"Managerial styles are influenced by habit, familiarity, and workplace culture. It's no wonder that well-intentioned professionals doing their best to be good organizational leaders often repeat unhelpful supervisory practices

experienced in their early careers, even if they disliked them at the time. In the DUH! Book of Management and Supervision, the author disagrees with many accepted leadership principles (unabashedly referring to them as myths) and makes new and different approaches easier to imagine. Her challenging and controversial concepts illustrated with poignant stories suggest common-sense and immediately applicable alternatives more suitable in today's workplace"--Back cover.

5x8 Starkishia: Estrella is a story about a little girl who grew up too fast to feel the grass wear thin under the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became her

sanctuary where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her clothing as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the maggot hands of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disregarded by the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly dominated by her husband. Starkishia loved her mother above all else; her step-father who provided shelter for them witnessed her birth and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down the dark road alone; yet in some fortunate way humanity was always within reach. After her parents split up, Starkishia and her family ended up in Texas. Single parenthood changed their family structure forevermore. Starkishia became a wage earner at age 13; she also became homeless the following

year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Yes, she was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Many readers will identify with her; for, she walked away from her husband broken hearted; then, she fell in love with another man, and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her parental absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but through grace she eventually became a productive woman in American society. Meredith Etc., a

small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings. Meredith Coleman McGee, Publisher/Acquisition Editor Meredith Etc., a small press Jackson, Mississippi, USA www.meredithetc.com

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily

married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Even in 1960s Detroit, race isn't everything. Tom Daniels and "Cookie" Marsh will be the first to tell you that race isn't everything. But it did shape the way they experienced the world growing up in Detroit in the 1950s and 60s. Tom "Cookie" Marsh grew up in a black neighborhood on Detroit's west side. Tom Daniels grew up in a mixed, working-class neighborhood on Detroit's east side. Both men grew up in strict households where they "always got what we needed, and sometimes what we wanted" and both saw their city, their country, and their world transform around them through the Civil Rights movement, riots, and the Viet Nam War. But sometimes parallel lines intersect. As each man tells his story, it is apparent that race isn't just "black and white" but it is part of what makes their friendship extraordinary. Their

experiences will show you that race made for huge differences in their experiences, while, in spite of race, there are also touching similarities that made it possible for two men, in their older years, to overcome decades of racial turbulence of their upbringing to become lifelong friends. Follow Tom and Cookie. Hear about their lives, their upbringing, their successes and regrets growing up in black and white Detroit - and how when it boils down to it, the things that are truly important are actually black and white, like you and me.

Marcus Abaddon has been

"chosen" to carry out a corrupt United States government agenda by crime lord Devin Bolos. Alongside Charles, Bolos runs an illegal drug operation, which includes some "atypical" chemicals that begin to alter Abaddon's state of mind. However, throughout the book Abaddon cannot help but feel the pull of holy spirit within (God) as he fights a spiritual warfare before seeking the spiritual guidance needed from old classmate Josh Slothers. Josh has become a successful pastor of a large church near Abaddon. As the end draws near for a clueless Abaddon, he is duped into a catastrophic event that ignites the government's push for a new world order, a concept very prevalent in today's society. God's power, however, is unbreakable, and Christian's are reminded to keep the faith and push forward in a coming time of despair. *The "Real Easy" Ear Training Book* Fuller Street Music & Media When bad boy movie star Gage Maddox thinks his starlet girlfriend has cheated on him this alpha male wants pretty much everyone's head on a platter. He heads home to

his family's estate to regroup and put his plans in action. But what happens when information comes to light that may prove her innocence? What would the hotshot leading man do to get even with the people who tried to destroy the one thing that means everything to him?

A child's dream takes us on a journey through space. The child looks for a place to land while exploring each planet, but some are too hot, some are too cold, and some are just made of liquid and gas. Only planet Earth is just right. Fun rhyming text introduces children to each planet and basic facts about it. The text is accompanied by stunning images of a rocket traveling through the solar system, interspersed by close up images of each planet in order. While each planet is amazing in its own way, there is only one we can call home. If parents choose, this can be the start to a conversation about how we can take better care of our planet.
