Mrs. Murakami's Garden Ballantine Books

The hilarious and heartwarming new novel from the author of Fried Green Tomatoes at the Whistle Stop Cafe Wisconsin, 1941 - With all the men off to war, Fritzi and her sisters must learn men's work and the All-Girl Filling Station is born, complete with neat little caps, short skirts, and roller-skates. Their peace doesn't last long though: skilled women are needed to fly planes for the war effort... Alabama, 2005 - Mrs Sookie Earle has just married off the last of her daughters and is looking forward to putting her feet up. But then one day a package arrives. Its contents knock Sookie sideways, propelling her back to the 1940s, and four irrepressible sisters whose wartime adventures force them to reimagine who they are, and what they are capable of. 'Flagg is a writer of great warmth and wisdom... A richly

imagined family saga' The Times 'Wonderful... A warm, funny riff on family and identity' Daily Mail

Profile Books

FRIED GREEN TOMATOES AT THE WHISTLE STOP CAFE is the story of two women in the 1980s, of gray-headed Mrs. Threadgoode telling her life story to Evelyn, who is in the sad slump of middle age. The tale she tells is also of two women-of the irrepressibly daredevilish tomboy Idgie and her friend Ruth-who back in the thirties ran a little place in Whistle Stop, Alabama, a Southern kind of Cafe Wobegon offering good barbecue and good coffee and all kinds of love and laughter, even an occasional murder. And as the past unfolds, the present-for Evelyn and for us-will never quite be the same.

The Cupid Effect Simon and Schuster

the perfect plan to end it all. And that's when strange things start happening. As Maggie finds herself catapulted into one surprising discovery after another, she learns valuable lessons about the nature of friendship, the challenges of modern life and the dangers of impossible dreams. She also learns that everybody, dead or alive, has at least one little secret...

NEW YORK TIMES BESTSELLER • A heartwarming novel about secrets of youth rediscovered, hometown memories, and the magical moments in ordinary lives, from the beloved author of *Fried Green Tomatoes at the Whistle Stop Cafe* "A gift, a blessing and a triumph . . . celebrates the bonds of family and friends—and the possibilities of recovery and renewal."—The Free Lance-Star Bud Threadgoode grew up in the bustling little railroad town of Whistle Stop with his mother, Ruth, church-going and proper, and his Aunt Iddie, the fun-loving hell-raiser. Together they ran the town's popular Whistle Stop Cafe, known far and wide for its fun and famous fried green tomatoes. And as Bud often said of his childhood to his daughter Ruthie, "How lucky can you get?" But sadly, as the railroad yards shut down and Whistle Stop became a ghost town, nothing was left but boarded-up buildings and memories of a happier time. Then one day, Bud decides to take one last trip, just to see what has become of his beloved Whistle Stop. In so doing, he discovers new friends, as well as surprises about Iddie's life, about Ninny Threadgoode and other beloved Fannie Flagg characters, and about the town itself. He also sets off a series of events, both touching and inspiring, which change his life and the lives of his daughter and many others. Could these events all be just coincidences? Or something else? And can you really go home again?

From the groundbreaking author of *Beauty Salon*, *The Large Glass*, *Jacob the Mutant*, Mario Bellatin delivers a rousing, allegorical novel following the widowed keeper of a mysterious garden. When art student Izu's teacher asks her to visit the famous collection of Mr. Murakami, she publishes a firm rebuttal to his curation. Instead of responding with fury, the rich man pursues her hand in marriage. When we meet her in the opening pages, Mrs. Murakami is watching the demolition of her now-dead husband's most prized part of the estate: his garden. The novel that follows takes place in a strange, not-quite-real Japan of the author's imagination. But who, in fact, holds the role of author? As Mr. Murakami's garden is demolished, so too is the narrative's authenticity, leaving the reader to wonder: did this book's creator exist at all? Mario Bellatin has revolutionized the state of Latin American literature with his experimental, shocking novels. With this brand-new, highly anticipated edition of Mrs. Murakami's Garden from lauded translator Heather Cleary, readers have access to a playful modern classic that transcends reality.

She weaves comical accounts about the oddities with charmingly honest life stories.

Big Fish Turtleback

The sisters of the Order of Saint Rita navigate the far reaches of space and challenges of faith in *Sisters of the Forsaken Stars*, the follow-up to Lina Rather's *Sisters of the Vast Black*, winner of the Golden Crown Literary Society Award. "We lit the spark, maybe we should be here for the flames." Not long ago, Earth's colonies and space stations threw off the yoke of planet Earth's tyrannical rule. Decades later, trouble is brewing in the Four Systems, and Old Earth is flexing its power in a bid to regain control over its lost territories. The Order of Saint Rita—whose mission is to provide aid and mercy to those in need—bore witness to and defied Central Governance's atrocities on the remote planet Phyosonga III. The sisters have been running ever since, staying under the radar while still trying to honor their calling. Despite the sisters' secrecy, the story of their defiance is spreading like wildfire, spearheaded by a growing anti-Earth religious movement calling for revolution. Faced with staying silent or speaking up, the Order of Saint Rita must decide the role they will play—and what hand they will have—in reshaping the galaxy. Folksy and fresh, endearing and affecting, *Fried Green Tomatoes at the Whistle Stop Cafe* is the now-classic novel of two women in the 1980s; of gray-headed Mrs. Threadgoode telling her life story to Evelyn, who is in the sad slump of middle age. The tale she tells is also of two women--of the irrepressibly daredevilish tomboy Iddie and her friend Ruth--who back in the thirties ran a little place in Whistle Stop, Alabama, a Southern kind of Cafe Wobegon offering good barbecue and good coffee and all kinds of love and laughter, even an occasional murder. And as the past unfolds, the present--for Evelyn and for us--will never be quite the same again... "Airplanes and television have removed the Threadgoodes from the Southern scene. Happily for us, Fannie Flagg has preserved a whole community of them in a richly comic, poignant narrative that records the exuberance of their lives, the sadness of their departure. Iddie Threadgoode is a true original: Huckleberry Finn would have tried to marry her!" --Harper Lee, Author of *To Kill a Mockingbird* "A real novel and a good one... [from] the busy brain of a born storyteller." --The New York Times "It's very good, in fact, just wonderful." --Los Angeles Times "Funny and macabre." --The Washington Post "Courageous and wise." --Houston Chronicle

What’s worse? Someone using your face for catfishing or realizing you actually do have a crush on the catfished girl? Harper “Band Geek” McKinley just wants to make it through her senior year of marching band—and her Republican father’s presidential campaign. That was a tall order to start, but everything was going well enough until someone made a fake gay dating profile posing as Harper. The real Harper can’t afford for anyone to find out about the Tinder profile for three very important reasons: 1. Her mom is the school dean and dating profiles for students are strictly forbidden. 2. Harper doesn't even know if she likes anyone like that—let alone if she likes other girls. 3. If this secret gets out, her father could lose the election, one she's not sure she even wants him to win. But upon meeting Margot Blanchard, the drumline leader who swiped right, Harper thinks it might be worth the trouble to let Margot get to know the real her. With her dad’s campaign on the line, Harper’s relationship with her family at stake, and no idea who made that fake dating profile, Harper has to decide what’s more important to her: living her truth or becoming the First Daughter of America.

Packed with violence, political drama and social and cultural upheaval, the years 1913-1923 saw the emergence in Ireland of the Ulster Volunteer Force to resist Irish home rule and in response, the Irish Volunteers, who would later evolve into the IRA. World War One, the rise of Sinn Fin, intense Ulster unionism and conflict with Britain culminated in the Irish war of Independence, which ended with a compromise Treaty with Britain and then the enmities and drama of the Irish Civil War. Drawing on an abundance of newly released archival material, witness statements and testimony from the ordinary Irish people who lived and fought through extraordinary times, *A Nation and not a Rabble* explores these revolutions. Diarmaid Ferriter highlights the gulf between rhetoric and reality in politics and violence, the role of women, the battle for material survival, the impact of key Irish unionist and republican leaders, as well as conflicts over health, land, religion, law and order, and welfare.

“A beautifully crafted novel that sits at the intersection of race and class, that flags the frank truth of the life of migrant workers for whom a flight to freedom can become the most finely woven trap.”—JODI PICOULT, #1 New York Times bestselling author of *The Book of Two Ways*
From the prize-winning author of *The Beekeeper of Aleppo* comes *Songbirds*, a stunning novel about the disappearance of a Sri Lankan domestic worker and how the most vulnerable people find their voices. Living on the island of Cyprus, Nisha is far from her native Sri Lanka. Though she longs to return home, she knows that working as a “maid” for a wealthy widow is the only way to earn enough to support her daughter, left behind to be raised by relatives. Yiannis is a poacher, trapping the tiny protected songbirds that stop in Cyprus as they migrate each year from Africa to Europe and selling them on the illegal market. He dreams of finding a new way of life, and of marrying Nisha. But one night, Nisha makes dinner, an aromatic dahl curry, for the family who pays her: Petra and her daughter Aiki. Then, after she cleans the kitchen and tucks Aiki into bed, Nisha goes out on a mysterious errand, and vanishes. When the police refuse to pursue the case, Petra takes on the investigation herself, a path that leads her to Nisha’s friends—other workers in the neighborhood—and to the darker side of a migrant’s life, where impossible choices leave them vulnerable, captive, and worse. Inspired by the real-life disappearance of domestic workers in Cyprus, Christy Lefteri has crafted a poignant, deeply empathetic narrative of the human stories behind the headlines. With infinite tenderness and skill, *Songbirds* offers a triumphant story of the fight for truth and justice, and of women reclaiming their lost voices.
