was first published, this edition, thoroughly updated and revised, also addresses the critics of the Bridey Murphy

sessions.
