[Prague Essential Travel Guide 2023](#) Dorling Kindersley Ltd Prague is the capital and largest city of the Czech Republic. The city's historic buildings and narrow, winding streets are testament to its centuries-old role as capital of the historic region of Bohemia. Prague lies on the banks of the beautiful, meandering Vltava River that reflects the city's golden spires and 9th century castle that dominates the skyline. This historic atmosphere is combined with a certain quirkiness that embraces the entire city. From the Museum of Czech Cubism to the technicolour Jubilee Synagogue; the castle to the river, Prague is a Bohemian capital in every sense. Wink Travel Guides introduce you to the best world travel destinations, in a clear and concise way, illustrated by photos.

[DK Eyewitness London](#) Bradt Travel Guides Prague, Czech Republic. Prague Travel and Tourism Guide, the History. Prague is the capital and largest city of the Czech Republic. It is the fourteenth-largest city in the European Union. It is also the historical capital of Bohemia proper. Situated in the north-west of the country on the Vltava river, the city is home to about 1.3 million people, while its larger urban zone is estimated to have a population of nearly 2 million. The city has a temperate oceanic climate, with warm summers and chilly winters. Prague has been a political, cultural, and economic centre of central Europe with waxing and waning fortunes during its 1,100-year existence. Founded during the Romanesque and flourishing by the Gothic and Renaissance eras, Prague was not only the capital of the Czech state, but also the seat of two Holy Roman Emperors

and thus then also the capital of the Holy Roman Empire. It was an important city to the Habsburg Monarchy and its Austro-Hungarian Empire and after World War I became the capital of Czechoslovakia. The city played major roles in the Protestant Reformation, the Thirty Years' War, and in 20th-century history, during both World Wars and the post-war Communist era. Prague is home to a number of famous cultural attractions, many of which survived the violence and destruction of twentieth century Europe. Main attractions include the Prague Castle, the Charles Bridge, Old Town Square, the Jewish Quarter, the Lennon Wall, and Petřín hill. Since 1992, the extensive historic centre of Prague has been included in the UNESCO list of World Heritage Sites. The city boasts more than ten major museums, along with numerous theatres, galleries, cinemas, and other historical exhibits. A modern public transportation system connects the city. Also, it is home to a wide range of public and private schools, including Charles University. Prague is classified as a Beta+ global city according to GaWC studies, comparable to Berlin, Rome, or Houston. Its rich history makes it a popular tourist destination, and the city receives more than 4.1 million international visitors annually, as of 2009. In 2011, Prague was the sixth-most-visited city in Europe. The name Prague is derived from an old Slavic root, *praga*, which means "ford", referring to the city's origin at a crossing point of the Vltava river. The native name of the city, *Praha*, however, is also related to the modern Czech word *práh* (threshold) and a legendary etymology connects the name of the city with princess Libuše, prophetess and a wife of mythical founder of the Přemyslid dynasty. She is said to have ordered the city "to be built where a man hews a threshold of his house". The

Czech *práh* might thus be understood to refer to rapids or a cataract in the river, the edge of which could have acted as a means of fording the river thus providing a "threshold" to the castle. However, no geological ridge in the river has ever been located directly beneath the castle. The same etymology is associated with the Praga district of Warsaw. Another derivation of the name *Praha* is suggested from *na prazě*, the original term for the shale hillside rock upon which the original castle was built. At that time, the castle was surrounded by forests, covering the nine hills of the future city the Old Town on the opposite side of the river, as well as the Lesser Town beneath the existing castle, appeared only later. Nicknames for Prague have included: *Praga mater urbium/Praha matka měst* ("Prague Mother of Cities") in Latin/Czech, *Stověžatá Praha* ("City of a Hundred Spires") based on count by 19 century mathematician Bernard Bolzano. Today's count is estimated at 500

The Mini Rough Guide to Prague: Travel Guide with Free Ebook Dorling Kindersley Ltd

The Rough Guide to Prague Dorling Kindersley Ltd

Prague, the capital city of the Czech Republic, is a gem nestled in the heart of Europe. Known for its stunning architecture, rich history, and vibrant culture, Prague attracts millions of visitors

each year. Often referred to as "The City of a Hundred Spires," Prague boasts an array of Gothic, Baroque, and Renaissance buildings that enchant tourists and locals alike. The city is divided into several districts, each with its unique charm. The historic center of Prague, known as Prague 1, includes the Old Town, the Lesser Town, and the New Town. This area is a UNESCO World Heritage site and is home to many of the city's most famous landmarks. Prague's beauty isn't just in its architecture. The city is also a hub for music, art, and literature. From the hauntingly beautiful melodies of classical compositions to contemporary art exhibitions, Prague has something for everyone. The city's numerous theaters, galleries, and museums provide a rich cultural experience that rivals any other major European city. Prague is also a city of bridges, with the iconic Charles Bridge being the most famous. Spanning the Vltava River, this historic bridge offers breathtaking views of the city's skyline and is a popular spot for both tourists and local artists. In recent years, Prague has become known for its thriving culinary scene. Traditional Czech dishes, such as goulash and dumplings, can be enjoyed in charming local taverns, while the city's growing number of Michelin-starred restaurants offer more sophisticated dining experiences. Additionally, Prague's vibrant nightlife, with its numerous bars, clubs, and beer gardens, ensures that the city remains lively and exciting after the sun sets. Prague's efficient public transportation system makes it easy to explore all corners of the city. Whether you choose to travel by tram, metro, or bus, you'll find that getting around Prague is both convenient and affordable. This accessibility allows visitors to fully immerse themselves in the city's many attractions and hidden gems.

Prague is a city that seamlessly blends history with modernity. Its picturesque streets, cultural richness, and welcoming atmosphere make it a must-visit destination for travelers from around the world. Whether you're a history buff, an art lover, or simply looking for a beautiful place to explore, Prague offers a unique and unforgettable experience.
