Chicalia Prime: a planet whose population is divided between the Light and the Dark – designations denoting physical attributes and nothing else. It is a small and insignificant planet with a plethora of political problems. However, the intricate aftermath to the climax of those problems has spent the

last fifty neras or so weaving itself into the fabric of the over-arching authority – the Galactic Fleet – and the purviews thereof. And while it is becoming increasingly evident that there are other forces working against the Fleet yet simultaneous to those intricacies, it is clear that the offspring of Chicalia’s political problems and those loyal to them and their causes will completely re-shape the government of the Fleet – transferring the Fleet’s seat of power from Galactica Triune to the soon-to-be not-so-insignificant Chicalia Prime. One of those intricacies, Captain Shanteela Ka-Lantrel – or Kaylen to her close friends – in command of the Fleet’s crown jewel, Destiny, knows nothing of the Royal blood that runs through her veins. But Kaylen’s destiny along with those under her command have become entwined with that of another – the exiled OverLord Assassin Thetuderal “Thetu” Shaliagn – and his many brothers in arms. So, as life still continues back on Chicalia Prime, it seems the future of the Fleet and, therefore, the galaxy, is being prophetically and passionately unlocked with Thetu and Kaylen at its epi-center. “Out of the ashes of a flawed foundation and damaged framework, Sha’Hylira shall raise an invincible government that will proclaim His name to the far corners of the universe.”

While navigating a particularly difficult relationship with her family and uncovering their lies, Sandy attempts to make her way through life without giving credence to her dream. As time goes on, she sees more and more signs that her dream is real, and that she needs to follow the signs to find out the answer to the questions in the dream. She stumbles adventurously through life in a Forrest Gumpian fashion for many years, trying to sidestep the signs in her dream. Eventually, she gives in and makes her move to unravel the dream and find out what her vision of her destiny really means. The Destiny Dream is a period specific (1980's and 1990's) story with a lot of international and mystical action and adventure that is a great read for most ages and a great book to carry along to the beach this summer.

New York, 1909: Fifteen-year-old Cetta arrives on a freighter with nothing but her infant son Natale: strikingly blond, dark-eyed, and precocious.

They've fled the furthest reaches of southern Italy with the dream of a better life in America. But even in the "Land of the Free," the merciless laws of gangs rule the miserable, poverty-stricken, and crime-filled Lower East Side. Only those with enough strength and conviction survive. As young Natale grows up in the Roaring Twenties, he takes a page from his crippled mother's book and finds he possesses a certain charisma that enables him to charm the dangerous people around him ... Weaving Natale's unusual life and quest for his one true love against the gritty backdrop of New York's underbelly, Di Fulvio proves yet again that he is a master storyteller as he constructs enticing characters ravaged by circumstance, driven by dreams, and awakened by destiny. Haunting and luminous, this masterfully written blend of romance, crime, and historical fiction will thrill lovers of turn-of-the-century dramas like "Once Upon a Time in America" and "Gangs of New York." About the Author: Luca Di Fulvio as born in 1957 in Rome where he now works as an independent author. His versatile talent allows him to write riveting adult thrillers and cheerful children's stories (published under a pseudonym) with equal ease. One of his previous thrillers, "L'Impagliatore," was filmed in Italian under the title "Occhi di cristallo." Di Fulvio studied dramaturgy in Rome where he was mentored by Andrea Camilleri.

“The magic here is not the supernatural kind, but rather an attention to the grace of the ordinary. It is the magic of watching these women come into their power.”—New York Times A GMA Buzz Pick! A Most Anticipated Book by Essence · The Millions · Atlantic Journal Constitution · Glamour · Teen Vogue · Bustle · BookPage · Nashville Scene · Ms. Magazine · Parnassus Musing A Best Book of February by Washington Post · Nylon · BookRiot In this glittering triptych novel, Suzette, Maple and Agnes, three Black women with albinism, call Shreveport, Louisiana home. At the bustling crossroads of the American South and Southwest, these three women find themselves at the crossroads of their own lives. Suzette, a pampered twenty-year-old, has been sheltered from the outside world since a dangerous childhood encounter. Now, a budding romance with a sweet mechanic allows Suzette to seek independence, which unleashes dark reactions in those closest to her. In discovering her autonomy, Suzette is forced to decide what she is willing to sacrifice in order to make her own way in the world. Maple is reeling from the unsolved murder of her free-spirited mother. She flees the media circus and her judgmental grandmother by shutting herself off from the world in a spare room of the motel where she works. One night, at a party, Maple connects with Chad, someone who may understand her pain more than she realizes, and she discovers that the key to her mother's death may be within her reach. Agnes is far from home, working yet another mind-numbing job. She attracts the interest of a lonely security guard and army veteran who's looking for a traditional life for himself and his young son. He's convinced that she wields a certain “magic,” but Agnes soon unleashes a power within herself that will shock them both and send her on a trip to confront not only her family and her past, but also herself. This novel, told in three parts, is a searing meditation on grief, female strength, and self-discovery set against a backdrop of complicated social and racial histories. *Nobody's Magic* is a testament to the power of family—the ones you're born in and the ones you choose.
