2019 Weekly Planner Rowman & Littlefield
"Grounded in the discipline of Religious Studies, this handbook offers an alternative to historical, theological and institutionally-centered research on Christianity. Drawing on a range of methodologies, this handbook shifts attention from normative textual and doctrinal matters to issues of materiality and everyday life. Themes covered include sacred space and objects, cyber-Christianity, food, prayer, education, family life, fundamentalism and sexuality. In addition, issues of gender, race

and ethnicity are treated throughout. The book highlights the current state of academic study in the field and explores areas in which future research might develop. Clearly and accessibly organised to help users quickly locate key information and analysis, the book includes an A to Z of key terms, extensive guides to further resources, a comprehensive bibliography and a timeline of major developments in the field, making it a unique resource to upper-level students and researchers"--

2019 Monthly Planner Planner 2019

Monthly Planner 2019 Orenda Books

A family holiday creates unexpected drama when Liv, Ellen and Håkon's elderly parents announce their decision to divorce. The Norwegian Anne Tyler makes her English debut in a beautiful, insightful and perceptive novel. ***Winner of the Norwegian Booksellers' Prize*** _____ 'The most beautiful, elegant writing I've read in a long time. If you love Anne Tyler, you will ADORE this' Joanna Cannon 'A thoughtful and reflective novel about parents, siblings and the complex - and often challenging - ties that bind them' Hannah Beckerman, Observer 'I

absolutely loved its quiet, insightful generosity' Claire King
 _____ When Liv, Ellen and Håkon, along with their partners and children, arrive in Rome to celebrate their father's seventieth birthday, a quiet earthquake occurs: their parents have decided to divorce. Shocked and disbelieving, the siblings try to come to terms with their parents' decision as it echoes through the homes they have built for themselves, and forces them to reconstruct the shared narrative of their childhood and family history. A bittersweet novel of regret, relationships and rare insights, *A Modern Family* encourages us to look at the people closest to us a little more carefully, and ultimately reveals that it's never too late for change... _____ 'The author has been dubbed the Norwegian Anne Tyler and for good reason. Three generations of a family head on a holiday to Italy to celebrate patriarch Sverre's 70th birthday – but he and his wife have life-changing news to share. If you love books about dysfunctional families, you'll love this' *Good Housekeeping* 'As they rebuild their childhood memories, it's telling that their perceptions of themselves and their family relationships are so dramatically different. In quiet prose, Helga Flatland writes with elegance and subtle humour to produce a shrewd and insightful examination of the psychology of family and of loss' *Daily Express* 'I love the sophistication, directness and tenderness of this book' Claire Dyer 'So perceptive and clever' Rónán Hession 'This is a super exploration of families that I'd urge you to read for the subtle prose, with well defined characters and a strong storyline' Sheila O'Reilly 'It is the most satisfying book that I've read in a long time, and the most clear-eyed, honest, yet sympathetic examination of relationships that I have ever read.

The subtlety with which she portrays the inconsistencies between how the characters see each other versus how they see themselves is masterful' Sara Taylor 'Reading Helga Flatland's *A Modern Family* is like watching the sun rise on a cloudy horizon; light whispers and dances and breaks over the clouds. Layers of deliciously cumulative insight – a moving and exquisite read' Shelan Rodger 'A beautifully written novel, bittersweet, moving and poignant ... a wise novel of great insight' *New Books Magazine* 'Flatland has the gift that I most often covet in the work of other writers: the ability to make everyday events compelling ... an utterly compelling and satisfying read. It reminds us how full and rich life is, how the quietest existence can brim with urgency and drama' Ann Morgan 'A novel that prods and provokes ... fascinating, incredibly profound, yet somehow tender, this really does encourage an exploration of a modern family' *LoveReading*
