How well do you know
your Friends? This
unofficial quizpedia will
put your trivia to the test.
More than twenty-five
years after it first aired,
Friends retains a steadily

growing cult following and
was the most heavily
binged show on Netflix.
Most of us can quote
Friends for days on end.
But how well do you really
know Rachel, Phoebe,
Joey, Chandler, Ross, and
Monica? Do you know the
name of the brand of
Japanese men's lipstick
that Joey advertised? Do
you know what, according
to Rachel, is Chandler's
job? Or do you know

which American band
(yes, the whole band) is in
Phoebe's little black book?
And to what did Ross
compare Rachel's
Thanksgiving trifle? With
season-specific quizzes
and character-focused
questions, this interactive
trivia book is perfect to
play with friends or
family. (Or, for the real
Friends fanatics...solo!)

The penultimate installment in the bestselling French graphic memoir series—hailed as “exquisitely illustrated” and “irresistible”—covering the years of Riad Sattouf’s adolescence, from 1987-1992. In the fourth volume of *The Arab of the Future*, little Riad has grown into a teenager. In the previous books, his childhood was complicated by the pull of his two cultures—French and Syrian—and his parents’ deteriorating

relationship. Now his father, Abdel-Razak, has left to take a job in Saudi Arabia, and after making a pilgrimage to Mecca, turns increasingly towards religion. But after following him from place to place and living for years under the harsh conditions of his impoverished village, Riad’s mother Clementine has had enough. Refusing to live in a country where women have no rights, she returns with her children to live in France with her own mother... until Abdel-Razak shows

up unexpectedly to drag the family on yet another journey. As the series builds to a climax, we see Riad struggle with problems both universal (bullies at school) and specific (his mother’s sudden illness, the judgment of his religious relatives). And as Abdel-Razak returns again to the same fantastical dreams he pursued in previous books, we see him become more and more unhinged, until ultimately he crosses the line from idealism to fanaticism, leading to a dramatic

breaking point. Full of the same gripping storytelling and lush visual style for which Sattouf's previous works have won numerous awards, *The Arab of the Future 4* continues the saga of the Sattouf family and their peripatetic life in France and the Middle East.

In a futuristic city, two mega-companies share power, while indulging in a thankless war to eliminate the other, by any means necessary.

The crash of an extraterrestrial flying saucer will, perhaps, change that. This masterfully crafted, witty and irreverent graphic novel is Argentine cartoonist and graphic designer Lucas Varela's debut.

Petit, the Monster

A single, thirty-year-old woman in the 1970s struggles to find her dream man and dream job in this hilarious & heartwarming classic. Three decades after its original bestselling

publication, Sheila Levine is Dead and Living in New York is still completely on target as the most achingly funny book-length suicide note ever written by an agonizingly single thirty-year-old trying unsuccessfully to straddle two worlds: the one she's been programmed for from birth—marriage first, life later—and the illusive swinging singles scene of liberated New York City. Meet Sheila Levine, she's smart and funny, and her mother tells her she's beautiful. . . . But her

skirt's always a bit wrinkled, she's trying to lose fifteen—make that twenty-five—pounds, she just turned thirty . . . and she's still single. She tries to date and mate, she really does, but disappointment turns to desperation, and after a flash of insight, Sheila calmly decides to kill herself. So she starts to get her affairs in order and writes a suicide note to her loving parents to explain it all . . . Praise for Sheila Levine is *Dead and Living in New York* "Sometimes

heartbreaking, mostly hilarious, always full of life." —Newsweek "A book about suicide shouldn't be this entertaining, but this one is hilarious, due in large part to Sheila's devil may care attitude and the frankness with which she talks about her life." —The Bookbag
Egg Story Random House
 A darkly satirical graphic novel exploration -- as only Hate comics creator Peter Bagge is capable of -- of how people's identities, both real and created, become confused and conflated.

Other Lives ABRAMS
 Petit wonders why some things that he does, like playing with his dog, make him a good boy, while others, like pulling girl's hair, make him bad, and how it is that he can be both bad and good.

Madrid in the eighties, and Barcelona ten years later. In these two vibrant locales, Castaways follows the relationship between Alejandra and Julio against the backdrop of these poetic urban spaces where dreams, love, and uncertainty intertwine. Drawn to one another but constantly pushed or pulled in different directions by work, family, and life, Alejandra and Julio circle in and out of

each other's lives, while first denying and then coming to accept the fact that by the time they are ready to love one another, the chance has already passed. Intensely emotive and poignant, this stunning graphic novel from Laura Pérez and Pablo Monforte depicts themes of maturity, responsibility, and human connection. Available in English for the first time with translation by Silvia Perea Labayen. *Friends Quizpedia* Top Shelf Productions Summer, 1994. With just

two months left before college, Elodie is forced by her mother to take a job as a camp counselor. She doesn't know the first thing about nature, or sports, or kids for that matter, and isn't especially interested in learning... but now she's responsible for a foul-mouthed horde of girls who just might win her over. But just as Elodie starts getting used to her new environment—and close to one of the other counselors—a dark mystery lurking around the camp begins to haunt

her dreams.
Witchblade #5 Gallery / Saga Press
 The mighty interstellar hero Astro Mouse and his bright first mate Light Bulb took a wrong turn on their way to the Moon (to see if it was made of cheese), getting lost in space. They go to infinity and beyond trying to find their way home with the help of their adopted, sentient caca. When they land on a planet populated by powdered sugar, the space crew thinks they might just have found their new

home. But a quartet of notorious no-goods vacationing there, Skunk Girl, Captain Fastidious, Arkade, and Meduso, calling themselves the Troublesome 4, might just prove problematic for the rodent and appliance super space duo.

 Who says youth is wasted on the young? Jasper wants to get on in the world, but he's got a lot on his plate: A-levels, his mother pushing him to overachieve, weekly visits to his psychologist, come-

downs, YouTube suicides and pregnant one-night-stands. Then there's his stepdad – the murderer. Hilarious and heartbreaking by turns, *Grow Up* is the ultimate twenty-first-century coming-of-age novel. It paints a vivid portrait of the pills and thrills and bellyaches of growing up today. Funny, smart and twisted, it is the story of one young man transformed.

A New York Times Book Review choice as one of the 10 Best Illustrated Children's Books of 2008. Skim is Kimberly Keiko Cameron, a not-slim, would-be Wiccan goth stuck in a private girls' school in Toronto. When a classmate's boyfriend kills himself because he was rumoured to be gay, the

school goes into mourning overdrive, each clique trying to find something to hold on to and something to believe in. It's a weird time to fall in love, but that's high school, and that's what happens to Skim when she starts to meet in secret with her neo-hippie English teacher, Ms. Archer. But when Ms. Archer abruptly leaves, Skim struggles to cope with her confusion and isolation, armed with her trusty journal and a desire to shed old friendships while cautiously

approaching new ones. Depression, love, sexual identity, crushes, manipulative peers --teen life in all its dramatic complexities is explored in this touching, pitch-perfect, literary graphic masterpiece. Cousins Mariko and Jillian Tamaki collaborate brilliantly in this poignant glimpse into the heartache of being sixteen. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.5.7 Analyze how visual and multimedia elements

Philosophy like you've never seen it before The latest in the celebrated Cartoon Introduction series, *The Cartoon Introduction to Philosophy* is an authoritative and engaging guide to the fundamental questions about our existence. In this indispensable primer, Kevin Cannon—one of the talented illustrators behind *Evolution and The Stuff of Life*—and the

philosopher Michael F. Patton introduce the wisecracking Greek Heraclitus, who hops in a canoe with us as we navigate the great debates of Western thought. As we make our way down the winding river of philosophy, we meet the pre-Socratics, who first questioned mythology and wondered about the world around them; encounter the disciplines of logic, perception, and epistemology; face the central problem of free will; and witness historic

arguments over the existence of God. Along the way, famous thinkers like René Descartes and Immanuel Kant spell out their work in clear, lighthearted conversations that will put readers at ease. Patton's prose, combined with Cannon's rich artistry, puts the fun back into the quest for fundamental truths, imparting the love of wisdom to anyone willing to grab a paddle and join the ride. A rich combination of education and entertainment, *The Cartoon Introduction to*

In this fanciful and richly imaginative story, one of the most original and

important young European comic artists imagines a frozen world thousands of years hence in which all human history has been forgotten. A small group of archaeologists come upon the Louvre, buried in age-old snow, and cannot begin to explain all of the artifacts they see. Their interpretations of the wonders before them strike a humorous, absurd, and farcical tone. One of the few books coedited by the Louvre, this graphic novel features stunning

illustrations as it presents a unique vision of the great museum.

Effie, Wolf, Raven, and Max are faced with their most challenging adventure yet in the third installment of the magical Worldquake series, which Kirkus Reviews calls “tailor-made for Harry Potter’s fans.” Effie Truelove and her school friends Lexy, Wolf, Maximilian, and Raven must put their magical skills to the test. The Diberi, a corrupt

organization intent on destroying the world, has returned and has something sinister planned at Midwinter. But during a visit to the Otherworld, Effie is mistaken and imprisoned for being a galloglass—a dangerous, selfish islander. Meanwhile, Lexy is threatened by the vile professor Jupiter Peacock and Wolf embarks on a perilous journey to find his missing sister. And back

at school, Neptune the cat is bored. He's used to lording over the other stray cats, but they've all mysteriously vanished. Where could they be—and how will he find them? Can Effie and her friends reunite before their universe ceases to exist? 1Q84 Random House Beatriz Luengo discovers us the most intimate part of twelve creative muses, who weren't recognized at

their times, and in which, as in a mirror, she reflects herself confessing her own truth as a woman and artist. This sincere self portrait, in which she undresses before the reader, is an admirable literary mosaic that joins history, fiction, poetry and personal thoughts and vindicates the need to understand the feminist plight as it truly is: a movement for human rights.
