Even a life on the untamed plains of Africa can't prepare Wilhelmina for the wilds of an English boarding school in this "gripping, magical, and heartwarming tale of resilience, friendship, and hope" (Publishers Weekly, starred review). Wilhelmina Silver's world is golden. Living half-wild on an African farm with her horse, her monkey, and her best friend, every day is beautiful. But when her home is sold and Will is sent away to boarding school in England, the world becomes impossibly difficult. Lions and hyenas are nothing compared to packs of vicious schoolgirls. Where can a girl run to in London? And will she have the courage to survive? From the author of *Rooftoppers*, which Booklist called "a glorious adventure," comes an utterly beautiful story that's "a treasure of a book" (VOYA).

One, None and a Hundred Thousand Anchor

These seemingly disparate characters gradually realize their connections to each other just as they realize that something is not quite right about their world. And it seems as though the answers might lie with Hawthorne Abendsen, a mysterious and reclusive author whose bestselling novel describes a world in which the US won the War... The Man in the High Castle is Dick at his best, giving readers a harrowing vision of the world that almost was. "The single most resonant and carefully imagined book of Dick's career." —New York Times

L'avventura di due lupi alla scoperta della libertà Pickle Partners Publishing

Lisa Thompson's debut novel is a page-turning mystery with an emotionally-driven, complex character study at its core -- like *Rear Window* meets *The Curious Incident of the Dog in the Night-Time*. Matthew Corbin suffers from severe obsessive-compulsive disorder. He hasn't been to school in weeks. His hands are cracked and bleeding from cleaning. He refuses to leave his bedroom. To pass the time, he observes his neighbors from his bedroom window, making mundane notes about their habits as they bustle about the cul-de-sac. When a toddler staying next

door goes missing, it becomes apparent that Matthew was the last person to see him alive. Suddenly, Matthew finds himself at the center of a high-stakes mystery, and every one of his neighbors is a suspect. Matthew is the key to figuring out what happened and potentially saving a child's life... but is he able to do so if it means exposing his own secrets, and stepping out from the safety of his home?

Once Upon a Time in America Jimmy Patterson

«Non dovremmo temere il lupo, ma il fatto di esserci allontanati così tanto dal nostro essere lupi.» «Per la prima volta due cuccioli di lupo cresciuti in un centro di recupero sono stati liberati in natura. Lo racconta Giuseppe Festa. » il Venerdì - la Repubblica «Una favola al contrario. Una vicenda portatrice di grandi emozioni. » la Repubblica di Bologna Ulisse e Achille sono cuccioli di lupo: trovati nel bosco soli e in difficoltà, vengono affidati a Elisa e ai volontari del Centro Monte Adone, una struttura per il recupero e la cura degli animali selvatici sull'Appennino Bolognese. Secondo la prassi i due dovrebbero rimanere in un recinto per il resto dei loro giorni: quando crescono al fianco dell'uomo, infatti, i lupi non apprendono il linguaggio del branco, strumento indispensabile per sopravvivere in natura. Ma Elisa e i suoi compagni non si vogliono arrendere: hanno deciso che restituiranno al bosco i suoi figli, ridando loro la possibilità di una vita senza recinzioni. Ad accompagnare i ragazzi di Monte Adone in questa sfida del coraggio, dell'ostinazione e della passione è Giuseppe Festa: trascorre con loro quindici mesi tra le cime innevate e selvagge dell'Appennino, ne condivide entusiasmi e delusioni, e oggi racconta in queste pagine l'avventura loro e di Ulisse e Achille, fino al sorprendente finale. Avvincente come un romanzo e documentato in ogni particolare, I figli del bosco celebra il fascino della natura, senza rappresentarla come un sogno romantico ma raccontandola in tutta la sua asprezza; sfata miti e pregiudizi, rivelando la fierezza e l'anelito di libertà incarnato dagli animali; e ci conquista evocando il rapporto di amore e paura, attrazione e rispetto che da millenni unisce gli uomini e i lupi.

Oh, Freedom! Little, Brown Books for Young Readers

"Cento passi per volare" di Giuseppe Festa è il racconto delicato di un bambino che ha perso la vista dai primi anni di vita. Il

mondo sembra solo oscura presenza perché Lucio fa ormai fatica a ricordare le forme delle cose, anche se sa di averle viste, molti anni prima. Ma com'erano? Questa è una domanda a cui lui non sa dare risposta. Però c'è un mondo in cui ogni cosa sembra ritornare: è la montagna con i suoi larici e i suoi profumi, dove pochi si avvicinano e dove Lucio riesce a riacutizzare i suoi sensi e a renderli verità e qualcosa di tangibile. In montagna il ragazzino va spesso con la zia Bea, una donna che lui adora e con cui riesce ad essere se stesso. Per questo l'avventura che vivranno rafforzerà ancora di più il loro legame di amicizia e riuscirà a far scoprire a Lucio il suo mondo interiore, "vedendolo" per la prima volta. In un giorno di autunno, quando il bosco ha il colore del rosso intenso, Lucio e Bea sentono un rumore strano: è il richiamo di un aquilotto rapito da un gruppo di bracconieri. La sola cosa da fare è avvisare la forestale e nel frattempo cercare di fermare i criminali in attesa delle forze dell'ordine. In "Cento passi per volare" questo difficile compito toccherà proprio a Lucio e alla zia Bea."--

Candlewick Press

What Harry Potter did for magic, Max Einstein does for kids' imaginations! Max leads a group of kid geniuses in this #1 New York Times bestseller officially approved by the Albert Einstein archives. Max Einstein is not your typical genius. She . . . Hacks the computer system at NYU to attend classes Builds inventions to help the homeless And talks to Albert Einstein! (Okay, that's just in her imagination) But everything changes when Max is recruited by a mysterious organization! Their mission: solve some of the world's toughest problems using science. She's helped by a diverse group of young geniuses from around the globe as they invent new ways to power the farthest reaches of the planet. But that's only if the sinister outfit known only as The Corporation doesn't get to her first . . . Max Einstein is a heroine for the modern age and will be looked up to by readers for generations to come. "[A] fast-paced, science-filled caper." -- The Wall Street Journal

Cartwheeling in Thunderstorms Capstone

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a

vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hang. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times
The Summer I Learned to Fly Abrams
 In a small North Carolina town, a mysterious and beautiful woman running from her past slowly falls for a kind-hearted store owner . . . until dark secrets begin to threaten her new life. When a mysterious young woman named Katie appears in the small North Carolina town of Southport, her sudden arrival raises questions about her past. Beautiful yet self-effacing, Katie seems determined to avoid forming personal ties until a series of events draws her into two reluctant relationships: one with Alex, a widowed store owner with a kind heart and two young children; and another with her plainspoken single neighbor, Jo. Despite her reservations, Katie slowly begins to let down her guard, putting down roots in the close-knit community and becoming increasingly attached to Alex and his family. But even as Katie begins to fall in love, she struggles with the dark secret that still haunts and terrifies her . . . a past that set her on a fearful, shattering journey across the country, to the sheltered oasis of Southport. With Jo's empathetic and stubborn support, Katie eventually realizes that she must choose between a life of transient safety and one of riskier rewards . . . and that in the

darkest hour, love is the only true safe haven.

Iqbal Knopf Books for Young Readers

The Flower of Battle is Colin Hatcher's translation of Fiore dei Liberi's art of combat from the early 15th century. The work included high-resolution images and English text laid out in the manner of the original.

Safe Haven Scholastic Inc.

One boy's journey to save his village becomes a quest to save the Kingdom. When Tom defeated Epos the Winged Flame, he thought his Beast Quest was over. He was wrong. The Dark Wizard Malvel has returned. He has new beasts and a new plan to destroy the kingdom. Tom is determined to save Avantia and finish his quest. But that means facing Zepha the Monster Squid! The last time Tom fought an underwater monster, he barely survived. Can he battle the evil beast and make it out alive?

If On A Winter's Night A Traveler HarperCollins

Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, Twilight captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

My Father's Words Random House Digital, Inc.

While on summer vacation at the seaside, twelve-year-old Irene Adler meets the young Sherlock Holmes, and his friend Arsène Lupin--and when a dead body floats ashore the three young

friends set out to solve the mystery.

The Girl Who Saved Christmas BookRoad

"What a picture! She shivered, making her breasts quiver, and I realized that this confession, far from horrifying her, was feeding her lust. You'll send the devil back into our flesh." Considered one of the truly great French writers of the nineteenth century, famed poet and novelist Alfred de Musset once decided (as great French writers are wont to do) to try his hand at erotic fiction. The glorious result was *Gamiani*, a classic tale of sensual pleasure and sexual excess. Reputedly inspired by the debauched history of Musset's former lover--the irrepressible George Sand--it is the classic erotic story of one man, two women . . . and two incomparable nights of uninhibited sexual adventure.

The Losers Club Simon and Schuster

Sara is a young and brilliant thirty-three year old woman. Tired of her unrewarding and underpaid job and disappointed by a relationship that ended badly, she decides to change her life by moving to London. After a difficult period in which -- desperately looking for a job -- she is forced to live in a gloomy hostel, she is hired by one of the most prestigious law firms in the City and moves to an elegant neighborhood with a French girl. Shortly thereafter she falls in love with an Italian man, a career-driven professional like her. It seems that all the pieces of her life are back in place. Appearances, however, can be misleading...

The Diary of a Young Girl Little, Brown Books for Young Readers
 Reminiscent of Scheherazade and One Thousand and One Nights, Gianni Rodari's Telephone Tales is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (The Forest), Telephone Tales entertains, while questioning and imagining other worlds.

This exciting adventure story follows a family of slaves in the USA in 1860 as they escape from a cotton plantation via the legendary Underground Railroad. An enthralling story of courage and resilience, centring on 10-year-old Tommy, it will fascinate children who might not know much about this secret escape route into Canada that was used by as many as 100,000 people. Ten-year-old Tommy roams the cotton fields of Alabama owned by the notorious Captain Archer. Intimidating guards with fierce dogs protect the land to prevent any slaves from leaving. That is until a supernatural spirit visits Tommy offering a way out. With his banjo slung over his shoulder, Peg Leg Joe guides Tommy, his family and other slaves out of Southern USA, and into Canada through the legendary Underground Railroads. Stretched for miles across the country's vastness, the network famously facilitated more than 100,000 slaves to a new life. For Tommy and his family, the escape is far from an easy ride. The young boy is forced to mature through this testing period and allow his strong will to

guide himself and others to safety under the guidance of Peg Leg Joe. Set in the 19th century, D'Adamo's well-constructed novel tells a story distant in time, remains grounded in a reality that still exists today. Millions of people across the globe continue to be enslaved, including children.

[Good Dog, McTavish](#) Simon and Schuster

Fiction. Translated from the Italian by William Weaver. Luigi Pirandello's extraordinary final novel begins when Vitangelo Moscarda's wife remarks that Vitangelo's nose tilts to the right. This commonplace interaction spurs the novel's unemployed, wealthy narrator to examine himself, the way he perceives others, and the ways that others perceive him. At first he only notices small differences in how he sees himself and how others do; but his self-examination quickly becomes relentless, dizzying, leading to often darkly comic results as Vitangelo decides that he must demolish that version of himself that others see. Pirandello said of his 1926 novel that it "deals with the disintegration of the personality. It arrives at the most extreme conclusions, the farthest consequences." Indeed, its unnerving humor and existential dissection of modern identity find counterparts in Samuel Beckett's Molloy trilogy and the works of Thomas

Bernhard and Vladimir Nabokov.

[Vicious Veg](#) Salani

In 1942, a dashing young man who liked nothing so much as a heated game of poker, a good bottle of scotch, and the company of a pretty girl hopped a merchant ship to England. He was Robert Capa, the brilliant and daring photojournalist, and Collier's magazine had put him on assignment to photograph the war raging in Europe. In these pages, Capa recounts his terrifying journey through the darkest battles of World War II and shares his memories of the men and women of the Allied forces who befriended, amused, and captivated him along the way. His photographs are masterpieces — John G. Morris, Magnum Photos' first executive editor, called Capa "the century's greatest battlefield photographer" — and his writing is by turns riotously funny and deeply moving. From Sicily to London, Normandy to Algiers, Capa experienced some of the most trying conditions imaginable, yet his compassion and wit shine on every page of this book. Charming and profound, Slightly Out of Focus is a marvelous memoir told in words and pictures by an extraordinary man.—Print Ed.
