SELF-HELP & PERSONAL DEVELOPMENT. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences - it's our Divine birthright. In *Living an Inspired*

Life (previously published under the title *Inspiration*), Dr Wayne W Dyer explains how to connect to the knowledge and understanding that we had in the spirit realm before we chose to incarnate in physical form. From this all knowing place of spirit, we choose our physical body, our parents and the nature of the life we would lead on the earth. We made these choices co-creatively with the Source and now here on earth if we can reconnect to that Source energy it can transform our lives. Living our lives inspired by Source energy is a powerful antidote to the feelings of emptiness that disconnection from our soul creates. As you read each chapter in this book, you'll find specific suggestions for living 'in-Spirit'.

BESTSELLING BOOK In this inspirational guide, Wayne Dyer, the author of the phenomenal bestsellers *Wisdom of the Ages*, *Pulling Your Own Strings*, and *Your Erroneous Zones*, reveals seven beliefs central to working miracles in our everyday lives. When most of us think of magic, we picture a man in a black cape sawing a woman in half, or a sleight-of-hand card trick. But there's another kind of magic - real magic - that can enrich your life. According to Dyer, real magic means creating miracles in everyday life. Quitting smoking or drinking, achieving new job success, or finding a happy relationship - these are all miracles because they transcend our perceived limitations. From "creating a miracle mind-set" and achieving change in the areas of personal health, prosperity, and fulfilling love relationships to believing in the magic of miracles on a global scale, Dyer shows us that miracles within our reach and within our own minds. In *Real Magic*, Dyer teaches us how to achieve a higher level of consciousness. He asks us to imagine what would make us happy, then offers specific strategies for attaining these goals. In every aspect of our individual lives - physical health, finances, intimate

relationships, and personal identity - there is always room for a miracle or two. And with Dyer's help, each and every one of us can be a miracle worker.

'Our thoughts are a magic part of us, and they carry us to places that have no boundaries, and no limitations' In this bestselling thought-provoking book, Dr. Wayne Dyer stretches beyond self-help to self-realisation. To do so, he embarks on a journey to activate our minds and shows us how to transform our lives by using our thoughts constructively: in other words, how to focus on a belief and see it. Using anecdotes and examples, writing with wit and compassion, and drawing on his own amazing life story, Dr. Dyer has, once again, written an inspirational self-help book that explores how to achieve personal transformation through the visualisation of thought - and teaches us that believing is seeing.

There Is a Spiritual Solution to Every Problem Harper Collins

Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was scheduled to give an evening lecture in Canada at the Jubilee Auditorium in Calgary, Alberta, some ten weeks after my first and only encounter with Nicollette. Nicollette had turned her life mission around, and she wanted to share her experience with the several thousand people in the audience. #2 You can choose to live in a plane of awareness beyond your ordinary consciousness, where you can, if you are willing to change your concept of yourself as an ordinary being, find yourself fulfilling any and all wishes that you have for yourself. #3 The ideal of your soul is not more knowledge. It is not interested in comparison, nor winning, nor light, nor ownership, nor even happiness. The ideal of your soul is space, expansion, and immensity, and it needs to be free to expand. #4 Your outer self-concept is made up of everything you believe your body is capable of. It includes your intellect, talents, and physical body traits, as well as your personality traits.

Unlike most books on this subject, *It's Not What You've Got* is not a how-to manual on spending and saving for kids, but rather a positive, spiritual approach to the meaning of money.

The Shift—the book inspired by the movie of the same name—illustrates how and why to make the move from ambition to meaning. Download *The Shift* and allow these lessons to guide you down a more authentic and rewarding path today. As we contemplate leaving the morning of our life, where ego has played a commanding role, and entering the afternoon (and evening), where meaning and purpose replace ambition and struggle, we may encounter unexpected occurrences that

accompany this new direction. It's almost a universal law that we'll experience a fall of some kind. Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose. The Shift doesn't mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing meaning and feeling purposeful, rather than a life based on never-ending demands and false promises that are the trademark of the ego's agenda.
