Querbeet Knopf Books for Young Readers

An extraordinarily warm and funny book about a big brother's courage and inventiveness when he discovers his parents have been run over by a truck - or have they? 'It's just you and me now,' I said, 'alone in the world. But I'll look after you very, very well. Everything will be just like normal.' I think this has the same dry humour as All the Dear Little Animals. It is so true to childhood - the boy taking on responsibility and acting beyond his years - and is all about the power of imagination.' Julia Marshall, publisher.

Querbeet Band 7 (2016) Random House

It is 1900, and Sarah Trevelyan, a pupil-teacher, is desperate to reclaim her family home, Darkwater Hall. Lost by her grandfather in a gambling wager, its present owner, John Azrael, is a mysterious man who draws her into a bizarre bargain ... the fulfilment of her dreams ... if she will

only give up her soul. In 2000, Darkwater Hall is a private school for boys. Tom Hughes longs for the education found within its walls, but instead goes to the local school and has trouble with unpleasant bullies. His twin brother, Simon, who died at birth, is his constant companion, unseen or heard by anyone else. When Tom meets the strange girl Sarah, and a new teacher, Azrael, he finds himself embroiled in their deadly deal ...

THE EXTRAORDINARY STORY OF THE ENGLISH WOMAN WHO FOOLED THE VATICAN. The legend of Pope Joan - the woman who, dressed as a man, headed the Catholic church in the early ninth century - has always been a subject of fascinated speculation but rarely, until now, the subject of serious research. As the future over women in the catholic priesthood continues, and the Church, which once took her story as gospel, now tries to play down the rumours, it is time for a reappraisal. Here Peter Stanford, author of *The Devil- A Biography*, reveals what can, and cannot, be known of this incredible story, and of the extraordinary woman behind it. In this fascinating

account, ranging from secret histories to conspiracy theories, medieval carvings to tarot cards, women priests to cross-dressing clerics, and from romantic fiction to hard facts, he delivers a major study of historical detective work.

Bear got more than he bargained for when he accidentally ran into Fox. Little did he know, Bear had picked up Fox's stolen goose egg. Soon, the egg hatches and Bear finds himself holding a

confused little gosling that's calling him "Mama." Try as he might to convince the little goose he's not its mother, the goose sticks around. Bear tries to show the goose that he's not its mother by climbing, running, and swimming away, but Goose is there every step of the way, climbing, running, and swimming just as well as Bear. But, Fox is lurking the whole time, waiting to take back his "prize." Just as Bear begins to accept Goose as his own, Fox makes his move. Will Fox get Goose, or will "Goose the Bear" make "Mama" proud? In this quirky mix-up at its finest, Katja Gehrman tells the heartwarming and species-confused story of Goose the Bear with the help of colorful, offbeat illustrations and a narrative to match.
