Since its first publication in France in 1969, Fernand Point's 'Ma Gastronomie' has taken its place among the true classics of French gastronomy. It is as celebrated for Point's wise, witty and provocative views on food as for his remarkable, inventive recipes, carefully compiled from his handwritten notes.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "The French Laundry Cookbook." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

The Defined Dish Nourish Books

Named a Best Book of 2020 by Publisher's Weekly Named a Best Cookbook of 2020 by Amazon and Barnes & Noble "Every elegant page projects Keller's high standard of 'perfect culinary execution' . . . This superb work is as much philosophical treatise as gorgeous cookbook." —Publishers Weekly, STARRED REVIEW Bound by a common philosophy, linked by live video, staffed by a cadre of inventive and skilled chefs, the kitchens of Thomas Keller's celebrated restaurants—The French Laundry in Yountville, California, and per se, in New York City—are in a relationship unique in the world of fine dining. Ideas bounce back and forth in a dance of creativity, knowledge, innovation, and excellence. It's a relationship that's the very embodiment of collaboration, and of the whole being greater than the sum of its parts. And all of it is captured in The French Laundry, Per Se, with meticulously detailed recipes for 70 beloved dishes, including Smoked Sturgeon Rillettes on an Everything Bagel, "The Whole Bird," Tomato Consommé, Celery

Root Pastrami, Steak and Potatoes, Peaches 'n' Cream. Just reading these recipes is a master class in the state of the art of cooking today. We learn to use a dehydrator to intensify the flavor and texture of fruits and vegetables. To make the crunchiest coating with a cornstarch-egg white paste and potato flakes. To limit waste in the kitchen by fermenting vegetable trimmings for sauces with an unexpected depth of flavor. And that essential Keller trait, to take a classic and reinvent it: like the French onion soup, with a mushroom essence stock and garnish of braised beef cheeks and Comté mousse, or a classic crème brûlée reimagined as a rich, creamy ice cream with a crispy sugar tuile to mimic the caramelized coating. Throughout, there are 40 recipes for the basics to elevate our home cooking. Some are old standbys, like the best versions of beurre manié and béchamel, others more unusual, including a ramen broth (aka the Super Stock) and a Blue-Ribbon Pickle. And with its notes on technique, stories about farmers and purveyors, and revelatory essays from Thomas Keller—"The Lessons of a Dishwasher," "Inspiration Versus Influence," "Patience and Persistence"—The French Laundry, Per Se will change how young chefs, determined home cooks, and dedicated food lovers understand and approach their cooking.

Gino's Italian Family Adventure The French Laundry Cookbook

Offers one hundred and fifty recipes from the French Laundry kitchen, including "parmigiano-reggiano crisps with goat cheese mousse", "shrimp with avocado salsa", and "strawberry and champagne terrine"

A revolution in cooking *Sous vide* is the culinary innovation that has everyone in the food world talking. In this revolutionary new cookbook, Thomas Keller, America's most respected chef, explains why this foolproof technique, which involves cooking at precise temperatures below simmering, yields results that other culinary methods cannot. For the first time, one can achieve short ribs that are meltingly tender even when cooked medium rare. Fish, which has a small window of doneness, is easier to finesse, and shellfish stays succulent no matter how long it's been on the stove. Fruit and vegetables benefit, too, retaining color and flavor while undergoing remarkable transformations in texture. The secret to *sous vide* is in discovering the precise amount of heat required to achieve the most sublime results. Through years of trial and error, Keller and his chefs de cuisine have blazed the trail to perfection—and they show the way in this collection of never-before-published recipes from his landmark restaurants—The French Laundry in Napa Valley and *per se* in New York. With an introduction by the eminent food-science writer Harold McGee, and artful photography by Deborah Jones, who photographed Keller's best-selling The French Laundry Cookbook, this book will be a must for every culinary professional and anyone who wants to up the ante and experience food at the highest level.

In this, his fourth big cookbook, the award-winning chef John Besh takes another deep dive into the charm and authenticity of creole cooking inspired by his hometown, New Orleans. *Besh Big Easy: 101 Home-Cooked New Orleans Recipes*, is a fresh and delightful new look at his signature food. *Besh Big Easy* will feature all new recipes and easy dishes, published in a refreshing new flexibound format and accessible to cooks everywhere. Much has changed since Besh wrote his bestselling *My New Orleans* in 2009. His restaurant empire has grown from two to twelve acclaimed eateries, from the highly praised Restaurant August to the just opened farm-to-table taqueria, Johnny Sanchez. John's television career has blossomed as well. He's become known to millions as host of two national public television cooking shows based on his books and of *Hungry Investors* on Spike TV. *Besh Big Easy* is dedicated to accessibility in home cooking and Orleans cuisine. "There's no reason a good jambalaya needs two dozen ingredients," John says. In this book, jambalaya has less than ten, but sacrifices nothing in the way of flavor and even offers exciting yet simple substitutions. With 101 original, personal recipes such as Mr. Sam's Stuffed Crabs, Duck Camp Shrimp & Grits, and Silver Queen Corn Pudding, *Besh Big Easy* is chock-full of the vivid personality and Louisiana flavor that has made John Besh such a popular American culinary icon. Happy eating!

IACP Award Winner 2019 marks the twenty-fifth anniversary of the acclaimed French Laundry restaurant in the Napa Valley—"the most exciting place to eat in the United States" (The New York Times). The most transformative cookbook of the century celebrates this milestone by showcasing

the genius of chef/proprietor Thomas Keller himself. Keller is a wizard, a purist, a man obsessed with getting it right. And this, his first cookbook, is every bit as satisfying as a French Laundry meal itself: a series of small, impeccable, highly refined, intensely focused courses. Most dazzling is how simple Keller's methods are: squeegeeing the moisture from the skin on fish so it sautées beautifully; poaching eggs in a deep pot of water for perfect shape; the initial steeping in the shell that makes cooking raw lobster out of the shell a cinch; using vinegar as a flavor enhancer; the repeated washing of bones for stock for the cleanest, clearest tastes. From innovative soup techniques, to the proper way to cook green vegetables, to secrets of great fish cookery, to the creation of breathtaking desserts; from *beurre monté* to *foie gras au torchon*, to a wild and thoroughly unexpected take on coffee and doughnuts, The French Laundry Cookbook captures, through recipes, essays, profiles, and extraordinary photography, one of America's great restaurants, its great chef, and the food that makes both unique. One hundred and fifty superlative recipes are exact recipes from the French Laundry kitchen—no shortcuts have been taken, no critical steps ignored, all have been thoroughly tested in home kitchens. If you can't get to the French Laundry, you can now re-create at home the very experience Wine Spectator described as "as close to dining perfection as it gets."

#1 New York Times Bestseller Winner, IACP Cookbook Award for Food Photography & Styling (2013) Baked goods that are marvels of ingenuity and simplicity from the famed Bouchon Bakery The tastes of childhood have always been a touchstone for Thomas Keller, and in this dazzling amalgam of American and French baked goods, you'll find recipes for the beloved TKOs and Oh Ohs (Keller's takes on Oreos and Hostess's Ho Hos) and all the French classics he fell in love with as a young chef apprenticing in Paris: the baguettes, the macarons, the mille-feuilles, the tartes aux fruits. Co-author Sebastien Rouxel, executive pastry chef for the Thomas Keller Restaurant Group, has spent years refining techniques through trial and error, and every page offers a new lesson: a trick that assures uniformity, a subtlety that makes for a professional finish, a flash of brilliance that heightens flavor and enhances texture. The deft twists, perfectly written recipes, and dazzling photographs make perfection inevitable.

Winner of the Guild of Food Writers Drinks Book Award 2021 Shortlisted for the André Simon Food and Drink Book Awards 2020 "Noble Rot manages to unravel the mysteries of wine with insight and humour. A wonderful - and essential - read for anyone interested in the world of wine, or even for those, like me, who just drink it." — Nigella Lawson "The Noble Rot guys have the ability to describe wines as if they're either future friends, or rock-stars coming to blow your mind." — Caitlin Moran "Noble Rot has brought originality, humour and now space travel to the very serious business of drinking wine. About time too." — Brian Eno "Dan and Mark do that thing that only crazy knowledgeable enthusiasts can do, they make you a crazy enthusiast too. If they said, 'We've found a wine like no other, a wine that actually lights up the sky, but you can only drink it in the desert at midnight, are you coming? I'd be off, and I'd be confident of meteor showers. They provoke curiosity - 'how does anyone make this extraordinary drink just with grapes?' - excitement, joy, and a longing for knowledge. Now, in this book, they're sharing the knowledge." — Diana Henry "To really know and love a wine one should know the grower and the vineyard. This isn't always or even often possible, which is why the Rotters introduce these wines at source. You learn that making wine, as cooking should be, is an act of love. You will come to love this book too." — Rowley Leigh Choosing wine in a restaurant or shop can seem an unfathomable business. But, according to Dan Keeling and Mark Andrew, the duo behind London's Noble Rot, it needn't be that way. In *Wine from Another Galaxy* they'll help you to understand how it is made, where to buy it, what to look for when you drink it, and how to talk about it. And once you've mastered the basics, they'll take you on a journey through the best of European wine culture, meeting the people and places behind their favourite bottles. Indeed, Dan and Mark have spent years visiting growers that you probably haven't heard of, from the original thinkers of the natural wine movement to the iconic estates of Burgundy and Bordeaux. This is the alternative, accessible, no-holds-barred guide to wine, where the usual clichés and rules don't apply.

Two award-winning books in one box offer a lifetime of learning for anyone who loves fine food. From two acclaimed restaurants came two of the most acclaimed, award-winning cookbooks ever

published—now packaged together in a luxurious slipcased boxed set, the ideal holiday gift for any food lover. First there was French Laundry in Napa Valley, setting a new standard for American fine dining. Then there was The French Laundry Cookbook, setting a new standard for American cookbooks. Whereas Ad Hoc at Home offers a huge happiness-inducing collection of family-style recipes that includes lunch-counter favorites—lemon meringue and cherry pie; such

classics as Buttermilk Fried Chicken and Herbed Rack of Lamb, plus Thomas's mom's coconut cake and his dad's favorite meatballs—The French Laundry Cookbook is a culinary ode to finesse. Every recipe in it has become a classic: from Keller's Salmon Cornets to his Oysters and Pearls and Butter-Poached Lobster.
