The Power Broker by Robert A. Caro is a riveting and timeless account of power, politics and the city of New York by the greatest political biographer of our times (tm) (Sunday Times) chosen by Time magazine as one of the 100 Best Non-Fiction Books of All Time and by the Modern Library as one of the 100 Greatest Books of the Twentieth Century. Now also a Sunday Times Bestseller. The Power Broker tells the story of Robert Moses, the single most powerful man in New York for almost half a century and the greatest builder America (and probably the world) has ever known. Without ever once being elected to office, he created for himself a position of supreme and untouchable authority, allowing him to utterly reshape the city of New York, turning it into the city we know today, while at the same time blighting the lives of millions and remaining accountable to no one. First published in 1974, this monumental classic is now widely acknowledged to be one of the greatest books of its kind.

An Alabama boy's innocence is shaken by murder and madness in the 1960s South in this novel by the New York Times–bestselling author of Swan

Song. It's 1964 in idyllic Zephyr, Alabama. People either work for the paper mill up the Tecumseh River, or for the local dairy. It's a simple life, but it stirs the impressionable imagination of twelve-year-old aspiring writer Cory Mackenson. He's certain he's sensed spirits whispering in the churchyard. He's heard of the weird bootleggers who lurk in the dark outside of town. He's seen a flood leave Main Street crawling with snakes. Cory thrills to all of it as only a young boy can. Then one morning, while accompanying his father on his milk route, he sees a car careen off the road and slowly sink into fathomless Saxon's Lake. His father dives into the icy water to rescue the driver, and finds a beaten corpse, naked and handcuffed to the steering wheel—a copper wire tightened around the stranger's neck. In time, the townsfolk seem to forget all about the unsolved murder. But Cory and his father can't. Their search for the truth is a journey into a world where innocence and evil collide. What lies before them is the stuff of fear and awe, magic and madness, fantasy and reality. As Cory wades into the deep end of Zephyr and all its mysteries, he'll discover that while the pleasures of childish things fade away, growing up can be a strange and beautiful ride. "Strongly echoing the childhood-elegies of King and Bradbury, and every bit their equal," Boy's Life, a winner of both the Bram Stoker and World Fantasy Awards, represents a brilliant blend of mystery and rich atmosphere, the finest work of one of today's most accomplished writers (Kirkus Reviews).

If you are just starting out or looking for a step up in industry, Modern Recording Techniques provides an in depth excellent read- the must have book

[Stories I Only Tell My Friends](#) CRC Press

Beginning in the early 1980s, readers' advisory services were a widely discussed topic in North American public libraries. By 2005, almost every public library in the United States and Canada offered some form of readers' advisory service. The services offered have changed significantly, in ways perhaps disadvantageous to adult North American library patrons. This book provides a critical history of readers' advisory philosophy and offers a new perspective on the evolution of the service. The book analyzes the debate that shaped readers' advisory and discusses how the service has assumed its present form. The study follows readers' advisory through its three prominent stages of development, beginning with the period 1870 to 1916, when the service was still a subject of much crucial debate about its meaning and purpose. During the second phase (1917 to 1962), readers' advisory systematically committed itself to meaningful adult education through serious and purposeful reading. The book argues, however, that during the most recent phase of readers' advisory, from 1963 until the present, contemporary public libraries have turned their backs on the rich heritage of readers' advisory services by valorizing the reading of entertainment-oriented and commodified genre titles and bestsellers. Historical analysis, case studies and statistical charts augment the book's central argument.

[Reading Beyond the Book](#) Nicolae Sfetcu

A teen idol at 15, and one of Hollywood's top stars to this day, Rob Lowe once lived a life of wild excess, leading to his quest for family and sobriety. In this book he chronicles his experiences as a painfully misunderstood child actor in Ohio, his days with the 'Brat Pack' and his forays into the world of politics.

Designed to complement every introductory library reference course, this is the perfect text for students and librarians looking to expand their personal reference knowledge, teaching failsafe methods for identifying important materials by matching specific types of questions to the best available sources, regardless of format. Guided by a national advisory board of educators and practitioners, this thoroughly updated text expertly keeps up with new technologies and practices while remaining grounded in the basics of reference work. Chapters on fundamental concepts, major reference sources, and special topics provide a solid foundation; the text also offers fresh insight on core issues, including ethics, readers' advisory, information literacy, and other key aspects of reference librarianship; selecting and evaluating reference materials, with strategies for keeping up to date; assessing and improving reference services; guidance on conducting reference interviews with a range of different library users, including children and young adults; a new discussion of reference as programming; important special reference topics such as Google search, 24/7 reference, and virtual reference; and delivering reference services across multiple platforms As librarians experience a changing climate for all information services professionals, in this book Cassell and Hiremath provide the tools needed to manage the ebb and flow of changing reference services in today's libraries.

Born on the streets. Made in the stars. Under constant threat of invasion, the future of mankind's colonies is uncertain. Enter Jim Trillion and his best friend, Sergei, two young grifters scraping a living in the oases resorts of Mars. Their dreams might be big but their prospects are shrinking one petty crime at a time. Their luck is running out. But after saving the life of a famous explorer, they receive the invitation of a lifetime—the chance to join a mysterious top secret academy and one day see the galaxy. If only it were that simple. The massing alien threat, Jim's unknown past, and the key to reaching the stars all propel them on a journey of self-discovery into the thrilling and terrifying unknown. There the ultimate prize awaits, a prize that could change everything: the Star Binder.

The e-book guide for publishers: how to publish, EPUB format, ebook readers and suppliers. An electronic book (also e-book, ebook, electronic book, digital book) is a book-length publication in digital form, consisting of text, images, or both, and produced on, published through, and readable on computers or other electronic devices. An e-book can be purchased/borrowed, downloaded, and used immediately, whereas when one buys or borrows a book, one must go to a bookshop, a home library, or public library during limited hours, or wait for a delivery. Electronic publishing or ePublishing includes the digital publication of e-books and electronic articles, and the development of digital libraries and catalogues. EPUB (short for electronic publication; alternatively capitalized as ePub, ePUB, EPub, or epub, with "EPUB" preferred by the vendor) is a free and open e-book standard by the International Digital Publishing Forum (IDPF). Self-publishing is the publication of any book or other media by the author of the work, without the involvement of an established third-party publisher. One of the greatest benefits brought about by ebooks software is the ability for anyone to create professional ebooks without having to fork out thousands of dollars to design and publish a book. People can easily become authors overnight and earn income from selling online ebooks.

The 7th novel in the Strike series, THE RUNNING GRAVE, is coming in September 2023. Pre-order now and be the first to read it THE NUMBER ONE SUNDAY TIMES BESTSELLER, JULY 2023 'A superlative piece of crime fiction' SUNDAY TIMES 'There can be no denying [Galbraith's] considerable talents as a crime writer' GUARDIAN 'Fans will be as entranced as ever' DAILY MAIL When frantic, dishevelled Edie Ledwell appears in the office begging to speak to her, private detective Robin Ellacott doesn't know quite what to make of the situation. The co-creator of a popular cartoon, The

Ink Black Heart, Edie is being persecuted by a mysterious online figure who goes by the pseudonym of Anomie. Edie is desperate to uncover Anomie's true identity. Robin decides that the agency can't help with this - and thinks nothing more of it until a few days later, when she reads the shocking news that Edie has been tasered and then murdered in Highgate Cemetery, the location of The Ink Black Heart. Robin and her business partner Cormoran Strike become drawn into the quest to uncover Anomie's true identity. But with a complex web of online aliases, business interests and family conflicts to navigate, Strike and Robin find themselves embroiled in a case that stretches their powers of deduction to the limits - and which threatens them in new and horrifying ways . . . A gripping, fiendishly clever mystery, The Ink Black Heart is a true tour-de-force.

[After On](#) Bloomsbury Publishing

Humanity listened to the night sky. What we heard shattered the world. Listen. Just once. That's it. As soon as you hear it, it has you. And once it has you, it's over. You may think you're in control. You're not. You want one more listen. You want to look at that strange spot in the sky. The one that's been slowly growing. The one that didn't make sense... until you listened. You want to listen again, and you will do whatever it takes to make everyone else listen. By any means necessary. Even if it kills you. Just one more listen. One more.Listen.

[Dogs of War](#) American Library Association

My name is Rex. I am a good dog. Rex is also seven foot tall at the shoulder, bulletproof, bristling with heavy calibre weaponry and his voice resonates with subsonics especially designed to instil fear. With Dragon, Honey and Bees, he's part of a Multiform Assault Pack operating in the lawless anarchy of Compeche, Mexico. As a genetically engineered Bioform, Rex is a deadly weapon in a dirty war. But all he wants to be is a Good Dog. And to do that he must do exactly what Master says and kill a lot of enemies. But who, exactly, are the enemies? What happens when Master is tried as a war criminal? What rights does the Geneva Convention grant weapons? Do Rex and his fellow Bioforms even have a right to exist? And what happens when Rex slips his leash?

[Carrier Wave](#) Open Road Media

Let's talk about True Strength. Not one-dimensional strength. Not strength "tricks" that will fail you sooner or later when you're in competition and it really matters. We're talking true, whole-hearted, down-to-throw-weight-at-any-time strength.Robert Oberst is a Pro Strongman who has done it all and seen it all when it comes to the strength game. 'Creating a Monster' is his no-nonsense manual for real strength and steady, reliable progress. Interested in getting brutally strong and have a body that is prepared for battle? Pick up 'Creating a Monster' and get working on what matters.

[American Prometheus](#) Taylor & Francis

In a nightmarish, post-holocaust world, an ancient evil roams a devastated America, gathering the forces of human greed and madness, searching for a child named Swan who possesses the gift of life.

[Cardinal Black](#) Rowman & Littlefield

Don't miss The Pharos Gate, the final volume in the Griffin & Sabine story. Published simultaneously with the 25th-anniversary edition of Griffin & Sabine, the book finally shares what happened to the lovers. Griffin: It's good to get in touch with you at last. Could I have one of your fish postcards? I think you were right—the wine glass has more impact than the cup. -Sabine But Griffin had never met a woman named Sabine. How did she know him? How did she know his artwork? Who is she? Thus begins the strange and intriguing correspondence of Griffin and Sabine. And since each letter must be pulled from its own envelope, the reader has the delightful, forbidden sensation of reading someone else's mail. Griffin & Sabine is like no other illustrated novel: appealing to the poet and artist in everyone and sure to inspire a renaissance in the fine art of letter-writing, it tells an extraordinary story in an extraordinary way.

[Readers' Advisory Service in North American Public Libraries, 1870-2005](#) Atlantic Books

'Wishful Drinking is a touching and incisive account of bipolarity, addiction and motherhood.' Independent 'No motive is pure. No one is good or bad - but a hearty mix of both. And sometimes life actually gives to you by taking away.' Carrie Fisher in Wishful Drinking In Wishful Drinking, Carrie Fisher told the true and intoxicating story of her life with inimitable wit. Born to celebrity parents, she was picked to play a princess in a little movie called Star Wars when only 19 years old. "But it isn't all sweetness and light sabres." Alas, aside from a demanding career and her role as a single mother (not to mention the hyperspace hairdo), Carrie also spends her free time battling addiction and weathering the wild ride of manic depression. It's an incredible tale: from having Elizabeth Taylor as a stepmother, to marrying (and divorcing) Paul Simon, and from having the father of her daughter leave her for a man, to ultimately waking up one morning and finding a friend dead beside her in bed. Carrie Fisher's star-studded career included roles in numerous films such as The Blues Brothers and When Harry Met Sally. She was the author of four bestselling novels, Surrender in the Pink, Delusions of Grandma, The Best Awful and Postcards from the Edge, which was made into a hit film starring Shirley MacLaine and Meryl Streep. Carrie's experience with addiction and mental illness - and her willingness to talk honestly about them - made her a sought-after speaker and respected advocate. She was truly one of the most magical people to walk among us. Further praise for Carrie Fisher:- [Shockaholic] is the finest, funniest chronicler of the maddest celebrity mores.' Sunday Times 'Fisher has a talent for lacerating insight that masquerades as carefree self-deprecation' Los Angeles Times 'She is one of the rare inhabitants of La-La Land who can actually write' New York Times

[Creating a Monster](#) Dogs of War

Literary culture has become a form of popular culture over the last fifteen years thanks to the success of televised book clubs, film adaptations, big-box book stores, online bookselling, and face-to-face and online book groups. This volume offers the first critical analysis of mass reading events and the contemporary meanings of reading in the UK, USA, and Canada based on original interviews and surveys with readers and event organizers. The resurgence of book groups has inspired new cultural formations of what the authors call "shared reading." They interrogate the enduring attraction of an old technology for readers, community organizers, and government agencies, exploring the social practices inspired by the sharing of books in public spaces and revealing the complex ideological investments made by readers, cultural workers, institutions, and the mass media in the meanings of reading.

The importance and understanding of inclusiveness in education has become an integral part of the education system. With emphasis on the well-being of families and children alike, the concept of an inclusive learning environment continues to focus on the interests of the child as a whole, not their condition, and this approach is at the forefront of supporting their emotional and educational well-being. Now fully updated, this new edition of Supporting Inclusive Practice encourages the ongoing practice of inclusion with discussions, guidance and advice on how to build an inclusive environment. This book encourages debate, reflection and discussion when relating to the teaching of: children with English as an additional language gifted and talented children children with autism and physical and sensory disabilities children who have suffered loss, grief and bereavement

children in Care or being 'looked after'. Helping you to promote children's independence and emotional resilience, and with advice on working with families and professional agencies, this book is integral to all those at university training to work in the education sector, as well as teachers and teaching assistants who are truly looking to achieve inclusive practice in their classroom.

What is e-book? Profile Books

This book takes students step-by-step through the process of planning and writing a reflective essay, beginning with crucial guidance on planning and structure. It introduces different reflective frameworks and shows readers how to structure a piece of writing according to a particular framework. Chapters contain a wealth of activities and exercises which will help build students' skills and confidence. Suitable for students of all health-related disciplines in which written assignments requiring reflective practice are required.
