#1 NEW YORK TIMES BESTSELLER A Washington Post Notable Book Excerpted in The New Yorker A work of unparalleled candor and splendid beauty, The Lyrics celebrates the creative life and the musical genius of Paul McCartney through 154 of his most meaningful songs. From his early Liverpool days, through the historic decade of The Beatles, to Wings and his long solo career, The Lyrics pairs the definitive texts of 154 Paul McCartney songs with first-person commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his

songwriting partner, John Lennon; his “Golden Earth Girl,” Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of “Let It Be,” “Lovely Rita,” “Yesterday,” and “Mull of Kintyre,” as well as McCartney’s literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney’s personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—The Lyrics, spanning sixty-four years, becomes the definitive literary and visual record of one of the greatest songwriters of all time.

Updated to include Paul McCartney’s knighting and the deaths of John Lennon and George Harrison. Philip Norman’s biography of the Beatles is the definitive work on the world’s most influential band—a beautifully written account of their lives, their music, and their times. Now brought completely up to date, this epic tale charts the rise of four scruffy Liverpool lads from their wild, often comical early days to the astonishing heights of Beatlemania, from the chaos of Apple and the collapse of hippy idealism to the band’s acrimonious split. It also describes their struggle to escape the smothering Beatles’ legacy and the tragic deaths of John Lennon and George

Harrison. Witty, insightful, and moving, *Shout!* is essential reading not just for Beatles fans but for anyone with an interest in pop music.

From a bestselling author and lifestyle blogger, a DIY guide to home decorating and party planning. In *Cupcakes and Cashmere at Home*, Emily Schuman expands on the personal lifestyle advice that her fans loved in her first book and on her popular blog, with a focus on interior design and entertaining at home. The book features never-before-seen content and explores Emily’s accessible design philosophy for decorating and creating a fashionable personal space. In addition, the book includes DIY design projects and party planning ideas. Emily shows readers not only how to create space that is inviting, but also how to welcome guests and entertain in their homes with ease.

*Trouble in the Camera Club* features over 300 photographs by Don Pyle and another 200 images of related ephemera from the earliest days of Toronto’s punk music scene, featuring early gigs by Toronto bands like The Viletones, Teenage Head, The Curse, The Diodes, and The Ugly, and visiting

punks the Ramones, Iggy Pop, Patti Smith, The Clash, Vibrators, The Stranglers, and other artists influential to the punk movement including Bryan Ferry, David Bowie, and Cheap Trick. Starting in 1976, at age 14, Don Pyle witnessed and photographed some of the earliest gigs of Toronto punk acts and many of the artists whose sensibilities aligned with this new, festering subculture. According to Steven Leckie of The Viletones, Pyle's photographs "made everyone look heroic, as good as Annie Leibovitz and Linda McCartney." In 1977, Pyle bought a 35mm camera and joined his high school's camera club to learn how to develop and print, and to get free chemicals for processing. His trial - and - error education in photography resulted in a collection of images that, 30 - something years later, are as much historic document as they are pictures of an under - represented and significant period in Toronto's musical cultural development. Scratched, water - marked, and dusty negatives were restored to reveal his hidden history of the revolution. Numerous artists that have since passed away are captured in this book in their creative prime, frozen in youthful self - absorbed beauty. These are photos taken by a kid in awe of what he was seeing and who was pressed against the stage at every gig, not by a "professional" who observed from the sidelines. Trouble in the Camera Club is a one - of - a - kind photo - documentary of this golden moment - the birth of punk.

"Following her best-selling TASCHEN monograph *Life in Photographs*, discover a more intimate and highly personal side of Linda McCartney's photographic work in *The Polaroid Diaries*. The collection focuses on McCartney's distinctive way of seeing the world and her family, through charming and quirky portraits of Paul McCartney and the couple's four children. We see them pulling faces and in matching pajamas. We see James pouring water on himself, and Mary and Stella playing dress-up. There's dancing, eating, horse riding, and countless moments of everyday life on their farm in Southern England. As Paul says in the introduction: "She would just see things. Many of her photos, it's just that one click. You've got to recognise when a great photo is happening in front of you. And then you've got to snap it at exactly the right moment... And she did that so many times that it always impressed me." *The Polaroid Diaries* curates more than 200 of these "right" moments from the early 1970s until the mid-1990s, along with a foreword by Chrissie Hynde and an essay by art critic Ekow Eshun. The book also features luminous landscapes across Scotland and Arizona, as well as the odd celebrity, as the likes of Steve McQueen and Adam Ant wander into the frame. Other pictures attest to her love of animals, with compassionate images of cats, lambs, horses, and hens. It's a pre-Instagram glimpse into the life of an extraordinary family, a celebration of Linda's legacy as a fiercely committed artist and of the instant magic of Polaroid film."-- Amazon.com.

A photographic journey through the history of this epic city Samuel Johnson famously said that: "When a man is tired of London, he is tired of life." London's remarkable history, architecture, landmarks, streets, style, cool, swagger, and stalwart residents are pictured in hundreds of compelling photographs sourced from a wide array of archives around the world. London is a vast sprawling metropolis, constantly evolving and growing, yet throughout its complex past and shifting present, the humor, unique character, and bulldog spirit of the people have stayed constant. This book salutes all those Londoners, their city, and its history. In addition to the wealth of images included in this book, many previously unpublished, London's history is told through hundreds of quotations, lively essays, and references from key movies, books, and records. From Victorian London to the Swinging 60s; from the Battle of Britain to Punk; from the Festival of Britain to the 2012 Olympics; from the foggy cobbled streets to the architectural masterpieces of the millennium; from rough pubs to private drinking ♣ from Royal Weddings to raves, from the charm of the East End to the wonders of the Westminster; from Chelsea girls to Hoxton hipsters; from the power to glory: in page after page of stunning photographs, reproduced big and bold like the city itself, London at last gets the photographic tribute it deserves. Photographs by: Slim Aarons, Eve Arnold, David Bailey, Cecil Beaton, Bill Brandt, Alvin Langdon Coburn, Anton Corbijn, Terence Donovan, Roger Fenton, Bert Hardy, Evelyn Hofer, Frank Horvat, Tony Ray-Jones, Nadav Kander, Roger Mayne, Linda McCartney, Don McCullin, Norman Parkinson, Martin Parr, Rankin, Lord Snowdon, William Henry Fox Talbot, Juergen Teller, Mario Testino, Wolfgang Tillmans, and many, many others. For die-hard lovers of Paris, Berlin, London, Los Angeles, and New York, TASCHEN introduces the *Portrait of a City* Art Edition series. For each edition, limited to only 500 copies, a legendary local fashion designer is invited to design a bespoke fabric to line the cover, and a large signed and numbered print of one of the images from the book is included. Paul Smith has

designed the fabric cover for the Art Editions of London: *Portrait of a City*, and the print *Traffic Policeman* was taken by photographer Elmar Ludwig. Art Edition B - No. 501-1,000 *Traffic Policeman*, 1960s Fine art print on archival paper 52 x 68 cm (20.5 x 26.8 in.) (Frame not included) Also available in another Art Edition (No. 1-500)

Discover delicious vegetarian meals that everyone will enjoy. 'I see this new cookbook as a personal journey, bringing to life the wonderful memories of those special occasions when family, friends and food mean everything. From celebrations and yearly highlights, to making the most of a simple gathering, I've created a complete range of vegetarian menus to make all these occasions special and, I hope, to create great memories.' There are moments in our lives, and throughout the year, when we come together with our friends and family - and food plays a huge part in turning these moments into something special. Traditionally, many of these occasions call for meat - whether it's roast beef for Sunday Lunch, or burgers at a BBQ - but Mary wants to show us that vegetarian cooking can be just as celebratory and special, and can adapt to any of our demands. She has created an inspiring and approachable selection of food for occasions that range from the festive feasts to the most intimate meal for two, all built around complete menu plans. Each menu has at least four recipes, and is designed to help us plan satisfying and delicious meat-free meals. Her Bonfire Party menu includes One Pot Chilli and Toffee Caramel Apple Wedges; her Middle-Eastern Feast includes Falafels and Nutty Baklava; and Kids Tea has Alphabet Soup and Mac 'n' Cheese. With stunning photography - including family pictures from both past and present - *At My Table* is about food that brings people together, food that we share with those we love and becomes part of our memories.

THE INSTANT TIMES TOP TEN BESTSELLER Over thirty years ago, Linda McCartney first blazed the trail for meat-free cooking, and around the table of the family home in East Sussex, she shared the pleasure that eating compassionately could bring. Now Paul, Mary and Stella bring Linda's kitchen up to date, re-inventing her best-loved recipes for the plant-based cook, alongside their favourite family stories and the dishes that they now eat at home. The original food pioneer, Linda McCartney believed in great tasting, wholesome, meat-free food, and embraced kindness and compassion in everything she did. Her legacy lives on in *Linda McCartney's Family Kitchen*, a collection of over 90 simple, fresh and inventive plant-based recipes that fit perfectly with how we want to eat now. In *Linda McCartney's Family Kitchen*, Paul, Mary and Stella have re-imagined Linda's classic recipes, bringing them up to date for the modern, plant-based cook. Because how we eat is changing, with more and more people choosing a meat- and dairy-free diet, even if only for one or two days a week. Alongside family favourites such as American Pancakes, Chilli Non Carne, Sausage Rolls and Shepherd's Pie, Paul, Mary and Stella share the dishes they cook most at home: Pad Thai, Pulled Jackfruit Burgers, Panzanella and Chocolate and Peanut Butter Cookies to name just a few of the simple, nourishing and sustainable recipes included in this stylish book. Complete with personal stories and intimate family photos spanning three decades, *Linda McCartney's Family Kitchen* is not only good for you, but for the planet too.

TASCHEN's 25th anniversary - Special edition! Special budget abridged edition! ""This book reveals everything about me. It's been a 60-year contract. Photography is love and death-that'll be my epitaph."" -Araki The subject is Japanese photographer Araki, a man who talks about life through photographs. His powerful oeuvre, decades' worth of images, has been pared down to 540 pages of photographs which tell the story of Araki and comprise the ultimate retrospective collection of his work. Known best for his intimate, snapshot-style images of women often tied up with ropes (kinbaku, Japanese rope-tying art) and of colorful, sensual flowers, Araki is an artist who reacts strongly to his emotions and uses photography to experience them more fully. Obsessed with women, Araki seeks to come closer to them through photography, using ropes like an embrace and the click of the shutter like a kiss. His work is at once shocking and mysteriously tender; a deeply personal artist, Araki is not afraid of his emotions nor of showing them to the world. Annie s Big Book Famed photographer Annie Leibovitz weighs in with her own SUMO When Benedikt Taschen asked the most important portrait photographer working today to collect her pictures in a SUMO-sized book, she was intrigued and challenged. The project took several years to develop and proved to be revelatory. Leibovitz drew from over 40 years of work, starting with the viscerally intimate reportage she created for Rolling Stone magazine in the 1970s and extending through the more stylized portraiture of her work for Vanity Fair and Vogue. Celebrated images such as John and Yoko entwined in a last embrace are printed alongside portraits that have rarely, and sometimes never before, been seen. Leibovitz was able to present some of her famous group portraits in a format that proves that she is the master of the genre. Her pictures are at once intimate and iconic, wide-ranging stylistically and also uniquely hers. Leibovitz is often imitated, particularly by younger photographers, but her work is somehow immediately recognizable. The bookends of the Leibovitz collection are the black-and-white photograph of Richard Nixon s helicopter lifting off from the White House lawn after he resigned as president in 1974 and the formal color portrait of Queen Elizabeth II taken in a drawing room of Buckingham Palace in 2007. In between are portraits that make up a family album of our time: actors, dancers, comedians, musicians, artists, writers, performance artists, journalists, athletes, businesspeople. Performance and power are recurring themes. A supplementary book contains essays by Annie Leibovitz, Graydon Carter, Paul Roth, and Hans Ulrich Obrist and short texts describing the subjects of each of the over 250 photographs. The Collector s Edition is available in four different dustjackets: Whoopi Goldberg, Berkeley, California, 1984 Keith Haring, New York City, 1986 David Byrne, Los Angeles, 1986 Patti Smith, New Orleans, Louisiana, 1978"
