The Deal Pan Macmillan

From the international number one bestselling thriller writer, David Baldacci, comes a gripping mystery about a college football player's investigation into the unsolved disappearance of a fellow player who seemingly vanished into thin air. Previously published as *The Mighty Johns*, *The Final Play* is an ebook novella from bestselling author David Baldacci. Forty years ago, Herschel Ruggles, a legend on

the Mighty Johns football team at Draven University, disappeared after scoring a record-breaking touchdown in front of 25,000 spectators. Ruggles, instead of celebrating, continued running, ball in hand, into a passageway that led under the field. He was never seen again. His disappearance had mystified the community for decades until another player, brilliant physics major, Merlin North, turns detective and becomes fixated on discovering what happened to Herschel Ruggles. As North's investigation deepens, he uncovers evidence which suggests that dark forces played a hand in

Ruggles' fate, revealing a truth even more extraordinary than he could ever have anticipated.

Pan Macmillan

A gripping thriller from David Baldacci, *The Last Mile* is perfect for fans of Lee Child and James Patterson. Memories can be a real killer. Melvin Mars awaits his fate on

Death Row. He was one of America's most promising football stars until, aged twenty, he was arrested and convicted for the murder of his parents just as he was due to begin a very lucrative contract with the NFL. When Amos Decker, newly appointed special agent with the FBI, hears the news that Melvin was saved in the final seconds before his execution because someone has confessed to the killings, he persuades his boss to allow him to carry out an investigation into the Mars murders. There are facts about the case which don't add up, and as the investigation deepens, Decker and his team uncover layer upon layer of lies and deception which are rooted at a time in American history which most would rather forget, but some seem keen to remember. There is someone out there with a lot to hide, and a secret that everyone is looking for. A race against time ensues because, when revealed, that information threatens to tear apart the corridors of power at the very highest level. The case proves to be life-changing for both Mars and Decker in ways that neither could ever have imagined. The Last Mile is the second in the Amos Decker series, following Memory Man. Continue
