Learn the second most studied language in the world and have real-life conversations within less than a month even if you're a complete beginner So, it's settled... your next vacation is going to be in France! Your mouth begins watering as you book your trip. You'll start with the Blue Coast, making your way to Nice, catching the beaches and the beautiful sea, to end up in Paris and surrounding areas, to take in incredible history, as well as a culture that celebrates fashion, art, and elegance in grand style. But then you discover something you weren't expecting... 61% of people in France don't speak any English at all. And of the remainder, very few speak it well. What!? This is going to make getting around tougher than you anticipated. 4 weeks out from your trip, you wish you knew French. The good news is that with a targeted application, like travel, you can pick up the essentials quickly. And once you do, it ties you into 300 million native French speakers worldwide, spread in over 29 countries, where French is the official language. Learn French Like a Native for Beginners covers topics of practical interest to adults, straight out of the gate, while also providing learning modules to get you up to speed quickly. Here's a select sample of what you'll discover in Learn French Like a Native for Beginners: Presented in both written and audio format, designed for easy navigation and use during commutes Dialog drills build your conversational

muscles to formulate original responses effortlessly Complete verb conjugations so you're set in every circumstance. Just-in-Time Expertise - pick and choose subject-based chapters based on upcoming situations and needs Special attention to travel and workplace situations with detailed vocabulary lists and suggestions for effective communication And Much, Much More. Some people are hesitant to start learning a new language because they think it will take too long to see any benefit. But if a program is structured around real-world situations, you can focus just on what you need to make quick progress. Even if you don't know any other language besides English, you'll be able to have your first interesting conversation in less than a month. French is considered one of the most natural languages for a native English speaker to learn. The grammar is even more accessible, and many words sound similar and have the same meaning. Are you ready to pick up French in less than a month and be prepared to use it in every situation that will require it? Then scroll up and click the "Add to Cart" button and let's start your French Journey together!

Do you consider yourself a lifelong learner, always wanting to improve yourself with new skills and information? Have you always loved traveling and really immersing yourself in the culture of your destination? Or maybe you are looking to improve your career by winning the next promotion or a completely new international opportunity? Learning French can help you in all of these ways, and this beginner guide will give you a head start on this fulfilling learning journey. Learning a new language as a hobby, like French, can be incredibly satisfying. You are learning a new skill, deepening your mind by learning about a new culture, and exercising your memory. But, did you ever realize that learning French can be a game-changer? As one of the most widely used languages in the world, the ability to speak French can offer new career opportunities as business becomes more global. Having a second language, whether you are fluent or confident in your basic speaking skills, is becoming the thing that sets you apart from your competition. If that's the case,

what are you waiting for? In addition to the career, educational, and travel perks that come with learning a new language, studies have shown the additional benefits of language learning on brain capacity. The 2016 University of Edinburgh study "Novelty, Challenge, and Practice: The Impact of Intensive Language Learning on Attentional Functions" published in PLOS ONE, found that even short periods of studying a language helps improve focus and attention. With this guide, you will find: The most effective (i.e., simple and fast) method to learning the basics of everyday French, even if you think of yourself as a slow learner How learning French will open up amazing travel opportunities for you all over the world, not only in France Dozens of exercises (with answers) included, so you don't need to make them up yourself, providing everything you need in one, convenient place How you can improve yourself and expand your view of the world, just by learning French The most useful topics you will need as your French-speaking foundation in order to master the language An easy-to-use verb guide and how to use them - sometimes the most complicated part of learning a language, made easy How to win over the French people and immerse yourself in travel - wherever you go The 3 essential tips you need to know to speed up your learning and perfect your pronunciation Maybe you are learning French for fun because you're going on your first trip to Paris. Or you are taking up a new hobby and finally learning another language. Perhaps you want to improve yourself by gaining the competitive edge in your career. Either way, you need a method that is fast, easy, and accessible, because we are all busy and we are pulled in a million

different directions. Whatever your goal may be, learning French can be easy, fulfilling, and fun with this guide. Start your French journey today by clicking "Add to Cart"
