### The Christmas Promise Arctis

Kids will enjoy hours of fun exploring these vibrantly detailed drawings that celebrate the joys of summer in a busy town. It's summer and that means flowers, picnics, thunderstorms, and bike rides. It's a busy time for construction workers, farmers, and house painters. Playgrounds are filled with kids and vacationers are boarding trains in droves. In the sky a pair of balloons drifts through every scene, while on the street people of all ages make their way to an outdoor birthday party. There's even a big storm that turns umbrellas inside out, sends hats flying, but ends in a lovely rainbow. As kids pore over these oversized spreads, they will delight in identifying the same characters on each page as they walk, play, jog, and roller skate--from homes to parks and office buildings to rail stations. In the tradition of Richard Scarry and Where's Waldo, this book encourages kids to return again and again to these charming spreads, following along with the characters and inventing their own stories. All kinds of summer activities come alive in these endearing drawings that provide endless entertainment and spark engaging conversations.

Now available for the first time: all three novels from the amazing Magnus Chase series, collected in one stunning digital edition. My name is Magnus Chase. I'm orphaned and living rough on the streets of Boston. And things are about to get much worse. My day started out normally enough. I was sleeping under a bridge when some guy kicked me awake and said, 'They're after you.' Next thing I know, I'm reunited with my obnoxious uncle, who casually informs me that my long-lost father is a Norse god. And it turns out the gods of Asgard are preparing for war. Apparently, if I can't find the sword my father lost two thousand years ago, there will be doom. Doomsday, to be precise. But first I'm going to die. This is the story of how my life goes downhill from there... Magnus Chase: The Complete Series includes all three novels in the action-packed, electrifying series from Rick Riordan: *The Sword of Summer*, *The Hammer of Thor* and *The Ship of the Dead*

Trotz anderem Cover: Identisch in Themen, Illustrationen und Vokabeln ist das Buch schon mehrfach aufgelegt worden: Zunächst als "Ur"Version "Ich lerne Englisch" (BA 10/97). Dann, 2001 im Gondrom Verlag, als "Mein erstes großes Englisch Bildwörterbuch", ISBN 3811218697, (nicht besprochen, inzwischen nicht mehr erhältlich). Der GondromVerlag baute den Titel auch als ganze Reihe aus, u.a. "Mein erstes großes Italienisch Bildwörterbuch", "Mein erstes großes Türkisch Bildwörterbuch" (beide BA 9/03). Mit neuem Cover, etwas kleinformatiger, etwas günstiger, ansonsten unverändert, wird die Reihe nun wieder beim LoeweVerlag herausgegeben. Sprich: Wer bereits eine der beiden oben genannten EnglischBildwörterbücher besitzt, braucht diesen Titel außer als Austausch oder Staffelexemplar demnach nicht zu kaufen. Für alle anderen gilt die sehr positive Bewertung der "UrVersion" immer noch trotz der

inzwischen größeren Anzahl von Konkurrenzprodukten . So kann vorliegender Titel jetzt neben dem etwas umfangreicheren "Bildwörterbuch Englisch" von Langenscheidt (BA 7/03) vorbehaltlos empfohlen werden. . In Themen wie Familie, Alltag, Freizeit etc. wird ein Wortschatz von rund 800 Wörtern vermittelt. Ab 6.

Kids will spend hours poring over the oversized pages of this joyfully illustrated book that looks at a bustling town's activities in spring. It's springtime in this charming, busy town and there is a lot going on! A house gets a top-to-bottom spring cleaning and farm fields are being prepared for planting. People are shopping, commuting to work, constructing buildings, and meeting friends. If you look closer, you'll recognize the same characters appear on

every page, each with their own story. There's Wilfred the jogger slipping on a banana peel and his friend Erica who comes to help him. Three cheerful nuns shop, chat, and share a snack at the cafe. A stork surveys all the activity from the sky while a mischievous fox scampers through the streets. In the tradition of Richard Scarry and Where's Waldo, this book encourages kids to return again and again to each spread, following along with the characters and inventing their own stories. They'll recognize parts of their own world, while also learning about the endless ways we live, work, and play in the spring.

This book was previously titled, *Be Excellent at Anything*. The *Way We're Working Isn't Working* is one of those rare books with the power to profoundly transform the way we work and live. Demand is exceeding our capacity. The ethic of "more, bigger, faster" exacts a series of silent but pernicious costs at work, undermining our energy, focus, creativity, and passion. Nearly 75 percent of employees around the world feel disengaged at work every day. The *Way We're Working Isn't Working* offers a groundbreaking approach to reenergizing our lives so we're both more satisfied and more productive—on the job and off. By integrating multidisciplinary findings from the science of high performance, Tony Schwartz, coauthor of the #1 bestselling *The Power of Full Engagement*, makes a persuasive case that we're neglecting the four core needs that energize great performance: sustainability (physical); security (emotional); self-expression (mental); and significance (spiritual). Rather than running like computers at high speeds for long periods, we're at our best when we pulse rhythmically between expending and regularly renewing energy across each of our four needs. Organizations undermine sustainable high performance by forever seeking to get more out of their people. Instead they should seek systematically to meet their four core needs so they're freed, fueled, and inspired to bring the best of themselves to work every day. Drawing on extensive work with an extra-ordinary range of

organizations, among them Google, Ford, Sony, Ernst & Young, Shell, IBM, the Los Angeles Police Department, and the Cleveland Clinic, Schwartz creates a road map for a new way of working. At the individual level, he explains how we can build specific rituals into our daily schedules to balance intense effort with regular renewal; offset emotionally draining experiences with practices that fuel resilience; move between a narrow focus on urgent demands and more strategic, creative thinking; and balance a short-term focus on immediate results with a values-driven commitment to serving the greater good. At the organizational level, he outlines new policies, practices, and cultural messages that Schwartz's client companies have adopted. *The Way We're Working Isn't Working* offers individuals, leaders, and organizations a highly practical, proven set of strategies to better manage the relentlessly rising demands we all face in an increasingly complex world.
