## CARNEY HOOPER

### Learning Elementary Physics for Class 6 Ratna Sagar

This series has been written strictly in accordance with the latest syllabus prescribed by the Council for Indian School Certificate Examinations, New Delhi. The text is comprehensive and clear and accurate diagrams illustrate concepts. Activities and experiments develop scientific skills. Exhaustive exercises test knowledge and understanding of concepts learnt. The questions and numerical problems have been strictly framed in accordance with the ICSE examination pattern.

### Chemistry 10 Ratna Sagar

ICSE History and Civics 9 and 10 is a series of two books in conformity with the new syllabus prescribed by the Council for the Indian School Certificate Examinations, New Delhi for 2008 and onwards. They are an attempt to link political, economic, social and cultural factors together. Questions have been culled from the last ten years of ICSE papers for revision. A chronological timeline helps students remember important dates and events.

NEW Living Science BIOLOGY for CLASS 9 Allied Publishers

The comprehensive text builds up a sound base for higher classes. The accurate diagrams, activities and experiments are aimed at developing a scientific temper. Exhaustive exercises are given to test knowledge, understanding and application of concepts learnt. Project work and a glossary of scientific terms are the other distinguishing features along with a Science Virtual Resource Centre on [www.science.ratnasagar.co.in](http://www.science.ratnasagar.co.in)

*Lakhmir Singh's Science Chemistry for ICSE Class 8* Academic Press

This book highlights the importance of chemistry in human well-being by introducing the readers to the basic usefulness of chemistry in everyday life. Chemistry has helped in creating valuable products that have transformed the lifestyle of people. Since we spend lots of money in buying our daily requirements, there is a need for us to understand the benefits and hazards of using consumer products which contain chemicals. In this context, this book will help readers to make reasoned choices and intelligent decisions in buying consumer products which contain chemicals. This text is divided into seventeen chapters devoted to the basic necessities of life like food, shelter, clothing, healthcare, and energy and consumer products. Topics on chemistry in environment, crime, warfare, arts, conservation, communications and transportation are also highlighted in individual chapters. All these topics are discussed with regard to the needs of modern society. In this third edition, the various chapters have been updated with current information keeping the language simple and friendly. Critical thinking exercises and questions have been included. The style of questions included in the book is to meet the requirement of various competitive examinations such as Indian Civil Services and entrance examinations in medicine and engineering.

**History & Civics 9** Ravinder Singh and sons

This book is the solution of Living Science chemistry class 6th (Publisher Ratna Sagar). It includes solved & additional questions of all the chapters mentioned in the textbook. Recommended for both ICSE and CBSE students.

**Grammar & More 6** Ratna Sagar

Series of books for class 1 to 8 for ICSE schools. The main goal that this series aspires to accomplish is to help students understand difficult scientific concepts in a simple manner and in an easy language.

**S Chand's Practice Book for ICSE 8 chemistry** Ravinder Singh and sons

Living Science for Classes 9 and 10 have been prepared on the basis of the syllabus developed by the NCERT and adopted by the CBSE and many other State Education Boards. Best of both, the traditional courses and the recent innovations in the field of basic Biology have been incorporated. The books contain a large number of worked-out examples, illustrations, illustrative questions, numerical problems, figures, tables and graphs.

**Living Sci. Bio. 6 (Col.Ed.)** Goyal Brothers Prakashan

Living Science for Classes 9 and 10 have been prepared on the basis of the syllabus developed by the NCERT and adopted by the CBSE and many other State Education Boards. Best of both, the traditional courses and the recent innovations in the field of basic Physics have been incorporated. The books contain a large number of worked-out examples, illustrations, illustrative questions, numerical problems, figures, tables and graphs.

**SELF-HELP TO ICSE LIVING SCIENCE CHEMISTRY 6** S. Chand Publishing

This book is the solution of Living Science Biology class 7th (Publisher Ratna Sagar). It includes solved & additional questions of all the chapters mentioned in the textbook. Recommended for both ICSE and CBSE students.

**CHEMISTRY IN DAILY LIFE** Ratna Sagar

The comprehensive text builds up a sound base for higher classes. The accurate diagrams, activities and experiments are aimed at developing a scientific temper. Exhaustive exercises are given to test knowledge, understanding and application of concepts learnt. Project work and a glossary of scientific terms are the other distinguishing features along with a Science Virtual Resource Centre on [www.science.ratnasagar.co.in](http://www.science.ratnasagar.co.in)

**Living Sci. Chem. 6 (Col.Ed.)** Ratna Sagar

These workbooks are based on the Living Science textbooks of Physics, Chemistry and Biology. Keeping educational objectives in mind, each chapter is divided into four sections, which have knowledge, understanding, application and skill-based questions. Adequate space is provided for writing answers and drawing diagrams.

**Living Sci. Bio. 7 (Col.Ed.)** Ratna Sagar

We are pleased to present the series A Textbook of Geography for Classes 6 to 8. This series has been written in strict conformity with the latest curriculum. The new curriculum deals with the development of children's understanding and appreciation of the world through a continuous

interaction and exploration of the natural and human environment. It also aims at encouraging children to appreciate the interdependence of individuals, groups and communities and promotes a healthy respect for different types of cultures and ways of life of people around the world. This series endeavours to introduce the practical aspect of the subject, along with the text, through appropriate Diagrams, Pictures, Maps, Mind Maps (graphic organisers) and latest updates in the field of Geography. The series has been specially designed for the young learners to make the learning experience both enjoyable and informative. The nllant features of the booka In this sertas are - 1. Simple, lucid and student friendly language with scientific, logical and practical approach. 2. Precise and to-the-point contents are given to avoid unnecessary details. 3. Maps and diagrams have been kept simple and clear. 4. In most cases there are separate maps for different types of information instead of providing them in one map. 5. Map skills in regional geography play an important role in understanding the subject as well as laying foundation for the future Examinations. For all the continents covered in curriculum, Self Explanatory Colourful Maps with consolidated information have been given. For the convenience of the students and teachers, Practice Maps have been provided. 6. Colourful Mind Maps at the end of each lesson, give the gist of the lesson at a glance and are ideal for a quick revision. 7. Worksheets under Classwork have been introduced to comprehend the lesson. These are to be solved under the direct supervision of the teacher. 8. Comprehensive Exercise at the end of chapter contains all types of questions to consolidate learning. 9. Teacher's Resource Book containing answers of the exercise given at the back of each lesson is available. 10. As per the latest edition in the Board Examinations for ICSE, MCQ (Multiple Choice Questions) have been incorporated in the present set of books for 6th, 7th and 8th for exercise in the each chapter. The present set of books for classes 6, 7 and 8 is a continuation of my existing series of ICSE Geography for classes 9 and 10. This is a genuine effort to maintain the continuity in the ICSE syllabus from Classes 6 to 10 and prepare the students for the oncoming Board Examinations, right from class 6 onward. I hope to succeed in inculcating the interest and confidence amongst the students by providing the required guidance to achieve their ultimate goals. Any suggestions for improvement of the books are most welcome. -Author
